BIG TWENTY-FOUR HOUR RACE.

LAWSON, TURVILLE AND KING ARE MATCHED.

Race to Take Place on Labor Day—Riders Will be Paced by the Motors.

What promises to be the greatest race ever given on the saucer track was arranged yesterday. The race will be given on Labor day and the Tuesday following between the best three long-distance riders on the track. John Lawson, Charlie Turville and W. F. King are the riders matched to follow motor pace for a continuous period of twenty-four hours. The riders will ride for a guarantee and a substantial prize. The men are in the present time there are six motors on the track and these will all be brought into use besides several tandem teams to come to the rescue of the long distance men in case a double accident should happen to the motor. The men are arranging these teams and hiring pace-makers, and it is expected that every "gro" on the track will thus be drawn into the race.

ENTRIES FOR TONIGHT.

Five-mile Motor Race the Principal Event.

The entries for tonight's races closed last evening and include a large field of starters. The principal event is a five-mile motor race, best two out of three heats between the best three long-distance riders on the track. Lawson, Turville and King are the riders matched to follow motor pace for a continuous period of twenty-four hours. The riders will ride for a guarantee and a substantial prize. The men are in the present time there are six motors on the track and these will all be brought into use besides several tandem teams to come to the rescue of the long distance men in case a double accident should happen to the motor. RACES AT SAUCER.

"Baby" Gibson Wins Ten-mile Motor Paced Match.

The delightful weather of last night drew the usual large crowd to the saucer track, and the racing was worthy of the attendance, although no new events were set. Every event was well filled, but the most interesting was the ten-mile motor-paced match between "Baby" Gibson and Clem Turville. The first mile was done in 1:39.4 and the whole distance in 13:09.4, Gibson winning by a length.

Director Daniel Returns.

G. P. Daniel, the new physical director of the Salt Lake track, returned from his recent visit to Philadelphia, Wis., where he has been for six weeks attending to the summer school of physical culture. He will begin at once, with the assistance of a committee, to plan the new summer school, to plan the new apparatus to be cleaned and everything put in readiness for the formal opening next Monday night.

BEAL'S WORLD'S RECORD.

Ten-mile Open Professional.

New Haven, Conn., Aug. 27.—A world's record was made in the ten-mile open professional race. The race was won by Oscar Julius, who rode the ten-mile course in 22:45. The previous record was 24:15.

WHEEL NOTES.

Oscar Julius had the Maxwell single motor out on the track yesterday and spent the day experimenting with it. Since Julius learned how to ride the thing he has been the happiest man on the track. He is now in the habit of showing his rear wheel to some of the men on the track in an open race, but is "dicker" he can make the new look like a plugged thing.

Tom Sharkey and Tommy Ryan to Box at Salt Palace.

NEW YORK, Aug. 27.—A match between Tommy Ryan and Tom Sharkey, it is believed, will be arranged in a few days. Sharkey now has Ryan's proposition under advisement. The Salt Lake Palace Exposition company is trying to arrange the match.

Manager Mulvey said last night that a twenty-round exhibition between Sharkey and Ryan had been arranged. It will be pulled off the latter part of September on a platform inside the saucer arena. On the same evening Jack Wade will go against "Kid" Oglesby and two other bouts with local talent as the star performers have been decided on. The Sharkey-Ryan match will, Manager Mulvey thinks, be a drawing card, as both men have national reputations.

LAGOON'S LEFT FIELDER.

The gentleman in the act of catching the ball in the above cut is Eddie Schnables, the excellent left fielder of the Lagoon team. Schnables first began playing in small clubs around Denver, and thence graduated to the big amateur teams. From there he joined Anaconda and played up through that country for a couple of seasons. Two years ago he became a member of the Ogden club in the Utah league, and played with it part of last year. "Schnitz" leads the Lagoons in fielding, and is one of the best guardians of any of the outer gardens there is in this league.

BASEBALL NOTES.

Salt Lake will try conclusions with Ogden at the ball park this afternoon. The game to be called at 4 o'clock. Hawley will pitch for the White Wings and "Big Chief" Borcher will pitch for the Lagoons. On Friday and Saturday the home club will meet the New Boise team. On Sunday they are scheduled at Lagoon and on Monday will play two games with the "Cubs" at Ogden.
