

THE BULLS AND BEARS

Business a Little Slack on the Exchange.

LOWER MAMMOTH GAINS

VALEO SUFFERS LOSSES—SACRAMENTO WAS STRONG.

Showing in the Eagle—Active Demand for the Stock—The Drainage of the Comstock Mines—The Little Pittsburg Meeting—West Mountain Placers—Silver and Lead

The call of the stock exchange yesterday morning lacked the life and enthusiasm which has characterized the dealings on the floor for the past few days, and the session was a disappointment to the brokers as well as to the throng of spectators which crowded the lobby, the market feeling the depressing influence of existing conditions, in consequence of which popular stocks disclosed a downward tendency to a certain extent, although a fair amount of business was recorded.

Central-Eureka was in good demand in lots of ten shares at \$2.50, but no trading was indulged in in this security. Four Aces was slumpy, 1,500 shares changing hands at 20 cents, while a block of 5,000 shares found a buyer at 25 cents, buyer 60 days. Lower Mammoth was about the only stock called over which there was any excitement, this security posting transfers at this writing at 45 cents, a block being made at 70 later on, while before the close slight losses were registered, the stock being traded in at 47 1/2 cents. Sacramento was quite strong, board lots changing hands at 41 cents, while 1,000 shares were picked up at 50, Mammoth was in the ascendant, block of \$2.15 falling in draw out any of the stock, while the lowest offering was at \$2.17 1/2.

In the united stocks, Little Pittsburg was a feature, being much stronger than on the previous day, sales being chronicled at from 3 to 3 1/2 cents. Joe Bowers was able to maintain former quotations and was a dealer to a limited extent, while Bullion-Beck Tunnel suffered heavy losses and sold down to 11 cents, the stock being weak at the close. Golden Eagle sold at 5 1/2 cents, and was not checked until sales were posted as low as \$1.02. Chloride Point was wanted at \$1.06, with 500 shares in the yellow market sold on a declining scale. Columbia established quotations of 1 1/2 cents bid and 2 1/2 asked.

E. D. Miller was given the privilege of the floor on the membership card of W. E. Hubbard.

The transactions of the day were as follows:

SALES OF STOCKS.

Table listing various stocks and their sales prices, including 1,000 Eagle at 3 cents, 1,500 Four Aces at 20 cents, 5,000 Four Aces at 25 cents, 100 Lower Mammoth at 45 cents, etc.

CALL OF LISTED STOCKS.

Table listing various stocks and their call prices, including Anchor at 40, Alliant at 70, Bullion-Beck at 10, etc.

CALL OF UNLISTED STOCKS.

Table listing various unlisted stocks and their call prices, including Little Pittsburg at 30, Emerald at 12 1/2, Sunbeam at 30, etc.

SHOWING IN THE EMERALD.

An Active Demand For the Stock of the Company Is Noticeable.

In the offices of the mining broker and on the streets the Emerald mine is now becoming the general topic of conversation and at the same time a steady advance in the stock of the company has been noticeable during the past few days, quotations advancing from 7 and 8 cents, a week ago, to 14 yesterday, at which time a transfer of a block of Emerald stock was chronicled on the curb.

Why this interest and advance should come so suddenly and unannounced can only be ascribed to the promising condition of the property at the present time, as at the office of the company in this city the statement is made that no new strike has been made so far as the officers of the company are aware, although it would not surprise them to hear any day that the workings from the 500 level in this

AN OPERATION AVOIDED.

Mrs. Rosa Gann Writes for Finkham About It. She Says:

DEAR MR. FINKHAM—I take pleasure in writing you a few lines to inform you of the good your Vegetable Compound has done me. I cannot thank you enough for what your medicine has done for me; it has, indeed, helped me wonderfully.

For years I was troubled with an ovarian tumor, each year growing worse, until at last I was compelled to consult with a physician.

As a number of mining men have visited the mine of late it is quite possible that some of them have made tests of the rock being thrown over the dump, the result being so good that an active demand for the stock of the company has followed.

TINTIC MINES TRANSFERRED.

Deeded to La Beine Company for a Quarter of a Million.

Provo, Nov. 3.—The county recorder has received for filing a mining deed made by Elizabeth E. Schmidt, F. H. Schmidt, A. W. Schmidt and Lillian Schmidt, grantors, to the La Beine Mining Company of Salt Lake City, for the sum of \$300,000, an undivided two-thirds interest in the following mines situated in the Tintic mining district: The Mahogany, Joe the Narrow Gauge, patented, U. S. Pat. No. 123, the Independence, patented, U. S. Pat. No. 325, and the Magnet, patented, U. S. Pat. No. 234. The deed is of peculiar interest because its back is entirely covered with \$10 revenue stamps representing the sum of \$250.

West Mountain Placers.

C. W. Watson, of the West Mountain placers, and who is superintending the work in the operation of these Bingham gold diggings, was one of the happiest men in the city yesterday, and since he took hold of the enterprise, and that as now its success is assured he feels that he has good reason to be elated after so many years of waiting.

The drift west from the bottom of the shaft has hardly more than penetrated the gold bearing gravel as yet, but the stratum is most encouraging as mentioned in yesterday's issue of The Herald. Mr. Watson stating that the dirt prospects from 2 to 75 cents to the ton in the yellow metal, which is indicative of the existence of a fortune in the currency of the realm within the environments of the company's shaft.

Operations in the working of the diggings are to be vigorously pushed and it will not be long before the company will be taking out gold galore, the indications being that this will be long rank as one of the richest placers in this western country—a veritable Klondike with all of its disadvantages and dangers eliminated.

Little Pittsburg Meeting.

At a meeting of the directors of the Little Pittsburg Mining Company yesterday afternoon the board was reorganized, the vacancies caused by the stepping down and out of the former members being filled as follows:

Richard Guenther, Jr., president; J. W. Houston, vice president; E. W. Genter, treasurer; W. H. Tibbins, secretary; and those with H. G. Twomey, comprise the board of directors.

An adjournment was taken after the filing of the vacancies until Monday at 2 p. m., the officers qualifying in the meantime, and at the meeting it was decided that the expected assessment of 5 cents a share will be levied on the capital stock of the company.

Tintic Mining Notes.

Eureka, Nov. 3.—A station has been set on the 300-level of the Joe Bowers shaft, and the shaft will be finished this week. The ore vein is widening out in the bottom of the shaft. A car of ore is being loaded and will be shipped today or tomorrow.

Silver and Lead.

The silver and lead quotations yesterday were as follows: Bar silver, 61 7/8 cents. Lead, brokers', \$3.25. Copper, casting, 1 1/2 cents.

Ore and Bullion.

The ore and bullion receipts yesterday were as follows: T. R. Jones & Co. ores, \$3,600; bullion, \$4,200. McCormick & Co. ores, \$6,150.

Mining Notes and Personal.

D. L. Rose of Humboldt, Nev., is in with a shipment of high-grade ore. Little Mammoth was in earnest demand on the curb yesterday afternoon. The transfer of Centennial-Eureka in ten-share lots at \$2.50 was reported yesterday afternoon.

W. G. Adamson is back from Arizona, where he has obtained mining properties for his clients in the neighborhood of Phoenix, Prescott and Jerome.

Bingham was in the market yesterday with a 20-ton lot of Ashland ore, a deal of 100 tons of high-grade mineral, and Lead high-grade mineral.

Captain A. M. Grant of the Colorado Iron Works company has returned from a visit to Colorado and other states, where he has been in the interest of his firm.

NEWS FROM OVER THE STATE.

ELECTRICITY FOR THE PARK

ONTARIO COMPANY GRANTED A FRANCHISE.

Better Service and Better Prices Will Result From Competition—Proceedings of the City Council.

(Special to The Herald.)

Park City, Nov. 3.—At last night's session of the city council Superintendent R. C. Chambers, for the Ontario Silver Mining company, presented a petition for a franchise, to run for 25 years, to erect poles and to string wires in the streets, alleys and byways of Park City, and to furnish light, heat and power by electricity to the public, the same to be furnished from the company's plant at the mouth of the drain tunnel.

After some discussion, and the reading of the petition, it was granted by a unanimous vote of the council. Competition in the electric lighting business has long been needed here, and when the new company starts, better service, better lights and better prices will undoubtedly prevail.

An ordinance licensing private boarding houses a warpage of the last time and unanimously passed. The recorder's report showed that \$1,537 had been received for October, making a total of \$2,879, the petty what was on hand Oct. 1. The disbursements for the month, including officers' salaries, balance on city hall, etc., was \$1,111, leaving a balance of \$1,768.

Mountain chapter, Order of the Eastern Star, met last evening and added a new member to its roster. After the ceremonies refreshments were served, and with music and social converse a most pleasant time was had.

HEBER'S NEW POSTMASTER.

Democrat Succeeded by a Supporter of McKinley.

(Special to The Herald.)

Heber City, Nov. 3.—Monday evening Mr. R. Budge, Heber's Democratic postmaster, who has given great satisfaction to the public during his long term in office, turned the office over to Democrat Fred McKinley, the new postmaster is not the choice of the people, but he supported McKinley, and has the backing of the goldbug party.

It is stated that the party took place at the Heber hotel, and that the Heber tabernacle their last evening. The Heber tabernacle their last evening. The Heber tabernacle their last evening.

LEHI PIONEER DEAD.

Joseph Dorton, Well-known in the Early Days.

Lehi, Nov. 3.—Joseph Dorton, an old pioneer, died suddenly at his residence in Lehi. He was born in England and came to Utah in 1847, settling in Lehi. He left eight children and 28 grand-children.

When the mail was carried by coach to California, he was station on the road between the point of the mountain and Camp Floyd, hauling water for the horses and passengers from the Jordan river in large tanks. He also ran a butcher business at Camp Floyd during the stay of the soldiers. He spent a large amount of money in endeavoring to obtain a patent on a new method of raising sheep.

RECEPTION AT LOGAN.

Wedding of S. Marion England and Martha E. Bench.

Logan, Nov. 3.—One of the prominent social events of the week here was the wedding reception of Mr. S. Marion England of Riverton and Martha Elizabeth Bench, held last evening at the home of the bride's parents. A host of friends were present, and a partook of the sumptuous wedding supper served. The remainder of the evening was passed pleasantly in listening to the rendering of a choice programme of songs, etc.

A young man named Boudreau, living in the Third ward, was seriously injured yesterday afternoon, in a runaway, when the front axle of a team he was driving was and was subsequently thrown from the wagon with great force. Several of his ribs were fractured and he was badly bruised.

HUNTINGTON SEMINARY.

Promising Institution Opens With a Good Attendance.

(Special to The Herald.)

Huntington, Nov. 2.—Yesterday the Huntington church school opened with a full attendance. David Prior of Spanish Fork is principal. The school has a far better prospect before it than ever before. The eighth and ninth grades will be taught and pupils will be prepared to enter the higher grades in the B. Y. A. at Provo. The summary building is rapidly nearing completion and will be completed and commodate as many pupils as may wish to attend. The tuition fees are \$3 per term and board and rooms can be got on very reasonable terms.

DIXIE MISSIONARIES.

Given a Great Send-off by St. George Friends.

(Special to The Herald.)

St. George, Nov. 1.—Today St. George sent off its missionaries, Charles Higgins and Joseph Webb, and she has given these two sons the greatest send-off that she has ever given her missionaries.

Charles Higgins has been for years a prominent figure in the theatrical doings of Dixie and both are members of the choir. The Lyceum Dramatic association gave them a benefit last Saturday night, playing the "Banker's Daughter," and cleared \$60 for them, and last night the choir gave them a party and cleared \$32. They left today, together with two young men from the Muddy, two from Santa Clara and two from Washington.
