OUR

UNO CLAIM

Is situated in the midst of a network of the great producing gold mines of Manhattan surrounded on all sides by rich shippers. It is considered the hub of the Manhattan gold bearing zone. Traversed by the productive vein from which the Jumping Jack, Union No. 9, Big Pine, Clock Work, Dexter and Silver Pick are shipping rich ore.

SEE MAP ABOVE.

The productive Monday Vein crosses our MONDAY FRACTION CLAIM located near the famous Mustang, Broncho, Black Mammoth and St. Luke claims.
