

THE PINKHAM RECORD. Is a proud and peerless record. It is a record of cure, of constant conquest over obstinate ills of women; ills that deal out despair; suffering that many women think is woman's natural heritage; disorders and displacements that drive out hope.

VICE PRESIDENTIAL FIGHT BETWEEN SULZER AND TOWNE

Kansas City, July 2.—The vice presidential situation has not cleared up in the air today, and tonight apparently is as much in doubt as when the delegates to the national Democratic convention were elected. There was a shifting of the scene today when Benjamin Shively of Indiana was taken out of the race by his own emphatic statement that he would not be a candidate. Not only the Indiana men, but other delegates in the city, accepted the statement of Mr. Shively, and he is no longer considered a probability in the race.

The Towne managers say very emphatically that their man will win the vice presidential sweepstakes. They have reached a point where they offer three thousand dollars to any man who will be elected. Their programme is this: The men authorized to speak for the Populist and silver Republicans will agree with Democratic managers that both conventions shall go ahead and nominate Bryan on the first day, July 4, at the national convention. Committees of conference shall be appointed, with a view of agreeing upon a candidate to nominate on the second day, July 5. If the Democratic leaders do not agree to this programme the silver Republicans will appoint a committee of conference on both sides to confer with like committees of the Democrats and the Populists. Some of the Democratic leaders have agreed that this is a fair proposition and have assured the Towne managers that they will do nothing to prevent Bryan's nomination.

GEN. WARNER THINKS RATIO WILL CUT LITTLE FIGURE. Kansas City, July 2.—The United States Monetary League began its sessions today at the Auditorium. The meeting was the first of a two days' session of the league. Hon. Charles I. Thomson of Denver, president of the league, called the meeting to order and introduced Hon. Edward H. Stiles of Kansas City as chairman, who read the call of the league. Mr. Stiles followed with a brief report on the progress of the league since its formation. He said that after thirty years of affiliation with the Republican party he was now ready to hand in his adhesion to the Democratic party. He charged that Warner had broken his promise to support the league, and he begged leave to say that he would not support Warner.

PLANKS WILL DECLARE FOR SIXTEEN TO ONE RATIO

Kansas City, July 2.—An interesting story got around today that a letter had been sent to Mr. Bryan by Democratic leaders here. This letter, according to general report, outlined the situation and suggested that Bryan ought to make concessions regarding the platform, so that those who wanted a modification would be conciliated. It was stated that the concessions asked for were not in any way essential, and that the campaign would be a hard one. Many leaders were mentioned as having acquiesced in the letter. The letter was signed by Hon. James Kerr, one of the delegates from Pennsylvania, who set out for Lincoln last night, accompanied by ex-congressman John J. Lutz of Pennsylvania. It is said to have been carried to Lincoln. It was reported that this letter was signed by or approved by Senator James C. McPherson, D. J. Campau, all members of the national committee and members of the executive committee. Most of these gentlemen said they had not signed such a letter, but there was an intimation from a reliable source that some such movement was on foot, and that the views of some of these gentlemen were laid before Mr. Bryan in a way to indicate that they believed it would be better policy to reaffirm the Chicago platform and not insist upon the specific declaration for 16 to 1. The impression prevails that the leaders are not likely to meet with much encouragement in such a movement, and especially in view of the action of the Nebraska delegation, which declared explicitly today for the old ratio.
