OGDEN.

WEDNESDAY, Sept. 28, 1922. EXCESS SALARY.

David Evans Appears Before the County Court

And Files a Bomb-Shell at Judge Bishop—Court Ruled—General Cleanings

Some lively scenes were enacted at the meeting of the county court yesterday when Hon. David Evans appeared and in behalf of himself and other taxpayers called attention to the fact that Judge Bishop was drawing a salary of \$1,000 per year at the present time which was not authorized by law.

When he said this it fell into the bosom of the court like a thunderbolt.

Mr. Evans continued and stated that a test case of this kind was made in June, 1920, in Salt Lake. The county clerk refused to sign a warrant for the salary of the probate judge and it was carried up to the supreme court and the action of the court was sustained.

Judge Bishop does not seem to view it in that light and threatens to resign if the case is carried up.

OTHER BUSINESS. The petition of J. H. Alvord and 216 others, taxpayers of the western portion of the county, in having opened and directed toward the recently surveyed road connecting Hooper and Plain City, and construct a wagon bridge over Weber river on said road, was on motion of Sheriff, referred to Cross and Fay.

J. T. Alvord and others asked that a new road be surveyed in Ogden and the district as all parties had consented to give the land without cost. Referred to Cross.

A communication was received from the county attorney acting in reply to a request that the county treasurer be entitled to compensation for handling the school funds.

Mr. Ames and thirteen others petitioned the court for the changing of a road running through the farm of Thomas Atkinson in Liberty Road district. Referred to Sheriff.

Sheriff reported that the work of repairing and painting the Ogden canton bridge had been completed.

On motion of Cross, the petition of John Patterson that the voting place in Kaneville precinct be changed to the Summit schoolhouse was granted.

The committee to whom was referred the matter of the construction of a tramway was granted further time.

The master of dividing the Harrieville precinct was deferred until after election week had been made.

In matter of the petition of Daniel Murdoch et al., for the opening of a road in Harrieville district, the court ruled that the right of way could be obtained without cost to the county. Report adopted.

At the suggestion of the county surveyor, Cross moved that a committee of two be appointed to ascertain the cost of correcting the county plat. Referred to Cross and Fay.

Through the efforts of Judge Cross the following resolution was adopted which is of interest to every farmer in the county.

Resolved, That for the purpose of improving the public roads of this county, so that the farmers may more easily reach the markets with their products, the county surveyor be authorized to grant a license to appropriate from a general fund of the county treasury, the following amounts to be applied as indicated:

Resolved, That in employing the labor referred to in the various roads, preference shall be given to persons living on said road or in the immediate vicinity thereof, and that the same shall be applied to the same extent as is provided in the ordinance to be passed and without prejudice to the public welfare.

The court adjourned for one week.

Shot by Her Neighbor. Mrs. Saunders of Utah, was accidentally shot by her nephew, William Owens, about 10 o'clock Monday evening, the ball taking effect in the side of her head. The woman was in a very critical condition last evening and her physician, Dr. Gordon, had little hope of her living until this morning.

Delegates elected to the County Convention. —Other Notes.

Last evening the primary of the Democrats of the Box Elder precinct was held in the court house.

Hen J. D. Peters was elected chairman and H. N. Bowring secretary.

Mr. Peters made a brief speech thanking the primary for the nomination, and said that it was not needed to be elected to the Henderson club in order to vote in the primaries. Everybody to sympathy with the party had a right to vote, and was requested to do so. He also instructed the assembly to be careful and start right in this primary. We will have a voice and can get the most consideration for the best. In no convention only the delegates can vote therefore let us send the delegates that will be our best representatives. We now say the foundation for a ticket that will either be defeated or bring victory. If we start right we will have a ticket that will sweep the territory this fall. [Great applause.]

GOING DOWN THE HILL.

Old Age Creeping on Shows Itself in Lack of Lustre Eyes and Trembling Hands—Many Who are Old in Years Are Vigorous and Healthy—Four Must a Condition May be Encouraged by All.

How many elderly men and women we see who plainly show they are "going down the hill." The twinkling haze, the unsteady step, the lack of brightness in the eye, the shrunken features, all indicate that life is not at high tide, that the strength and vital forces are not what they once were, and in fact, that they are going down the hill. Talk of cure, is to be expected, for when one reaches later years, physical troubles are sure to come, but how many elderly people are seen as healthy, happy and comparatively vigorous. They always seem cheerful, bright, contented. Why should they not? Every elderly man and woman needs to keep his health, and his vitality, and strength, inuring. Such a stimulant can be found only in Pure Salt Whiskey. It is the only medicinal whiskey in the market. Its wonderful popularity is due entirely to its being a pure, natural, and healthful beverage. It is not a medicinal whiskey, but a healthful beverage. It is not a medicinal whiskey, but a healthful beverage. It is not a medicinal whiskey, but a healthful beverage.
