## CHARGED WITH TAKING BRIBE

Official of Postoffice Department Under Arrest.

## ALLEGED PAL ALSO TAKEN IN

WERE TANGLED UP WITH "GET RICH QUICK" CONCERN.

WASHINGTON, May 25.—Postmaster General Payne today summarily dismissed Daniel W. Miller, assistant attorney general for the postoffice department, for accepting a bribe in connection with the case of John J. Ryan & Co., charged with being guilty of the mails. A warrant has been issued for Miller's arrest. Miller was charged with having to-night and placed under arrest by a deputy marshal. He waived examination and was released on \$1,500 bonds for appearance in court at Cincinnati next autumn. The warrant, which was learned late tonight, charges conspiracy instead of bribery as first reported. A warrant on the same charge has been issued for the arrested counsel, M. Johns, a lawyer, of Rockville, Park county, Ind.

## Miller a Hoosier.

Miller came here from Terre Haute, Ind., about two years ago. He was appointed by former Assistant Attorney General John W. Tyler to charge against Miller has been under investigation for three months. The Ryan company was a turf investment concern, which operated at St. Louis and Covington. The company's working operations are said to be similar to those of the Arnold company, which has figured so conspicuously in the postoffice department. Postoffice Inspector in charge at Cincinnati, W. F. Wyckery, and Postoffice Inspector R. Fulton at St. Louis, recently were given full charge of the case. Complaint was made by Inspector Fulton before a United States commissioner in Cincinnati on Saturday and then a warrant was issued for Miller and Johns. Inspector Fulton immediately left for Washington and another inspector went west from Cincinnati to make the arrest.

## Dismissed and Arrested.

Inspector Fulton today exhibited the papers in the case of United States District Attorney General Tyler and his desk all day today. He was called into the office of Attorney General Robb shortly after 3 o'clock this afternoon and notified of his dismissal and of the steps that had been taken. He was allowed to return to his home in Cincinnati and the private office of the assistant attorney general, where inspectors were in waiting. The Ryan company was the beneficiary under a decision which was made by the decision in the Arnold case, and couched in practically the same terms as that decision. The decision declared the concerns named to be free to use the mails. The Arnold decision, it is stated, was signed by Assistant Attorney General Tyler and the Ryan decision by George A. Christian, the law clerk of the department, who was then acting as assistant attorney general on account of Mr. Tyler's protracted illness. Mr. Christian was at the postoffice department and was closely examined regarding the case.

## Amount of the Bribe.

It is stated that the amount offered Miller as a bribe aggregated several thousand dollars and was in the form of a cash payment. It is reported that this payment is alleged to have taken place in Cincinnati, so the case will be tried there. It is also reported that the bribe asked for his appearance at that time. The amount of the bribe is said to be a fine of not more than three times the bribe asked or accepted and imprisonment of not more than three years. Mr. Payne said that this statement was all that could be said at this time, in view of the fact that the case is now before the judicial authorities. He said that the case had been under consideration since the general investigation began. He declined to say what explanatory statement had been made by Miller.

## JOHNS ARRESTED.

Alleged Bribe Takers Formerly Lived in Same Town.

Cincinnati, May 25.—Word was received by federal officers here tonight that Joseph M. Johns was arrested at Rockville, Ind., tonight. Johns, it is said, was the person who worked directly with John J. Ryan and accepted the money for the Ryan decision. The federal officers Johns' first offer for the letter was \$25,000. Johns and Ryan met at the Gibson house in this city Jan. 12, when Ryan paid over the money and in return received the letter which was used in advertising the business. Johns' scheme. Subsequently Ryan paid Johns \$25,000 more for other services.

## CONGRESS WILL HAVE TO SETTLE THE BILL

Washington, May 25.—Although the state department has not yet received the answer of the governor of Colorado to its request for reparations for the destruction of the property of the Englishman, Ratcliffe, the officials have taken note of the newspaper reports of the governor's declaration to entertain the commission. Nothing can be done by the department, therefore, except to appeal to congress for an appropriation to pay the claim and this will probably be done at the next session. This claim has been pending for some time and the department has practically satisfied itself that it is a just obligation and to refuse to pay it would be a violation of the rights conferred by the treaty between the United States and Great Britain on the citizens of each country resident in the other.

## WINDS UP IN THE PENITENTIARY

Adopted Son of a Honolulu Multi-Millionaire Cut Off With a Single Dollar and Sentenced For Two and a Half Years.

From the time of his adoption until a few years ago Captain George Allen, as he was familiarly known, was lavishly provided for by his foster father, but a too generous supply of money led the young man into paths of dissipation and he went from bad to worse until his father by adoption was constrained to reduce the income of his son to a very modest measure. Then Captain Allen drifted to the Pacific coast where he continued his wild life, finally resorting to issuing forged checks to pay for his extravagances. The father went to his rescue on these occasions and saved the scapegrace son from going to jail for his crimes. Finally the father refused to aid his son further and the result, as stated above, is that Captain Allen will spend the next few years of his life in a penitentiary, the associate of criminals from the lowest walks of life.
