

THE POST MOREM... PARIS DE... "LADY ARTIST" SHINES SHOES FOR SALT LAKE'S PRETTY WOMEN

City Republicans Then Elected a New Governor. Proposition to Send the Tabernacle Choir Abroad. Mysterious Case of Murder, Suicide or Accident. GILL S. PEYTON CHOSEN ACTION LIKELY TONIGHT BODY FOUND IN CANAL RESIGNATION OF M. H. EVANS WAS ACCEPTED. PROF. STEPHENS CALLS MEETING OF SINGERS. REMAINS WERE HALF BURIED IN THE MUD. Ghoulish Discovery Was Made On Eleventh West Street—Believed That the Man's Name Was Howard Douglas and That He Committed Suicide—K. of P.

A bare skeleton of the city Republican committee met together in M. H. Evans' stateroom at noon yesterday and held a post mortem examination on the party corpse. Mr. Evans, who has been acting as coroner, under the title of chairman, took advantage of a long-sought opportunity and resigned his job. He let go with the gingery alacrity of an unsuspecting citizen rising from an overheated chair. Joe Lippman was chosen to preside over the meeting and after accepting the resignation of Mr. Evans the boys took a decidedly unfair advantage of the absence of Gill S. Peyton and elected him chairman of the committee. Mr. Peyton is likely to be back up this theory, but he won't have a chance to decline the great honor until another meeting of the committee can be called. In spite of himself he will be chairman that long anyway.

The following notice has been sent out by Professor Stephens: "World's Fair chorus members, California chorus members, including Harlow, members of the late Kinsford competition choruses, and members of Stephens' voice culture classes of last winter, each and all are requested to attend important business at their hall tonight, Friday, at 8 o'clock sharp, important." "The important business," said Professor Stephens at his evidence last night, "is to consider the possibility of taking a concert tour through America and Europe, the Paris exposition being, of course, the goal. I desire to meet with the leading singers of the city and lay before them propositions that I have received from parties out of the state. "I am not prepared to state what will be done, but I think this conference of singers will result in a concert tour to the Paris exposition. Of course, there are many things to consider. The expense, for instance, will be enormous, and it is not for the support that will be given us by people outside of the state we could not think of going. Good Thing For Utah. "I look upon it as one of the best things that could happen for the state. People who have never regarded Utah as a rather crude place will see that culture and refinement exists here as well as in the east or in Europe. I am not prepared to state anything more except that I trust the arrangements for the trip can be made, and that the chorus members will go to Paris with brilliant colors only to have their brilliancy enhanced after they get there. "A large attendance will undoubtedly attend Professor Stephens' meeting, the exact nature of the outside aid he speaks of he has carefully kept to himself thus far, but he will make a full explanation to the chorus members. It is believed that his proposition will meet with a cordial response. "The trip as mapped out would be a delightful one, and it is an able take part in it. The expense, as Professor Stephens says, will undoubtedly be met by the chorus members. It is believed that his proposition will meet with a cordial response. LIPPMAN'S CHANGE OF HEART. Says Only Hope for Silver is in the Republican Party. Joe Lippman has undergone a change of heart. In fact Joseph has completely metamorphosed himself. Like a certain other once-famous Utah Republican, he is going to stultify himself as hard as he knows how. Yesterday Mr. Lippman presided over a Republican committee meeting at the McKinley type. When it was over Mr. Lippman quite naively remarked that he had learned that the only hope for silver is in the Republican party. "I have some leanings into the administration camp for that reason," he continued. "I am disgusted with the Democratic party because it refused to co-operate with us. Even if Bryan should be elected, the Democratic party would not carry out its pledges. I am back in the Republican ranks to stay and only regret having gone off in 1926. "The Mr. Lippman proceeds to display what the Hon. David B. Hill called "the ostentatious zeal of the new convert." But Mr. Lippman is forgotten. He was a member of the present legal ratio of 16 to 1, without waiting for the consent of foreign nations and WE WALKER, who has been OPPOSED TO THE FINANCIAL POLICY OF THE PRESENT REPUBLICAN ADMINISTRATION AND ESPECIALLY DENYING AND UNLAWFUL ATTEMPT TO EASTEN THE COUNTRY IRREVOCABLY TO THE PROMISE TO THE SINGLE GOLD STANDARD. "While Mr. Lippman endorsed this on April 23, 1934, he now says: "The only hope for silver is in the Republican party."

SALT LAKE'S FIRST WOMAN BOOTBLACK.

"Ladies' shoes shined by a lady artist" is an announcement which women who have always lived in large cities are quite familiar, but a shoe-shining parlor managed by a woman is an extreme novelty in Salt Lake. There are few departments of work that have not been entered by women, but the shoe-shining business opens a new field of operations. Any lady who comes down town every morning to attend to her marketing can now step in and have a shine, just as her lord and master does. To the tailor-made girl, who appreciates more than anyone else just how a pair of dirty shoes will affect an otherwise faultless costume, the new shoe-shiner will be an endless source of satisfaction. Some bright man has said that a clean collar and a shave go a long way towards increasing his self-respect, but

CATHOLICS MAY EXPEND \$200,000 ON CATHEDRAL

Money for the new Catholic cathedral is coming in so freely that Bishop Scanziani is being carried away from his original plan for a building prepared five years ago, when the times were hard. Fifty thousand dollars has already been pledged in large sums, and much more in small sums not yet made public, with a number of wealthy Catholics yet to be heard from. The bishop is not making public his intentions, but it need surprise no one if \$150,000 or \$200,000, or even more should be expended on the corner of Brigham
