

TRIBUTE TO THE DEAD

Beautiful Memorial Service Held by the Elks.

ADDRESS FROM WARDE

A CROWDED THEATRE AND AN EXCELLENT PROGRAMME.

There were beautiful services at the Grand opera house last evening under the auspices of the Order of Elks of this city...

The services were the memorial services held every year on the first Sunday in December in honor of the members of the order who died during the year...

The programme as a whole was one of unusual merit and of a high order, composed of the members of the lodge, their families and friends...

The orchestra discoursed appropriate music from the rear of the stage in the "Processional Coronation March" and during the evening rendered several numbers of a high order...

The opening exercises by the lodge consisted of questions by Mr. Mulvey and responses by the other officers as to the objects of the order and the meaning of the singing of the opening ode and prayer by the chaplain, Rev. Ellis Hishon...

Letter from Frederick Warde. At this point in the programme an unexpected treat was given the audience in the way of a communication from Frederick Warde...

"It is a source of the most intense regret to me that I cannot be present at your memorial services, but I shall be with you in spirit and in fraternity..."

"For them life's cares, troubles and anxieties are past—they are at rest! They are not to be mourned for! For them there is no more sorrow—only peace eternal..."

"FREDERICK WARDE." Miss Little Levy came next on the programme with a beautiful soprano solo "Good Bye" which was most beautifully rendered and gave great pleasure to every one in the audience...

The programme closed with a song from the "Y. M. C. A." quartette and "Sweet My Love" sung by the lodge, the audience joining. It was a beautiful service throughout and the object of it was worthy of high praise...

H. Gilbert came next on the programme with a tenor solo, "One Street—Two Streets" which was most beautifully rendered and gave great pleasure to every one in the audience...

FOOD MEDICINE

Scott's emulsion of cod-liver oil is equally food and medicine.

A little of it sets the stomach at work on some easy food—that is medicine.

How does it "set the stomach at work?" By making strength; by creating strength; by turning the oil into body and life—that is food.

—That is food.

22 DAYS TILL CHRISTMAS.

And today we're going to talk Hats. Start right up at the top of the hat ladder and go down.

The Knox—\$5.00. And it's the only hat made today that's worth the money. Stiff or soft.

Then we drop down to the \$3.50 grade. Same style—same shape as the Knox—probably won't wear quite so long.

Then comes our \$2.50 Hats—they're the ones we like to harp on. Cause so many people want to pay just about this price for a hat.

Hence we see that no disappointment comes in the make-up, quality or style.

All shapes—all colors. Keep right on down to \$1.00—of course you don't expect much for that.

But you may—it's here.
