Have You Ever Seen a 🕪 Ship in the Dry Dock?

Do you remember the shells that are everywhere sticking to the bottom and the parasites that cling to the copper with feelers? Do you remember how difficult of removal they were? Have you ever in your Bohemian rambles at Cape May or Atlanta City seen a shell being moved about on the back of its inhabitant? Did you ever notice the pace?

THESE ARE BARNACLES AND SNAILS.

A snail pace kills; so does a sticking conservatism that sees in every desirable change an irreverent iconociasm. No time for barnacles at our store. Things change daily-no opportunity for sticking. The glory of to-day is overshadowed by its fellow of tomorrow.

BOYS ARE NEVER BARNACLES

Too young; but they do stick to those REEFER SUITS, and 'tis said that they'll outwear two seasons of feotball and baseball and any number of leap-frogsit's a source of enjoyment for our customers to see the many pretty things we have in our Boys' and Children's Depart-
