

TRAIN ROBBERS' MAY NOT BUILD POWER PLANT

Wreck Express Train With Charge of Dynamite.

FEARFUL HAVOC WROUGHT

PASSENGERS SEVERELY SHOCKED BUT NO ONE INJURED.

York, Pa., Nov. 16.—The southwest-bound express on the Northern Central railway was wrecked last night by a charge of dynamite placed under the tracks near Black Ridge, a short distance north of York. The train was running at the rate of forty-five miles an hour when the explosion occurred. Passengers were severely shocked and some were injured, but no one was killed.

Philadelphia, Pa., Nov. 15.—Reports of the dastardly attempt to wreck the southwest-bound express on the Northern Central branch of the Pennsylvania railroad were received at the office of the company this morning. Detectives were sent to investigate the wreck at York and men were also sent from Harrisburg. There is little hope here that the dynamite will be traced, as it is believed to have been made there before daylight.

The wrecked train is the southwest-bound express which leaves Washington at 8:45 p. m. and is due in Pittsburgh in the morning. The train had left York and was en route to Harrisburg when the explosion occurred.

GUARD WALDRUPE DIES

Mutineers at Leavenworth Will Be Charged With Murder.

Leavenworth, Kan., Nov. 15.—J. B. Waldrup, a guard at the Fort Leavenworth military prison, who was charged with the murder of a mutineer at that institution today, died of a heart ailment. Waldrup was one of the twenty-six mutineers now before a charge of murder. It was generally supposed that Frank Thompson, a mutineer who had been shot and killed, had been shot by Waldrup. A moment later Waldrup was struck between the eyes with a shot bullet.

STREET RAILWAY NEGOTIATING WITH UTAH POWER COMPANY.

DEAL IS REPORTED CLOSED

UTAH COMPANY WILL INCREASE ITS CAPACITY.

Negotiations are pending, and it is understood, practically closed, involving a deal between the Consolidated Railway & Power company and the Utah Light & Power company. The Utah Light & Power company is negotiating with the former regarding the necessity of the former extending \$300,000 for a new steam power plant. This project on the part of the traction company had progressed, so far as preliminary arrangements are concerned, to a point where the details of the plan had been given out.

WILL INCREASE POWER

The deal will necessitate extensive improvements planned by the Utah Light & Power company. Not only will its water power supply be increased by the completion of improvements already in contemplation, but its steam plant will be enlarged.
