DR. F. C. SENIOR. HEREBY CAUTIONS THE PUBLIC NOT to employ or communicate with a man styling himself "Dr. Foot, Jr." or "Dr. Foot, Sr." without making inquiry.

This man came to Salt Lake City representing himself as the son of Dr. E. B. Foote of New York, the well known specialist, as abundantly proved by affidavits. As rumors came into Salt Lake City from Dakota and Montana from an expo made there, he changed his name and presented himself as the son of a more noted specialist in New York City than Dr. E. B. Foote, the well known Trow's Director, in New York City forty years in the directory business, ex-Governor FRANK FULLER, of Utah, and the Hon. ABRAHAM WALKER, for many years postmaster in New York City, also suggested the name. He gave their affidavits that there are no other doctors in New York by the name of Foot or Foote, excepting Dr. E. B. Foote, the author of "Medical Cases," and his sons, Dr. E. B. Foote, Jr., and Dr. HERBERT T. Foote.

Those desiring further and more detailed information in respect to this matter, will receive it by addressing Box 414, Salt Lake City, Utah.

Persons having information of advantage to plaintiffs will kindly communicate the same to J. W. Ives, with Sutherland & Messinger, Salt Lake City.

DR. E. B. FOOTE, Sr., or Dr. E. B. FOOTE, Jr. 120 Lexington Ave., New York. Consultation Free, in person or by letter.

THE MAN WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC RAILWAY

By reason of its central position and close relation to all principal lines East and West, at initial and terminal points, constitutes the most important and central link in that system of through transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts.

THE GREAT ROCK ISLAND ROUTE. Guarantees its patrons that sense of personal security afforded by a well-thoroughly ballasted road-bed; smooth tracks of continuous steel rail; substantially built culverts and bridges; rolling stock as near perfection as human skill can make it; the safety appliances of patent buffers, platform and air-brakes; and that exacting discipline which governs the operation of all its trains.

THE FAMOUS ALBERT LEA ROUTE. Is the direct and favorite line between Chicago and Minneapolis and St. Paul, where connections are made in Union Depots for all points in the North and British Provinces. Over this route, Fast Express Trains are run to watering places, summer resorts, picturesque localities, and hunting and fishing grounds of Iowa and Minnesota.
