DR. BRIGGS' CASE STILL ON TRIAL

All Efforts Towards an Amicable Settlement of the Matter Frustrated, and the Trial is Now Going On.

PORTLAND, Or., May 27.—At the opening of the Presbyterian general assembly this morning the report of the committee on church extension was received and adopted.

A resolution was introduced by Struvell of Montana looking to the return of the Briggs case to the presbytery of New York.

The Mountain Ice and Cold Storage company desires to inform the public that the ice and ice ponds referred to by the board of health and sanitary committee in their report to the city council at its session on the evening of May 19 last are not those of the Mountain Ice and Cold Storage company.

The ice consuming public may safely patronize the Mountain Ice and Cold Storage company, as they do not handle ice gathered on low lands, in ponds contaminated by sewage from fifth stacked on the banks or vicinity.

THURSDAY MAY 26 1892

IN CHICAGO to-day will be called to order the convention of those who believe that the sterner sex should not monopolize the presidency.

LOCKWOOD, carried the Equal Rights flag. She is a Washington lawyer of large practice and enjoys the distinction of being the first woman ever nominated for the high office for which she ran.

It would be impossible to find any one who would vote against using our famous "Siberia" Refrigerators or our justly celebrated "White Mountain" and "Lightning" Ice Cream Freezers.

The same may truly be said of our Superior Lawn Mowers, the "Wasatch" and "Rapid Transit," both are easy runners, clean, smooth cutters, and never require repairing.

It is no big task to keep your lawn beautifully clipped if you use either the "Rapid Transit" or the "Wasatch."

Most men who buy Garden Hose for the first time are disappointed to get a cheap article, but afterwards price is not considered so important, and a fair price is paid for reliable hose made by makers who have a reputation for making only good hose.

Gutta Percha and Rubber Manufacturing Company's well known labels on our hose are great helps in making sales. The Salt Lake City Fire Department, which is to-day as perfectly appointed and efficient as any fire department in the country, has on its reels "Maltese Cross," "Carbolized" Hose, that has been in constant use not less than ten years.

See the WONDERFUL PAINTING. THE MORNING OF THE CRUCIFIXION, On Exhibition This Week, Day and Evening, At Gladstone Building, 119 S. Main Street.

ADMISSION, 25 CENTS. GEO. H. TAYLOR, President. G. E. ROMNEY, Sec'y & Treas.

TAYLOR, ROMNEY, ARMSTRONG CO., MORE THAN YOU EXPECT. We have a rather unusual request to make. We don't ask you to pay us one visit. We ask you to pay us two. Come at first for the purpose of seeing our clothing. If you don't buy, it won't be because you don't like them; if you do, come again and tell us how you do like them.

One Block East of U. P. Depot, SALT LAKE CITY. GEO. ROMNEY, Manager. O. D. ROMNEY, Ass't Manager.
