TINTIC'S HEAVY SHIPMENTS

POCATELLO MINE GETS HIGHEST AWARD AT THE FAIR.

Because he was anxious that the shareholders of his company should not sacrifice...

"It is now about ten weeks since we struck the body of ore which we have since been developing 300 feet below the level..."

Shipping Increased Every Week.

"We have driven through the new ore body for a distance of 120 feet, or such a matter, and I can truly say that we have no more idea now than we had on the day it was struck when we shall reach its limit..."

"For nearly three weeks now it has been hard work to get out any amount of ore on a daily basis..."

Finders Are on Other Side.

"At the point in this drift where the officials and superintendent of the Uncle Sam company examined a reddish quartz material and recognized it as a mica..."
