EVERY NIGHT I SCRATCHED

Until the skin was raw. Body covered with scales like spots of mortar. Cured by the Cuticura Remedies.

I am going to tell you of the extraordinary change your CUTICURA REMEDIES performed on me. About the 1st of April last I noticed some red pimples like coming out all over my body, but thought nothing of it until some time later on, when it began to look like spots of mortar spotted on, and which came off in layers, accompanied with itching. I would scratch every night until I was raw, then the next night the scales, being formed meanwhile, were scratched off again. In vain did I consult all the doctors in the country, but without aid. After giving up all hopes of recovery, I happened to see an advertisement in the newspaper about your CUTICURA REMEDIES, and obtained them from my druggist, and began to use them immediately. I began to notice that the scaly eruption gradually dropped off and disappeared one by one, and have been fully cured. I had the disease thirteen months before I began taking the CUTICURA REMEDIES, and in four or five weeks was entirely cured. My disease was eczema and psoriasis. I recommended the CUTICURA REMEDIES to all in my vicinity, and I know a great many who have taken them, and thank me for the knowledge of them, especially mothers who have babies with scaly eruptions on their heads and bodies. I cannot express in words my thanks to you for what the CUTICURA REMEDIES have done to me. My body was covered with scales, and I was an awful spectacle to behold. Now my skin is as soft and clear as a baby's.

GEO. COLEBY, Merrill, Wis. Sept. 21, 1887. Feb. 7, 1888.—Not a trace whatsoever of the disease from which I suffered has shown itself since my cure. GEO. COLEBY.
