

WILMOT TELLS DIFFERENT TALE

Says He Is Willing to Give Up Butte Franchise.

ANYTHING THAT IS RIGHT WILLIAMS CLAIMS THAT THE LEAGUE IS STILL INTACT.

In a letter received by The Herald from Walter Wilmot an entirely different light is thrown on the baseball situation in Butte, which ought to greatly simplify matters in the reorganization of the League. Wilmot says it is not true that he tried to hold the league up for \$2,500 for his franchise and that he was offered \$50 for his interests. He says, however, that he offered to leave Butte and turn over his lease on the ball park free to any person who would guarantee him that he would put a team in on the field and play the season through. This he felt was only right for the best interests of the Butte baseball fans.

Wilmot also intimated that he would be willing to take the franchise in one of the other towns and take his players with him if the league was thoroughly organized. This would be a great opportunity for Helena, Ogden or Great Falls to get a good manager as ever handled a team in this league. Wilmot has spent good money of his own to give Butte baseball fans good sport, and it well liked by the players on his team. He has hosted of friends from one end of the league to the other and is one of the most popular managers who ever came to Salt Lake.

The story coming from President Lucas to the effect that all the towns in the league have forfeited their franchises and that all of the players, therefore, can claim their regular salaries is untrue. Williams of the Spokane team, Williams says the league is still intact and will be until a league meeting is called and a majority of the directors vote for disbandment, which is the only way the league can be disrupted according to the constitution. Williams says he will ask President Lucas to call a meeting at once to straighten matters out so the teams can begin signing players for next season.

FRISBEE MAN PRESIDENT

Western League Goes to Coast to Get an Official Head.

Ogden, Neb., Jan. 12.—The meeting today of the directors of the Western league of baseball clubs proved to be a ratification meeting at which was approved a large number of items of business which had been previously agreed upon in conference at the residence of Mr. Norris, "Noll" of San Francisco. The meeting was held in the city of Ogden, Neb., and was in good condition. The league was made more substantial by dropping the non-playing clubs and transferring three franchises to the regular clubs. Interests in the city represented. The schedule will not be adopted until the next meeting, which will be held some time in March.

PASSING OF HAN-TOPI

Young Washakie Indian Dies in Tepee in Town.

Han-topi, which in the Washakie language means "Mad-Beaver," died yesterday morning before daylight at the Indian camp near the crematory. Han-topi was a young Washakie Indian about 21 years of age and was afflicted with consumption about a year ago. Last fall his relatives, including his father and mother, his wife with their one pup and a younger brother came down from their farm in the Manti valley to be near medical assistance. They first went to Salt Lake, but later moved to Ogden and pitched their tepee down near the river at the foot of Twenty-eighth street. The tepee was a simple affair and the Indian died in it yesterday morning. At one end of the biggest window, which was the entrance, a blanket was laid out and the little babe to her breast. She took no notice of the mother holding the little body to her breast. The aged mother was sitting at the foot of the bed when the father and younger brother explained that they had a farm in the Manti valley, but that they had spent all their money in medicine and doctors' bills and would have to leave the valley, leaving the body to Collington, whence they could take it by wagon over to the place where they were to bury it.

JONES' DAUGHTER DEAD

Loses Child While Under Arrest For Embezzlement.

Mildred Jones, the little daughter of Mrs. M. W. Jones, died shortly after 8 o'clock last night at the family apartments, 2327 Adams avenue. A particularly pathetic circumstance connected with the death is that the father was in the city at the time. Jones is the daughter of a well-to-do family and her father had collected as the prize of a ball given by the Bartenders' union. He went to Salt Lake while in the city and returned with a large sum of money with which he had embezzled. He was charged with embezzlement and Judge Murphy placed his bond at \$500 yesterday afternoon. When it was realized that his daughter was critically ill, the sheriff permitted Jones to come home and he spent the afternoon there in company with a deputy. At supper time there were several guests in the house and Jones was taken back to her room. She was found dead in her room this morning. Her father was arrested and is now in the city jail. The cause of death is not yet known.

ANTI-CIGARETTE LAW

Bill to Be Presented to the Legislature.

Dr. Willis Brown was yesterday invited to change his plans and remain over another day in Ogden. He addressed a meeting last night at the Grand hotel, having a large audience considering the fact that only four hours notice was given. At this meeting a permanent organization of the adult section of the anti-cigarette law was organized and officers were named in harmony with the plan followed at Barrett hall in Salt Lake. The officers are: H. Adams, president; Rev. Alfred Brown, vice president; C. Smurthwaite, secretary; S. J. Griffin, assistant secretary; S. J. Griffin, secretary; and J. W. Adams, executive committee. These officers are to select an executive committee of twenty members to be elected at a meeting of five to be appointed immediately for the purpose of drafting an anti-cigarette bill to be presented to the legislature. Mr. Brown will leave today for Chicago.

Anderson was found guilty of assaulting Ed Johnson with a deadly weapon. Judge Johnson will impose a fine of \$100 and a term of 30 days in the county jail. At the same time there will come up for sentence John Burke and Joseph Davis, who pleaded guilty to robbery. C. R. Day, who pleaded guilty to embezzlement.

CAUSE OF COLD FEET

City Official Furnishes a Scientific Explanation.

One of the city officials, who although not a physician, has dabbed in physics, has formulated a unique theory to account for the prevalence of cold feet and cold hands in Salt Lake. "Most of the colds of the head and influenza, grip and kindred diseases are caused," said he, "by the use of salt on the sidewalks of the city. The salt gives the people who walk upon the sidewalks, cold feet—not in a financial sense, but in a literal one. The salt is thrown upon the walks to melt the ice, and it does most by driving out the oil and thus bringing it up to a melting temperature."

WILL RUSH THE BONDS

Mayor and City Council to Act Monday Night on Water and Sewer Proposition.

The mayor and council will lose no time in proceeding with the work on the water and sewer proposition. Monday night the mayor and recorder will be directed to advertise for bids on a part of the bonds.

It is not proposed to sell all the bonds at once and pay interest on idle money. After mature consideration of the best means of procedure, the mayor and members of the council have decided that it will be more economical to issue the bonds in sections as the money is needed.

The city engineer and mayor are now figuring on the questions involved in order to determine the amounts and times of issue. By Monday night conclusions will be formed as to the best method of making the issue, and a resolution embodying the same will be presented to the council.

The preliminary draft of the resolution to be presented to the council Monday night was made yesterday by City Attorney C. C. Day. It was later submitted by Mayor Morris to Attorney F. S. Richards, who examined it and made any alterations that may be decided upon.
