COAST LEAGUE GETS SPOKANE

Farrell Backs Down to Henry Harris and His Crowd.

LUCAS IS OUT OF IT AGAIN

MEANS WILLIAMS HAS WON HIS LONG AND BITTER FIGHT.

Spokane has been awarded to the coast league for next year. This is the information brought back from the east by Henry Harris of San Francisco, who has just returned from a meeting of the National association.

This means that Clyde H. Williams gets the franchise next season for the Natatorium park and that he will have won out in his long fight against W. H. Lucas.

The action taken by the National board is a throwdown of Lucas by Secretary Farrell. It will be remembered that Farrell threw the Pacific National league down last year for Lucas and gave him franchise rights in territory which he did not control.

"SLATS" DAVIS ARRESTED

Former Salt Lake First Baseman and Umpire is Accused of Stealing Woman's Diamond Pin.

"Slats" Davis is in trouble in San Francisco. After the game between Portland and San Francisco at Recreation park last Saturday, Davis was served with a warrant charging him with the theft of a diamond pin, of the value of \$75, on complaint of B. Frances Rose, proprietress of a lodging house on Oct. 1.

Although the people in the grand stand thought that Davis was accused, not even the rumor of the theft of the diamond pin reached the nineteenth man of the men and women fans. Sympathy was undoubtedly all on the side of the hard-working umpire.

As Davis was being taken to prison by Policemen Keegan and Dietz he gave a version of the trouble that had come down on his shoulders. He declared that he had never dined with Frances Rose at Davis on the evening of Oct. 1, as she had charged him with the theft of the diamond pin.

Superior Judge Graham made an order releasing Davis on his own recognizance and the umpire was not compelled to spend the night in a cell.
