

PLAYERS AT PLAY SEATTLE MEN

With Insurgents in Line, Salt Lake Plays Snappy Ball.

EVERYBODY WAS A STAR

HEAVY HITTING AND FAST FIELDING THE FEATURES.

(Special to the Herald.) Seattle, Wash., July 31.—With the full player strength of the team on the field Salt Lake put up an elegant exhibition today and defeated the locals with ease. Quick was in fine form and up to the mark in all his play. A fast double play, Wed to Donohue to Davis, cut short a batting rally on the part of the visitors. The visitors were strong with the bat, being getting hits from Donohue, Drennon, and two men on the sacks and Eddie Quick landing for two live hits just when they were most needed.

Table with columns: Seattle, AR H PO A E. Rows for Hulen, McNichols, Hurley, Drennon, Freeman, Trethewey, McGillicuddy, Stanley, Maughlin.

Salt Lake

Table with columns: Salt Lake, AR H PO A E. Rows for Donohue, Taylor, Hulen, Hanley, Wed, Drennon, Shea, Anderson, Quick.

Ogden Team Disbands. (Special to the Herald.) Ogden, July 31.—The old Ogden baseball team this season is a thing of the past. The club recently disbanded at Holdrege, Neb., a few days ago. The uniforms of the team club, which the boys were allowed to use on their eastward trip, were sold to the Holdrege press.

Helena, Wash., July 31.—Helena's batting was terrific. All of Baker's passes were costly and the pitcher was one-sided, the locals being unable to hit Carter consistently. Fredman, Freeman, Struck out—Maughlin, 2; Quick, 4. Bases on balls—Maughlin, 2. Time—1 hour, 20 minutes. Umpire—Maccaffrey.

Butte, Mont., July 31.—Zearfoss' failure to locate the ball at his feet in the fifth game butte the only run today. Four hits were scored by the visitors. Stovall, whenever there was a hit the ball fell into "Prisco's hands". Score: Butte, 1; Salt Lake, 0.

Spokane, Wash., July 31.—Spokane won the best game of the season, played here this afternoon. Ledback was secured from Los Angeles before the game and held the Angels down to eight hits. He worked a home run in the first inning. Attendance, 850. Score: R. H. E. Spokane, 7; Salt Lake, 1.

Portland, Ore., July 31.—San Francisco was able to hit McFarland. Portland's new twirler, but three times today, Lindsey was hit effectively. The work of both teams was fast, but without special feature. Attendance, 5,000. Score: R. H. E. Portland, 5; Salt Lake, 4.

San Francisco, July 31.—Los Angeles took the fourth game of the series from Oakland today. It was allowed but four hits and the champions found him difficult. Attendance, 2,000. Score: R. H. E. Oakland, 4; San Francisco, 10.

Chicago, July 31.—The locals got but one hit off Jase after the second inning. "Babity" pitched very effectively until the twelfth, when the visitors' bats came back to town. The home team will thus be only about thirty runs from the netting. Of course, to make it right, the three bases and the pitcher's walk come back to town, as will also the foul line. This will make quite a change and it will take a little while to get used to it. The new scheme. The change was made out of the hands of the old local, but there was a little depression just outside the base line there that made fielding a job of more or less peril. It will probably take some little time to get the new players worked down to good playing shape. One result of the change will be that men can score from third on a passed ball when the ball hits the grand stand, no matter whether the ball is fielded or not. The rules take care of that which the grand stand is less than ninety feet from the plate.

Manager Reynolds said last night that he was feeling pretty good over "plumbers" offers of support that came in from well known Salt Lake fans, among them being E. D. Grant, to whom we owe more, probably, than to any one else, for baseball here this year, and Al. Fred Weaver. These two men in addition to several others, have come to him, Mr. Reynolds says, and pledged their moral, physical and financial support in his effort to get a good ball club together for Salt Lake. It has been suggested that it would be a good scheme to throw together a strong corporation composed of men of means to keep up the team. Mr. Reynolds is willing to favor this plan and would be writing to the owners of the club and something of this nature may be consummated shortly.

Apparently Quick did not arrive too soon. It seems the insurgents proved of considerable practical value during the proceedings at Seattle yesterday. It is noteworthy that our old chum Mc-Nichols, who is off his hit or two about every game.

Two double plays by our three basemen did not look so bad.

What a joyous change the outcome of it was, anyway.

Harry Stoney, former manager of the Legion team, who is now living in Logan, met with a painful accident here on Wednesday through the breaking of a glass bottle which he was holding, getting into his eyes. It is not thought his sight will be permanently injured.

Eddie Quick not only pitched whirlwind ball, but did a bit of slick work that might have kept him in the place, had he not pitched so well. If he had a couple more like him it would be much gladness.

Only one error for our side and that by Trethewey, who threw a ball into the game for us, though.

From the fact that Flannery was the only stranger in the line-up yesterday it is safe to infer that the others have been let go.

Seattle meets the Elders again today and it is hoped, will again lose.

Ogden, July 31.—The old Ogden baseball team this season is a thing of the past. The club recently disbanded at Holdrege, Neb., a few days ago. The uniforms of the team club, which the boys were allowed to use on their eastward trip, were sold to the Holdrege press.

St. Louis, Mo., July 31.—Ragged fielding by the locals in the new field today cost them a game to Pittsburgh. Attendance, 1,800. Score: R. H. E. St. Louis, 5; Salt Lake, 1.

Cincinnati, O., July 31.—Lundgren today proved an easy proposition for Cincinnati. He retired after the fifth inning. Wicker did better. Ewing was not hit until the game was safe. Attendance, 2,500. Score: R. H. E. Cincinnati, 1; Salt Lake, 0.

Boston, July 31.—Williams, Boston's new pitcher, held New York down to three hits today and the home team won. Both sides pitched well. Attendance, 2,000. Score: R. H. E. Boston, 4; Salt Lake, 3.

FACTS FOR THE FANS.

Now spread the news the city through. Let hope, once lost, revive. The hated foe got only two. While we accomplished five.

Up in Butte we are having their troubles also, as witness this from the mountain: "The question—'What's the matter with the Butte team?' has been asked over these time-honored queries. 'Where are we at?' and 'Why is it thus?'"

Pitcher Jensen of the Salt Lake club has discovered that he can also pitch. Yesterday he lacked the infield and almost accomplished the job. Moving it ten feet closer to the grand stand, the home state will thus be only about eighty feet from the netting. Of course, to make it right, the three bases and the pitcher's walk come back to town, as will also the foul line. This will make quite a change and it will take a little while to get used to it. The new scheme. The change was made out of the hands of the old local, but there was a little depression just outside the base line there that made fielding a job of more or less peril.
