

THE PHARMACISTS.

The Druggists of the Territory Meet at Ogden.

THE PRESIDENT'S ADDRESS.

He Recommends Changes in the Laws Relating to Pharmacists.

Officers for the ensuing year elected—Delegates from All Parts of the Territory in Attendance—Pointers from Payson—Utah News.

OGDEN, May 9.—The Territorial Pharmaceutical association commenced a two days' session this morning, the place of meeting being the board of trade headquarters in the city hall.

It was nearly 11 o'clock before President Farlow called the convention to order.

The following druggists were present: W. F. Parks, Vernal; L. R. Waldram, North Ogden; T. J. Waisworth, Lehi; P. Tavoy, Brigham; J. Marriot, Murray; Dr. W. A. Wade, Brigham City; Richard H. Gage, Hobart; J. L. Boyden, Coalville; H. P. Larsen, Ephraim; B. Clark, Eureka; C. B. Soreley, Spanish Fork; John Quigley and Pazo Quigley, Payson; F. A. King, Hooper; C. J. Schmidt, Sandy; J. B. Roberts, Robert's Bros., American Fork; Herbert Pyne of Pyne, Malben, Provo; Thomas Steele of Steele & Co., American Fork; W. E. Boyd, Park City; W. S. Lockwood and J. B. Gries of Green Bros., W. S. Giesey & Co., B. Farlow, A. C. Smith of Smith & Co., J. L. Franke of Draugh & Franke, C. E. McCoy of Wasatch Drug company, W. A. Nelson, all of Salt Lake; F. B. Hulbert, T. H. Carr, William Giddings, S. P. Ash of the Reed Hotel Pharmacy; F. C. Schramm, of Peobles' Drug Co.; J. E. Culley, G. P. Cave, of the Ogden Co-op; Dr. J. W. Walker, H. A. Walker, George W. Driver, of Driver & Son; all of Ogden. E. N. Crossman, representing Whitall, Tatum & Company of Park City, was in attendance at the meeting, having the forethought to arrange his business so as to meet with the association.

Dr. F. B. Hulbert, on behalf of the city and the druggists, welcomed the visitors, prefacing his few remarks with the statement that he was not much of a speaker and had very seldom had the pleasure of extending the hospitalities of the city to so distinguished a body of representative men. It was with a great deal of pleasure, the doctor said, that he observed the growing change in sentiment among the territorial pharmacists, and attributed that change to the organization of the association. The members of the profession now have very different feelings to those possessed by them several years ago, and the change did his heart good.

On behalf of the delegates from his section, Mr. Boyden of Coalville responded to the welcome and thanked the Ogden members for their hearty reception. In his opinion the meeting was a very important one and the work accomplished would undoubtedly prove a benefit to the profession of the territory.

Mr. Melville of Salt Lake responded, on behalf of the delegation from the capital, and thanked the Ogden members for the display of what he termed their characteristic hospitality.

The minutes having been printed in pamphlet form and read, the convention proceeded with and the convention proceeded to the business before it.

Fred C. Schramm, Thomas H. Carr, John Culley and G. P. Cave, of Ogden; B. E. Clark, of Green W. S. Giesey and J. B. Gries of Salt Lake, were admitted to membership in the association.

PRESIDENT FARLOW'S ADDRESS. President Farlow then delivered the following address:

"GENTLEMEN:—In making my first report to the members of the association I desire to express my appreciation of the results already attained in the last year, and to assure you all that much good can and will result from a combined and continued effort in the right direction.

I am pleased to note, by the attendance, that the interest in the meetings has not abated and I trust that, no matter where or where we meet, the spirit of progress will ever be present. I am glad to welcome you all, and would like to impress upon you that this body is the place where such evils as you may be desirous to suffer under can be discussed and proper measures taken to alleviate them. I believe that since the organization of this association a better feeling has existed among the many engaged in the drug business throughout the territory of Utah, and if this alone has resulted, then our organization has not been in vain.

Starting as we did, it was not to be expected that all could at once be made perfect, and the object of stated and special meetings, as I understand it, is to afford the members an opportunity to bring before each other such ideas as they believe will tend to the benefit of all. In this connection I have this suggestion to offer: That the pharmacy laws now in force be amended at the next session of the legislature so that the members of the examining board may be appointed or elected by this association, instead of appointed by the governor as at present. There are many reasons why the change should be made.

The examination and regulations of the Pharmacists of Utah should be under the control of the druggists of the territory. If the examining board be elected or appointed by this association, many evils that now exist can and will be abolished. There can be no reasonable excuse given by our law-makers why such an amendment should not be made, as it would be to the interest of both the druggists and the public. The association should be allowed to say from what states and territories diplomas or certificates should be accepted. There may be other needed amendments suggested by the members, and I suggest that the whole act be gone over carefully and studiously, that every member will speak freely and fully upon this subject, so that if steps be taken to revise or amend the pharmacy act the persons delegated to do it will know the desires and wishes of the association thoroughly. This I consider a question of vital importance to our organization. I also suggest that section 3, article 3 of our constitution be amended so as to allow pharmacists, chemists and wholesale druggists, who are residents of the territory to become active members. This is the proper place where all such matters should be freely ventilated.

to be the means of broadening our views, and of allowing us to become better acquainted with one another, which is of great importance to all concerned.

THE EXAMINING BOARD. Mr. Melville of Salt Lake called the attention of the association to that part of the president's address in which reference was made to the examining board of pharmacy appointed under the territorial law passed at the last session of the legislature. It was his opinion that the matter should be taken out of the hands of the governor and legislature and the power to appoint the board be vested in the association. The gentleman favored petitioning the next legislature to that effect.

After some little discussion the matter was laid over for future consideration.

THE SECRETARY'S REPORT. Secretary McCoy of Salt Lake submitted his annual report, showing that there are now enrolled on the books of the association ninety-seven members. The receipts for the year have been \$480 and the disbursements \$573.95, leaving a balance in the treasury of \$86.05.

The address of the president was subdivided and the various features were referred to the proper committees.

Inasmuch as several of the committees were not ready to report more time was granted them.

A report showing the work performed by the Utah board of pharmacy was read, and in this connection a legal opinion from Walter Murphy of Salt Lake on several points in the statute creating the board, was submitted by Dr. Hulbert of the board. In his opinion the legal gentleman says that the law as passed by the legislature is perfectly constitutional, as the legislature thereby by exercising the proper police protection over the people of the territory, and that no person should be allowed to practice pharmacy unless he has passed an examining board.

A number of communications and reports were presented and referred to the proper committees and the convention adjourned to 1:30 o'clock.

THE AFTERNOON SESSION. The convention reassembled at 1:40 p. m. About ten additional delegates were present, whose names were absent during the morning session.

The principal object of attention in the afternoon was a discussion of the merits of the pharmacy act of 1882, which relates to registering the pharmacists who had not had sufficient experience at the time of the enactment of this act. Some of the members were inclined to be a little more lenient than the law. However, after nearly every delegate had expressed himself either pro or con, the convention decided that it was the sense of this association that the board of examiners be required to register all persons who were engaged in the drug business prior to or at the time of the pharmacy act.

ELECTION OF OFFICERS. The convention proceeded to the election of officers for the ensuing year. The following are the officers elected: President, S. P. Ash, Ogden.

First Vice-President, A. C. Smith, Salt Lake. Second Vice-President, W. E. Boyd, Park City. Secretary, C. H. McCoy, Salt Lake.

Treasurer, H. O. Walker, Ogden. Executive committee, Carr, Ogden; Fennimore, Beaver City; Boyden, Coalville; Pyne, Provo.

The convention adjourned to 10:30 a. m. Wednesday. At 6:25 the delegates were taken by special train to the Hot Springs, where a banquet and reception were given by the local druggists. A most enjoyable time was had.

THE REED HOTEL ASSIGNMENT. There has been no change in the affairs of the Reed hotel. The assignee is listing the property. Today Judge MacMillan, attorney for Rissling, the mortgagee, received the following dispatch from his client, which would indicate that the latter does not intend to reopen the hotel for himself:

MOLINE, Mo., May 8. J. H. MacMillan, Ogden, Utah: I have no interest in the hotel and have locks removed if necessary to keep same from entering. Keep me posted by wire. Impossible for me to let you know now. L. W. Rissling.

THE CALIFORNIA EDITORS. The excursion of California editors will reach Ogden tomorrow morning nearly four hours late. The party is occupying three special Pullmans and numbers about eighty, most of whom are editors. A short stop will be made here and then the cars will be attached to the Union Pacific and sent on to Salt Lake.

The committee of the city council having the paving matter in hand has as yet held no meeting and consequently the question is still in doubt.

THE COUNTY COURT. The county court held a regular meeting this morning, but transacted little business of general interest. The monthly report of the county clerk, showing the expenditures of the county for the month of April to have been \$3,847.77, and for the four months last past, \$29,877.92, was presented and filed.

THE SELECTMAN INDICTED. The grand jury took the Wangsgaard case into its own hands, notwithstanding the fact that the selectman was discharged by Justice Cahoon. An indictment charging him with grand larceny was returned and this morning Wangsgaard was arraigned before Judge Miner in the district court. A plea of not guilty was entered and the defendant was released on bond of \$1,000.

THE BUTLER ADULTERY CASE. The hearing in the William Butler adultery case was continued and occupied almost the entire day. It was concluded a few minutes after 6 o'clock and went to the jury. The charge in the indictment with adultery with one of his alleged plural wives at Riverdale some time in December. It was the same old story which has been repeated so many times in the courts of Utah. No sensational evidence was put in.

The jury reported a disagreement at 9:05 and were discharged. It is understood that the members were for acquittal and five for conviction.

PROVO PARAGRAPHS. Co-op Stores Consolidated—A Building Boom—Court Proceedings.

PROVO, May 9.—Mr. A. Singleton, under whose management the Co-op clothing store has been operated, has caused that stock to be removed to the East Co-op, of which he is now manager, so as to be more immediately under his supervision.

Herb S. Pyne went to Ogden yesterday to attend the meeting of the Territorial Pharmaceutical association. Important business came before the meeting of the executive board of that body.

Among the attendees at court today was Captain W. E. Davis, who is under ball to answer for a triple killing in Green River country. Mr. Davis has a civil suit against the Rio Grande railway.

Building seems to be on the verge of a boom. The architects are all jubilant over having as much to do as they can handle.

FIRST DISTRICT COURT. Justice W. Seely vs. E. H. Parsons et al.; on motion to relax costs, defendants were ordered to pay all costs up to time of bringing suit, reporters' fees to be paid by plaintiff, each party to pay their own costs.

Rhinosa Bros. vs. P. Greenhalgh; decree of foreclosure granted for the amount of \$817 and \$50 attorney fee. John Cowan vs. Tintie Brango railway; action for loss of animals killed by defendants in October last. Verdict for plaintiffs for \$52.

W. E. Davis vs. Rio Grande railway; stipulation for judgment for \$100 for plaintiff for cattle killed at Whitewater last June.

PAYSON PICKINGS. Ward Meeting House Dedication—Social and News Notes.

PAYSON, May 9.—Professor Whitely delivered his fourth lecture to Payson people Sunday evening, subject, 'Practical Education.' The subject was well handled and a large audience listened attentively.

The speakers in the afternoon were E. B. Kelsey, Springville, S. S. Jones and James E. Daniels of Provo.

Next Sunday, May 14, the stakes presidency will visit Payson and dedicate the First ward meeting house, formerly known as Long's hall, which has been put in repair and furnished for a ward meeting room. It is centrally located and will make a most suitable place for the purpose.

J. S. Young and James Finlayson are making arrangements to buy our co-op, flour mill and the bargain is to be closed this week for \$3,000. This will pay off the liabilities of our co-op, store and put it on its feet again.

John Marwick of Payson will go into the National Bank of Commerce in Provo on Monday next as assistant cashier. His lovely wife is our postmaster.

Mr. Edward Dixon will give a ball tomorrow evening at the Provo opera house in honor of his wedding with Miss Victoria Selman, daughter of William Selman of Payson, one of Payson's beauties. She has two sisters who will soon follow her into the matrimonial state, and two more of our Payson boys will have to give a social party to the balance of the young folks.

The first game of foot ball of the season was played here yesterday by some of our young bloods, and the consequence is many are on the limp today, young Pulver had a severe knock down, with kicks right across his proboscis, which were relieved by arnica and laying up for a few hours. Another game today.

Business Opportunities. A great opening for a pie bakery—Judge.

BAD ECZEMA ON BABY Head one Solid Sore. Itching Awful. Had to Tie His Hands to Cradle. Cured by Cuticura.

Our little boy broke out on his head with a bad form of eczema, when he was four months old. We tried three doctors, but they did not help him. We then used your three Cuticura Remedies, and after using them eleven weeks exactly according to directions, he began to steadily improve, and after the use of them for another month his head was entirely well. When we began using it his head was covered with the crown to his eyebrows. It was also all over his ears, most of his face, and small places on different parts of his body. There were sixteen weeks that we had to keep his hands tied to the cradle and hold them when he was 'tired' and had to keep mittens tied on his hands to keep his fingers out of the sores, as he would scratch if he could in any way get his hands loose. We know your Cuticura Remedies cured him. We feel safe in recommending them to others. GEO. B. & JANETTA HARRIS, Webster, Ind.
