

tion of the officials at the war department having been called to the report from Manila that General Otis had refused to allow the reducing Spanish troops to carry arms to the Carolines. It was learned that this refusal was in direct violation of the terms of the protocol, which govern in the absence of a peace treaty. Under the technical suspension of hostilities, it could not be permitted that Spain should change the status quo to the advantage of its arms and military positions.

ITALY IN THE ORIENT

Great Britain Promised to Support Her Demands
IN A DIPLOMATIC WAY
NO FORCE TO BE EMPLOYED AGAINST CHINA.

Rome, March 14.—In the chamber of deputies today Admiral Casanova, minister of foreign affairs, made a comprehensive statement regarding Italy's action in China. He confirmed the reported recall of Signor Martino, Italian minister at Peking, and announced that Italy had obtained the approval of Great Britain and Japan before demanding the concession at San Mun.

COFFINS FULL OF GUNS.

How the Rebels Smuggled Arms Into Manila.
Cleveland, O., March 14.—Andrew L. Loeber of company M, Fourteenth United States Infantry, now at Manila, writes a most interesting letter to his parents in which he tells of the manner in which the rebels captured the city on Jan. 11. Among other things, the rebels were supplied with arms.

UNTAH UTES RESTLESS.

Want to Return to Their Former Reservation.
Denver, Colo., March 14.—A special to the News from Price, Utah, says: Reports from White Rocks agency are to the effect that the Indian leaders there are restless and are serious about being antipathetic by Indian Agent Myton, by reason of the fact that the men who control the chiefs desire to return to the former reservation at Colorado.

RAIN IN CALIFORNIA.

Will Save the Grain and Reopen the Banks.
San Francisco, March 14.—A good rain has been falling steadily since early this morning and the indications for its continuance are very favorable. The weather bureau reports rain as far south as San Onofre, where it is probable that the winter season will be a success.

DEMOCRATIC LEADERSHIP.

Washington Congressman Thinks Bailey May Be Chosen.
Seattle, Wash., March 14.—Congressman De Vries of the Second California district, who stopped over here today on his way home, says he thinks that Bailey of California may be the next Democratic leader in the house, notwithstanding his expressed determination not to accept the position.

PRICES WILL ADVANCE.

Coffin Makers, Bottle Makers, and Coal Miners Meet.
Chicago, March 14.—Coffin manufacturers, makers of green and glass bottles and the owners and operators of the coal mines in Indiana, met here today for the purpose of increasing prices on the products. Each of the meetings was held in a closed door, and very little information was given out.

INVITATION TO DEWEY.

Will Be Asked to Attend a Washington Celebration.
Washington, March 14.—Admiral Dewey will be in Washington on May 29, if the plans of a committee of prominent citizens here do not fail. An imposing delegation will call upon the secretary of the navy and ask him to authorize the admiral to accept an invitation from the city of Washington during his stay to be held here during the latter part of May.

Plum For Quay's Friend.

Harrisburg, Pa., March 14.—Governor Storer today nominated John H. Welles of this city to be judge of Dauphin county, in place of John R. McPherson, whom the president recently appointed judge of the United States district court at Philadelphia. Mr. Welles, who received the unanimous endorsement of the Harrisburg bar for the position, is the oldest son of the late Senator Quay.

APPROPRIATION BILL

Measure as Agreed to by Senate and House, EXCEPTING ONE ITEM THAT IS \$10,000 FOR THE SALT PALACE.
Exclusive of That, the Amount Aggregates \$1,114,580 — Complete List of the Amounts That Make Up This Total—The Bill Will Go Through Today.

Following is the appropriations bill, complete, as agreed to by the senate and house, except that the item of \$10,000 for the Salt Palace was stricken out by the house, while the senate insists upon it. Exclusive of that the total appropriations amount to \$1,114,580, as follows:

For the State Officers—
For the years 1898 and 1899, \$4,000.00
For the Governor's Private Secretary—
For the years 1898 and 1899, \$3,000.00
For the Governor's Office—
For contingent expenses for the years 1898 and 1899, \$2,000.00
For the State Auditor's Office—
For the years 1898 and 1899, \$4,000.00

RAIDED THE BOOKIES.
No More Betting at the Ingleside Race Track.
San Francisco, March 14.—About fifty policemen under Chief of Police Lacey visited the Ingleside race track today to enforce the municipal ordinance forbidding betting on horse races, which became a law yesterday when Mayor Phelan attached his signature thereto.

Foreign Ambassadors Call It a Brilliant Stroke.
Washington, March 14.—The ambassadors and ministers in Washington representing those powers having large interests in China have communicated their congratulations to the United States government on the recent answer of the United States to Italy to the effect that the United States would maintain an attitude of neutrality in the dispute between Italy and China.

RHODE ISLAND DEMOCRATS.
Nominate a Ticket and Condemn Alford's Administration.
Providence, R. I., March 14.—The Democrats of Rhode Island held their annual convention today, and Hon. G. W. Green, mayor of Woonsocket, was nominated for governor. The convention also adopted a platform of reform and a ticket for the coming year.

SENATORIAL VOIE.
California and Pennsylvania Still Struggling With Deadlocks.
Sacramento, Cal., March 14.—The vote for United States senator taken today showed no change in the Republican majority in the senate. The Democratic minority vote went to Harry C. Gesford. The ballot taken was the seventh of the session, and the vote was as follows: Democrats, 27; Republicans, 25; Absent and not voting, 37.

CHICAGO MURDER MYSTERY.
Headless Body of a Man Found In Lake Michigan.
Chicago, March 14.—A headless body was found in Lake Michigan today by one who and a bit of rope dangling from the ankle, was found floating among the waves of Lake Michigan. The body was found by a fisherman who was out on the lake.

Nerves of the Brain.
Ann Arbor, Mich., March 14.—Dr. G. Carlinburgh, assistant professor of anatomy, and director of the histology laboratory of the University of Michigan, has just discovered that contrary to what is generally believed, the nerves of the brain are controlled by nerves. Dr. Carlinburgh has demonstrated this in his experiments on the brain of the frog.

Wisconsin Professor's Discovery.
Kathlunburg of the department of chemistry of the University of Wisconsin, has just discovered that a current of electricity through any of the organic solutions of lithium chloride, the basic metal is thrown down as an amorphous precipitate. This discovery is of great importance in the study of the properties of lithium.

NOTABLE DEAD.
Herman Steinhilber, the German philanthropist, died at 79 years of age. He was widely known as a benevolent and successful business man. He was born in Prussia and came to America in 1848. He was a member of the board of directors of the American Red Cross.

der of A. M. Stanton and David Milton in the year 1896. To the University of Utah—
