LOOK OUT FOR LIBERAL METHODS.

Liberal methods are being resorted to in fixing up the coming registration lists. Names are being stricken off and remarks made opposite each name so erased, as "supposed to be a polygamist."

The Herald wants every voter in the ranks of the People's party to make it his business to see that his name is on the new list. Don't trust to any one else to see that your name is there.

Whether the man spoke from the fullness of his heart or stomach, it matters not. Perhaps he was speaking his honest sentiments, his candid belief, and if so he is entitled to respect accordingly.

Words are like leaves; and where they most abound, much fruit of sense beneath is rarely found. The Liberal promises are "words," and there will be a failure when looking for any returns of fruit from them.

Men that bankrupt a county and claim to be better and purer than the people whom they have robbed are the very kind that will stand watching closely.

Before another number of THE HERALD greets its readers, the results of the great elections in the east will have been decided. To say that these are interesting events even here in east and far away Utah is to put it very mildly indeed.

THE REPUBLICAN members are badly frightened. And well they may be, the speakers who are candidates for the party and its honest thinking and reading people—Council Bluffs Globe.

THE COLOR OF THE NAMES of certain Liberal officers suggest that another fluid than water is "free" to them.

IT WILL BE SHOWN one of these days who is doing the "voluntizing."

DON'T TRUST to the registrars to hunt you up. Those officials are not interested in getting out the full vote of the People's party.

A MAGAZINE and prudent man is GROWER CLEVELAND. He is constantly confronted by two warring hosts in his present residence—New York city—there being the county and Tammany Democracy.

THE CHAIRMAN of the press committee of the national Silver Convention, to assemble in St. Louis on the 18th instant, writes that the arrangements have been closed.

THE LONDON Standard's Berlin correspondent says Emperor William has invited Signor Crispi to visit him at the German capital, and that the latter will go there soon after the Emperor's return.

different there to what they are in other places, and the ex-President's doubts pursued the proper course. Besides we have had several illustrations of the fact that he is no coward.

SEALING MONTANA. Unless the Democrats of Montana can induce the courts or some other power to all them in the possession of the land, the new state will go into the union as Republican. Its Congressional Representative and two Senators and all the state officers save the governor being of that political faith.

HONOR TO WHOM IT IS DUE. A member of the Liberal party accosting a member of the People's party yesterday, and referring to the Liberal parade on Saturday night, admitted that the latter organization had more material and stronger forces with which to do or outdo the other, and that they would doubtless do it.
