

MISS ANDERSON UNDER ARREST

Dashing Advertising Expert in Law's Clutches.

BONDS WERE EASILY GIVEN

EXPRESSES HER OPINION OF DAVIS, HER EMPLOYER.

There will be some lively doings in Judge Diehl's court this afternoon. War has broken out in the camp of the Harry F. Davis contingent of publicity experts and the scene of hostilities has been transferred to the chamber where old Davis' justice has full sway.

Was a Money Maker.

Enjoying life for a period of nearly two months in Salt Lake City, especially in the pursuit of that object is followed on lines natural to a dashing girl like Miss Anderson, accustomed to the pleasures of New York, Miss Anderson's commissions for her work here several weeks ago amounted to a mere bagatelle of something over \$300.

George Sheets on the Scene.

This delicate operation was interrupted by the arrival of a stranger of stern and forbidding aspect. That appearance might not prove deceptive he pulled back the lapel of his coat and exposed to view a face upon which shone manly beauty.

Judge Powers to the Rescue.

Judge O. W. Powers was summoned by the fair prisoner and assumed the solemn dignity befitting the occasion. Miss Anderson the while breathed forth invectives on the head of Davis and expressed surprise that no one had suggested putting her to death.

MAYOR TO TRY NEW PLAN WITH OFFICE HOLDERS TO KEEP THEM IN LINE

No appointments to office within the gift of Mayor Thompson, subject to the council's confirmation, should be expected by the hungry hordes who helped return the municipal administration to power. This was the announcement made yesterday by those who are in close touch with the mayor.

According to the mayor's plan nearly every head of department will be permitted to serve without reappointment during his pleasure for the next two years. The reason assigned for not appointing the hold-over officials anew is that by constantly keeping before them the knowledge that they might have to walk out at any time for kicking up any sort of fuss reflecting upon the administration, the department heads are prone to do, they will be mighty good and refrain from making it necessary to move.
