One of the most exciting elections Salt Lake has had Ezra Thompson was elected mayor yesterday, defeating Richard P. Morris, the present incumbent, by close to a thousand votes. The result is generally credited to the revolt in both the Republican and Democratic ranks following the attempt of Senator Smoot and his lieutenants to control the city by the use of church societies and meetings—an attempt which was repulsed by the church authorities and was followed by repudiation at the polls.

An analysis of the vote shows that the revolt was especially marked in the Republican vote particularly. In a total vote of over 21,000 Lynch, the Smoot candidate, polled almost exactly 25 per cent of the vote. Morris got 35 per cent and Thompson 41 per cent. The "American" gain over last fall's election was heaviest in the Fifth ward, but every ward, almost every district, showed the effect of the Republican machine's boomerang. Even in the Third ward, where they themselves did not expect a large vote, the figures show that old-line Republicans, both Democrats and Republicans, voted for Thompson in their determination to smash the Smoot machine.

**Lynch's Small Vote.**

It is particularly significant that Lynch got 4,500 fewer votes than were given Roosevelt, and nearly 3,500 fewer than Knox polled with a division in Republican ranks. These figures are regarded as telling the whole story, since the Morris vote of nearly 8,000 shows that the Democrats stood up to the fight in good shape in spite of the howls of the Smoot machine in some sections of the town, and in spite of the wavering of gentle Democrats and gentle Republicans who were regarded as being in the whole story.

**Democrats Win Four Councilmen.**

Out of the general wreck the Democrats got some gain satisfaction in the Third and Fourth precincts. In the Third the aldermanic candidates, Holley and Fernstrom, were elected, and in the Fourth, Hattenstein and Tuddenham pulled through by a close plurality in spite of the money and effort directly special against them. Their election with the holdover Democrats and six American members of the council, the six American elected in the First, Second and Fifth precincts count on the vote of A. J. Davis and Hobbay, two Republican holdovers, to give Thompson a working majority for his

### Denounces as a "Dirty Lie" a Statement of Chairman Martineau.

## MAKES A RACE IN AN AUTO

### VOTERS TELL HIM WHAT THEY THINK OF HIS MEDDLING.

SENATOR REED SMOOT figured yesterday in one of the most sensational episodes seen in a campaign in this city in years. He was called upon to denounce as a "dirty lie" a report circulated to the effect that he had conceded the defeat of Lynch early in the afternoon.

Learning a little later that Chairman Lyman R. Martineau had sent a circular letter through the Third and Fourth wards in an automobile denouncing the statement, Senator Smoot, accompanied by a number of his satellites, descended upon Democratic headquarters in a holy rage, denouncing what they were pleased to term "rotten politics." Chairman Willard Hanson led the delegation and J. U. Eldredge, Jr., played a prominent part in the denunciations.

## Give Orders to the Apostle.

At the close of the indignation party J. U. Eldredge, Jr., announced to Senator Smoot that he must get into an automobile and denounce the story all through the Third and Fourth wards especially, where it was expected that it would have a marked influence upon the voters. The apostle-smoother refused to do this.

"No," he said, "that is out of the question."

It was not out of the question, however, because after a consultation with "Boss" Harry E. H. Collier, William Spry and a few of the lesser lights, Senator Smoot found himself flying through the Third and Fourth wards in an automobile denouncing the circular letter of Chairman Martineau as a "dirty lie."

Chairman Martineau asserted late last night that he was fully justified in issuing the circular letter.

## MAYOR MORRIS TALKS.

### Says Smoot's Interference Caused the "American" Victory.

Mayor Richard P. Morris at midnight conceded his defeat and the election of Ezra Thompson.

"I wish to thank most sincerely the loyal friends who worked so faithfully for the success of myself and those associated with me on the Democratic ticket," he said.

"I would consider myself derelict in not acknowledging the great service rendered my party and the whole community by the Salt Lake Herald. It pitched the fight on a high cranny an indignation that was of itself of inestimable value."

## COUNCIL IS "AMERICAN."

### Thompson Will Have Majority in Sympathy With Him.

Mr. Thompson will have a council that will work in harmony with him. Six members of his party were elected to the council yesterday. These, with the holdover Democrats and the holdover Republicans, both of whom are holdover Republicans, will

### HONEST MAN ELECTED STATE TREASURER.

Philadelphia, Nov. 7.—Estimates from every return in the state indicate the election of Berry (Democrat) for state treasurer by a margin of 75,000 to 100,000 plurality. Official figures will probably increase the figures.

While returns from only six of the forty-two wards in this city had been counted up to midnight, enough is known of the result in the remaining wards to indicate the defeat of the Republican local ticket by from 60,000 to 75,000 plurality.

The victory of the City party carries with it the election of William H. Berry, the Democratic and Reform nominee for state treasurer. J. Lee Plummer, the Republican candidate for that office, was badly cut throughout the city and state and he has lost his own county, which is usually Republican by about 3,000 over James Osborne, Democrat.

At midnight Mr. Hearst declined to admit defeat and declared his intention to contest the election. At that time Mr. Hearst had 25,500 votes, and Mr. Plummer had 25,500 votes. Mr. Hearst had 25,500 votes, and Mr. Plummer had 25,500 votes.
