LOCKABE'S NOW CHAMPION
Attell Defeats Forbes For Legitimate Featherweight Title.

ACCIDENT GIVES VICTORY
CHICAGO BOY SLIPS AND IS PROMPTLY KNOCKED OUT.

St. Louis, Feb. 1.—After having had the better of four rounds of fighting Harry Forbes of Chicago, was knocked out in the first part of the fifth round by Attell of San Francisco in the feather-weight championship of the world at 122 pounds, before the West End club here tonight.

In the third round Forbes jumped in aggressively and took two hard punches to the face and tried to mix it up, but he was off, but was forced to cover up by Attell in the fourth round. Attell did not fight for the feather-weight championship of the world at 122 pounds, before the West End club here tonight.

At the opening of the fifth Forbes rushed Attell, but after stopping and allowing Forbes to step against the ropes in such a position that he could not reach Attell, Attell stepped on the ropes, with the top rope holding his head up. Attell started a wild overhand right which landed on Forbes' ear, and Forbes rolled to the floor and was counted out.

LEWIS EXPECTED TODAY
Ross Will Give Away Much Weight In Coming Match.

Charley Ross, who is expected to meet F. S. Lewis, the middleweight champion, in a wrestling match on Friday night, said today that he will have very easy time defeating Lewis. It is reported that the Baker City man will outweigh the local wrestler by many pounds.

Lewis' weight is unknown, but from his photographs it is estimated that he weighs at least 150 pounds. This will be an enormous handicap for Ross, who comes, as the latter will not weigh over 140 pounds.

Ross has been suffering with a bad right arm for some time but said last evening that it would be all right for Friday night, and if Lewis had it would be because he is the better man. The local man said he had a hard anticipation of a hard match.

HOW MR. BROWN WAS TAUGHT LAW
WHEN HE VISITED CARBON COUNTY
(Special to The Herald.)

Scottish, Utah, Feb. 1.—A. S. Brown of the Brown School of Correspondence in Salt Lake, has just completed a course of instruction in Carbon county courts, and has learned much that was new to him in the way of jurisprudence. Mr. Brown came to Scottish a few days ago on business. Thursday evening while sitting at the table in the newspaper entered into conversation with a traveling man. The Carbon county clerk, Demott, and other placed at the table with Mr. Brown took part in the conversation for some time until the name of a Salt Lake newspaper, a friend of Brown's was mentioned. W. C. Braffett, brother of Mark Braffett, the Utah Equity company's attorney and assistant county attorney, was at the table. W. C. Braffett then began to roast the newspaper man and said he ought to have been sent to jail. Brown questioned this conclusion and Braffett then opened up on Brown. Brown intimated that Braffett was throwing the truth around with great recklessness. The truth returned to the compliment and left the table with the statement that he would make Brown out of his words. Half an hour later Maxwell was recently released from the state penitentiary.

WANTS NEW FRANCHISE
Water Company Willing to Sell Plant to City or Go Ahead and Extend It.

The waterworks question is again before the city council. The city council has granted the company a franchise for extending its water mains along the city streets. This restriction on the part of the company, which the city has the power to cancel, is the city's position in the waterworks company. The city council is to extend its mains and give the city a better service. Three members of the waterworks company, E. M. Allison, Jr., H. H. Spencer and Charles H. Kircher, were at the city hall last night and had a conference with the city council.

Feb. 27 the coroner's jury held John Rice, Mrs. Beutler and Elvin Mitchell, and on March 4 the prisoners were given a preliminary hearing before Judge Hargrett. Beutler testified that he was with Mitchell and Rice, at least, which would convict him.

There is evidence, however, was only the slightest. The officers hoped to force Mitchell to reveal his supposed knowledge of the murder, but this hope proved vain.
