

SPEAKER HULL'S PLAN IS BEATEN

Would Bar Democratic Counties From Road Appropriations.

HE WAS FORCED TO RECEDE

SAW THE DANGER OF THE BILL BEING DEFEATED.

An attempt on the part of Speaker Hull to keep the Democratic counties out of a fair share of the appropriations for roads was overwhelmingly defeated in the house yesterday.

The speaker's stand consequently found little favor. It was decided that Democratic counties needed roads fully as much as those having Republican majorities.

Few changes are made in the bill as introduced by Senator Lewis. The amount given the University of Utah was left unchanged.

A prominent club woman, Mrs. Danforth, of St. Joseph, Mich., tells how she was cured of falling of the womb and its accompanying pains and misery by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Life looks dark indeed when a woman feels that her strength is fading away and she has no hopes of ever being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the womb.

"I doctored for about five years but did not seem to improve. I began the use of your medicine, and have taken seven bottles of Lydia E. Pinkham's Vegetable Compound, three of Blood Purifier, and also used the Sanative Wash and Liver Pills, and am now enjoying good health, and have gained in flesh.

"I thank you very much for what you have done for me, and heartily recommend your medicine to all suffering women."—Miss EMMA SNYDER, 218 East Center St., Marion, Ohio.

"Mrs. Pinkham never violates the confidence thus entrusted to her, and although she publishes thousands of testimonials from women who have been benefited by her advice and medicine, never in all her experience has she published such a letter without the full consent, and often by special request, of the writer.
