

BUTTE SLUGGERS FIND McNEELEY

Miners Hammer Elders' New Pitcher From Colorado.

HAUSEN THE SAME OLD MAN

OGDEN'S WAR HORSE GIVEN AN OVATION BY FANS.

A large bouquet of singles and doubles was presented to Mr. McNeely on the occasion of his initial appearance on the slab as an Elder. The outcome was that the Diggers surpassed our mob to the extent of five runs, the final settlement being 9 to 4.

McNeely and Hausen played an uphill game yesterday. Both were new and did not know a single batter as he came up or any of his faults. This made it hard for McNeely, as the only way he could find out what kind of a ball a batter could hit was to try it. McNeely got his bumps yesterday, but this does not mean for an instant that he cannot pitch ball. This season McNeely won eighteen out of the first twenty games he pitched for Colorado Springs and it was his work more than any other that kept Colorado Springs in the lead a greater part of the season. During the last two weeks of baseball in the Western League, neither McNeely nor Newmyer pitched any ball. McNeely, however, played in the field on account of his hitting ability.

That same individual, Jimmy McHale, did some wonderful playing again yesterday in the field. In the fifth he robbed "Slats" Davis out of a three-bagger by going out in the treeps and pulling a long drive down with his left hand. In the sixth McNeely sent the ball to the treeps, but McHale, however, played in the field on account of his hitting ability.

Runkle Gets a Free Pass. Runkle, the first Miner up, got a free pass to first, while McNeely was hit by Shaffer. McNeely then pitched three singles by McHale, Dowling and Runkle piled up a total of three runs, which ended the second inning.

Hausen Puts in His Appearance. Bridget started off as usual and took a free pass from Dowling. "Kid" Weaver landed him on second with a sacrifice and then caught the ball. Hausen was his first appearance in a Salt Lake uniform, and the crowd liked it. The pitcher who received the most applause was Hausen for the first two strikes, rather than he got in one of those Texas hits over the fence. First, he hit a whole team of fielders could not get it through in Donahue and before the third inning the pitcher, Hausen, pitched Bill was on third, Howlett hit the ball to short and Hausen, just to show them the new pitcher, hit the ball home, scoring the second run for the Elders. The Elders try as hard as they might, but they could not get a base again until the sixth, when two more runs galloped home. That was by Hanley, catcher, Babbitt, which shaffer dropped at first, and Lynch's hit through the pitcher's glove. In the third, the pitcher, Hausen, pitched three singles by McHale, Dowling and Runkle piled up a total of three runs, which ended the second inning.

Milwaukee, Sept. 24.—Henry Killies, center of the Boston American league baseball team, was the star in the proposed series of games between Boston and the Pittsburgh team of the National League.

Boston, Sept. 24.—Notwithstanding that Mr. Killies has won the rejection of the terms which the members of the Boston American league baseball team proposed to the Pittsburgh team of the National League, it was said tonight that there was still a possibility of the two teams playing a series of games in Boston. Boston team are bound by contract to Killies until the team is sold or the players released. Killies, by the way, was to consider the owner as a member of the team on a pro rata basis. He refused to consider anything but a flat one-half, as he owns the team and gives free use of his park. Business manager Sam Houston, who is in the matter, but believes that any difference between the men and the management will be settled amicably.

It is his intention to play the team in Ogden in some position or other in order to get a line on their ability. These players are: Carl Widener, Moore, Pitt, Clayton, halfbacks; Christensen and O. Carlson, fullbacks; Hensell, center; H. H. Hensell, quarterback; Northland, Thompson, Stroebel, Jennings, tackles; Russell, Hedger, Bennett and Judd, ends; The varsity will run a special excursion and a crowd of students have signified their intention of going along to root for the team.

Professor McLaughlin of Logan was in the city yesterday looking after the interests of the Aggies in their coming game with the east bench boys. He says the team is coming along nicely in its practices and expects to play a good article of ball during the season.
