Philadelphia, Nov. 30.—The Pennsylvania football eleven defeated Cornell on Franklin field today, 20 to 0. Cornell was lamentably weak, and especially in the line. Only twice during the entire game did the Ithacans stop the Quakers' fierce rushes, and then only when the Pennsylvanians had almost made the necessary five yards.

On the other hand, the red and blue team played a superb game. The plays were gotten off rapidly and smoothly, and Pennsylvania was seldom downed without a gain. The men worked as a unit, and on the defense the team was a veritable one.

Quakers' Terrific Rushes. The Quakers' terrific rushes told on the Cornell men, and the game was considerably delayed by players being injured. Three of Cornell's men were forced to leave the game, while Pennsylvania was intact throughout the contest.

How Touchdowns Were Made. Pennsylvania made two touchdowns in the first half. The first score was made six minutes after the kick-off. Potter, breaking through Cornell's line and running thirty-five yards for the touchdown. The second touchdown was made by straight line plunging from Pennsylvania's thirty-five-yard line. Here missed the goal.

Touchdowns—Hare 2, McCracken 2. Goals from touchdowns—Outland 2, Hare 1, Potter 1. Time of halves—Thirty-five minutes.

PAT O'DEA'S RIGHT LEG. It Won the Game For Wisconsin From University of Michigan. Chicago, Nov. 30.—Before what was probably the largest crowd that ever gathered to witness a football game in the west, the eleven from the university of Wisconsin defeated the university of Michigan eleven on the National League baseball grounds today by a score of 17 to 5.

On an exchange of kicks after the kick-off, Columbia got the ball on Carlisle's fifty-five-yard line. On a double pass, Morley got around Scholde for a thirty-yard run. This brought the ball to Carlisle's fifteen-yard line, the only time during the game in which their goal was in danger.

kick when the ball was in a splendid position for a kick from the field, probably worth the Badgers five points. In the second half, the ball was worked down in field time to within fifteen yards of Michigan's goal line but in both instances the Wisconsin forwards were weak of holding in the line and the kick was over.

Wisconsin's weak point was at left end. Some of Michigan's best gains were made around Cochems and Blair. On a touchdown made by McLean in the second half after a run of forty-five yards in which the feet-footed Michigan man cleared his field without difficulty.

Man for man, however, the Wisconsin line outlasted that of Michigan, even big Cunningham, who last year was taken for the all-western center, being completely outplayed by Cunningham whom Cunningham outplayed by at least twenty-five pounds.

Michigan's best playing was done in the first half. Scoring the ball on their own fifteen yard line, the ball was carried steadily down the field by the Wisconsin line plunging in which the Pennsylvania guards' back play was much used, varied by an occasional try at the ends until Wisconsin's forward line was completely broken.

Probably 21,000 people saw the struggle. Excitement ran over the faces of Milwaukee, Madison and Marinette. Wis. and from Ann Arbor and Menominee, Mich., and long before the game was called the immense stretches of on, however, and would not give up. She encouraged her men and they went to work harder than ever. It was in this half (the second) that Captain Murphy had to leave the game on account of an injury.

At no time was there any danger of either yardage as the teams were very evenly matched, and the teams were impossible, owing to the sloppy condition of the field. Both teams worked their backs incessantly, and the game was a hard one to score. When time was called the Multnomahs had the ball.

For the Multnomahs McMillan made the most yardage and played the best all round game, but he was ably seconded by McDonnell and Myers. Montague the right end for the local team, made several good tackles and formed the interference well. For the Olympics, their quarterback, McNeven, played a snappy game, and generally found a hole in the line to crawl through.

from the Ogden High school yesterday by a score of 11 to 0. The game was a brilliant one and was thoroughly enjoyed by the 200 people present. The teams are evenly matched and either side made steady and substantial gains when in possession of the ball.

The first touchdown was made by Luxon within a minute after the call of play. West kicked off for Ogden, and Luxon getting the ball and making a beautiful run the entire length of the field. Trouble arose over this play, as Ogden contended that the referee was off of bounds, but Referee Fanning allowed it. From that time on the game was nip and tuck.

New York, Nov. 30.—The Knickerbocker Athletic club held a sporting tournament in Madison Square Garden this afternoon, weight and jumping events taking place in the afternoon, while the evening was devoted exclusively to football of every style known to the devotees of the game.

Chief among the features of the athletic programme were the ten-mile run for the A. U. championship, which called out the best of our long distance performers, and the sixty-yard handball race, which offered Arthur F. Duffey of Georgetown university, as a starter, the post of honor on scratch. This sprinter, champion of the United States, has been winning all sorts of honors from east, and his first chance of giving New Yorkers a glimpse of his capabilities was had. He covered sixty yards in the final heat of the race in 6.5 seconds, the world's record for the distance.

According to experts, the track was fully two yards slow. The victor was W. S. Edwards, a young New Yorker, who is not attached to any club, and who was in receipt of an allowance of thirteen feet from Duffey. They ran a dead heat in the final, and half an hour later they ran off the tie, the New Yorker breaking the tape by a few inches in record time.

Orton of Toronto, former stephens champion of England and America, won the ten-mile championship in 57 minutes 28 seconds, virtually adding three minutes to the time of three miles on "Dick" Grant, formerly of Harvard, fought all the way to the last lap, where the Canadian's wonderful staying powers prevailed. Post Hall Destroyed and \$10,000 Damage Done. (Special to The Herald.) Lander, Wyo., Nov. 30.—A destructive fire occurred this morning at Fort Washakie, sixteen miles north of Lander, in which the post hall, with all its contents, excepting a piano, was completely destroyed. It is not known how the fire originated.

The hall was closed last evening at 9:30 o'clock and the fire was discovered this morning at 1:30 by Joseph Hamilton, the mounted patrolman. It is due to his great presence of mind that the entire post was not swept away. The wind was blowing a gale.

The patrolman, upon discovering the fire, rode as fast as he could to the post engineers and got the engine to pumping, getting on a full head. The fire alarm was given, and I was but a short time until adjacent buildings to the hall were deluged with water.

The post hall was built in 1884, and was one of the best buildings at the post. It contained the post library, gymnasium, and was built by the different companies stationed there at the time.

In the saving of the plans some of the soldiers were badly burned, but not seriously. The loss is estimated at \$10,000. No insurance.
