MADDOCK TRIES OUT NEW MEN

Indoor Track and Field Meet Is Held at New University Gymnasium.

GOOD TALENT DISPLAYED

An indoor track and field meet was held in the new university gymnasium yesterday between the candidates for the university track team. Not only did Coach Joseph Maddock get a good line on the material out of which he must build his team for this spring, but he discovered several new men whose ability in athletic lines was unknown.

"Fuzzy" Moore came out winner in the 10-yard dash, while Earl Bennison was first in the 20-yard. The other men who did best starting were Frank Whitney, Dale Pitt and Sam Karrick. First in the 25-yard hurdle race went to Carl Nielson. The half-mile was won by Dale Pitt with Swapp a close second. The real contest of the day was in the high jump. It was finally won by Emory Hedges at 5 feet 9 inches. George Brown won second place with 5 feet 8 inches. Since several of the prominent candidates were not present the shot-put and high hurdle events were not held. The next meet will be held on next Friday, at which time the mile run and the pole vault will be held.
