The Agreement Reached by the Political Leaders Yesterday.

ARRANGEMENTS AT THE POLLS.

Police and Deputy Marshals Provided For—The One Hundred Foot Rule Must Be Observed.

The municipal central committees of the People's party and the Liberal party, after due consideration hereby agree upon the following points relative to the conduct of the election on February 10, 1890.

1—That each party shall be allowed one challenger at each poll in each precinct, who may be relieved from time to time by his party, during the day, as desired.

2—Each party shall be allowed two checkers or tally men at each poll in each precinct.

3—That there shall be an equal number of deputy marshals and policemen at each place of election in each municipal ward, each of said officers so on duty to have a conspicuous badge of office. The number of officers at each place of election shall be as follows: In the First municipal ward, five (5) policemen and five (5) deputy marshals; Second ward, twenty (20) policemen and twenty (20) deputy marshals; Third ward, five (5) policemen and five (5) deputy marshals; Fourth ward, five (5) policemen and five (5) deputy marshals; Fifth ward, ten (10) deputy marshals.

4—That each side shall honestly observe what is called the 100-foot rule; that is: that no person shall be permitted to peddle tickets, or solicit votes, or interfere with voters within 100 feet of the polls.

5—The peace officers shall not arrest persons alleged to be illegally registered until they have cast their votes and have left the polls.

6—All persons not engaged working at the polls for their respective parties are requested to avoid congregating about the polling places, and those entitled to vote are urged to peaceably cast their votes and quietly retire.

7—That peace officers will, on application, furnish the name and probable places of confinement of persons arrested by them to representatives of either party.

8—All dealers in intoxicating liquors are urged to peaceably serve the laws and ordinances prohibiting the sale of intoxicating liquors on Sunday and on election day, and any persons having reasonable grounds to believe that the laws are being violated in this regard are requested to report the name of the person so offending to the headquarters of his party. All citizens are earnestly requested to lend their aid to preserve quiet and order on election day and to prevent any disturbance of the peace or violation of law.

F. S. RICHARDS, Chairman People's Central Committee.

O. W. POWERS, Chairman Liberal Central Committee.

R. W. YOUNG, Secretary People's Central Committee.

LOUIS HYAMS, Secretary Liberal Central Committee.

Guitar and Harmonica.

The Guitar and Harmonica club will meet to night at 7 sharp, in the Z. C. M. I. shoe factory. All members are requested to be there.

R. PRATT, Manager.

The Guitar and Mandolin.

The Spanish Guitar and Mandolin club will meet to night in Calter's hall at 7 o'clock and proceed from there to the theater.

A. H. KELSO, secretary.

The Fifteenth.

A general concert was given last night at the Fifteenth ward meeting house by Salt Lake talent, for the benefit of the People's party drum corps of that ward. The programme was very well rendered, the Guitar and Mandolin club being a special feature. The crowd was large, a proof that the people of that ward take a great interest in the welfare of their drum corps.

The Second.

Owing to the ratification to night, the Second district political club will postpone their meeting till Friday night.

Notice to Fifteenth Ward.

The regular meeting of the Fifteenth ward political club will be held this evening on account of ratification at the theater.

Twentieth Ward Marching Club.

All members of the Twentieth ward marching club are requested to meet this evening at 7:15 in uniform and prepared to march. By order of DAVID HILTON, Captain.

Special Drum Corps.

All members of the Special drum corps are requested to meet at the theater to night at 6 o'clock, to drum up the ratification meeting.

S. B. CLAWSON, Captain.

Drum Major.

The Seventeenth.

Owing to the ratification meeting in the theater to night, the Seventeenth political club will not hold their regular meeting as announced.

The Fourteenth.

At the Fourteenth ward ratification last night a large and enthusiastic assemblage gathered. Shortly after the opening of the meeting, "standing rooms only" was to be had. The Galtling band opened by playing "The Galtling Band," "The Concert Waltz," "Dream on the Ocean," and a cornet solo. E. H. Taylor presided. Our most many, and most interesting, speakers were to the large assemblage. The applause that followed the mention of his name was a caution to the coming. The Galtling band introduced, though the storms of applause with which he was received showed he was no stranger. He was greeted with a rousing cheer, and they received a hearty welcome. By special request they gave "Where did you Get That Hat?" (Burr) and "The People's Party." The Galtling band gave another choice selection. Those present testified their appreciation with hearty applause. A communication from Hon. H. M. Wells stated his regret at not being present; circumstances directed otherwise. However, he felt to rally with us in his belief, and spoke hopefully of victory on Monday next. S. A. Kenner made a short though brilliant speech in his own behalf.

The ratification was hearty and whole-souled. The hall was neatly decorated. The Young Ladies' Relief corps lent beautiful bouquets to the audience with their pretty costumes of red, white and blue. The uniformed marching club made a strong background. The enthusiasm was of a healthy tone.

The Ninth Ward.

The meeting-house of the Ninth ward was well filled with an attentive and intelligent audience, who participated in the ratification exercises with marked enthusiasm. Held's band discoursed stirring music at intervals during the evening and gave the proceeding a decided patriotic flavor.

Mr. William Fuller was the first speaker. He forcibly and eloquently stated his reasons for preferring to be a member of the People's party, and his statements were relished by his hearers. He made one point very clear to the meeting, and that was in regard to the question of taxation. The People, he said, had carried on, successfully, the government of Salt Lake city without running into debt. It was true, they had been frugal and economical; they had been steady; they had not imbibed the extravagant ideas which characterized people of other cities; they had not taken upon themselves a burdensome debt to hand down to posterity. They were content to collect a tax of one-half of 1 per cent. Should the opposition seize the reins of government after the 10th, the outlook seemed bleak and dim for our working people. The Liberals would undoubtedly "boom" the taxes to the extent of making a man of medium income unable to pay them; the rate of taxation would mount up to 10 or 12 per cent. Mr. Fuller
