

GRADING GANGS PEARY FOR WAR

Harriman and Hill Interests Clash Over Right of Way in Oregon.

TRACKS ON SAME GROUND DISPUTED LINE RUNS ALONG COLUMBIA RIVER.

Portland, Ore., April 10.—According to the Oregonian today hostilities are probably likely to begin at any moment between construction gangs employed by the Columbia Valley and Portland and Seattle railroads, the two rival roads being built down the north bank of the Columbia river by the Harriman and Hill interests.

Trouble Arose Frequently. The first overt act of hostility began yesterday when the Harriman graders began shovelling off four feet from the top of the Portland and Seattle grade a little distance below La Camas, Washington, in order to get down to the Columbia Valley grade. The property at the point is claimed by the Harriman road, and they declare that the Hill road has never secured title to the right of way, and that it is a trespasser. The proposed lines will cross and recross each other many times in the 200 miles there lie beside each other. At points there is room for only one track and in other places it will be necessary for the rival companies to operate through common tunnels. In view of the sharp contest between the interests involved, there is a probability of an endless number of junctions and other blocking litigation.

SALT LAKE PROMOTED.

J. L. Wellington Becomes Trainmaster of Mexican Line.

Colonel L. A. Benton of the Denver & Rio Grande rail passenger department has received word from John L. Wellington, formerly a railroad man of this city, has been appointed train master of the San Luis Potosi division of the Mexican Central. The title of train master in that territory places upon the shoulders of its wearer the duties and responsibilities of an assistant superintendent. Mr. Wellington will have supervision over about 60 miles of line. The San Luis division extends from Tampico to Aguas Calientes. Mr. Wellington served in various capacities for the various roads in Salt Lake. He was dispatcher for the Oregon Short Line at one time and a member of its examining board. When J. H. Young accepted the general superintendency of the Rio Grande Western, Mr. Wellington accepted a position with that road. Mr. Wellington left Salt Lake for Mexico last fall.

New Road for Mexico.

Mexico City, April 10.—A syndicate which includes E. F. Younkum of the Rock Island & Frisco systems is planning to build a railroad from Santa Cruz, the extreme terminus of the Tehuantepec railroad along the coast, northward to Manzanillo. It is probable the new line will be continued northward to the American border, there to be connected with the Rock Island system.

Railroad Notes.

George Martin, general agent of the Frisco at Denver, is expected to visit this city today.

General Passenger Agent S. K. Hooper of the Denver & Rio Grande will pay a visit to this city Friday en route to points in the west.

BIGGEST PROMISE NOT TO BOLT

Members of "Republican Auxiliary Committee" Forced to Sign Pledge.

"JODEY" ELDRIDGE TALKS HE POINTS OUT BEAUTIES OF ABNEGATION OF SELF.

"Is this a prayer meeting?" queried Harry Joseph as he ambled into a consumptive-looking assembly of the "Republican Auxiliary Committee" in Judge Armstrong's court room last evening. "It is," replied "Jodey" Eldredge in a tone which indicated his belief that the Republican party in Zion needs praying for.

The meeting was called to force Republicans to sign a pledge not to bolt their ticket after it was nominated next fall. District Attorney F. C. Looftbourgh presided, and explained naively that several secret meetings had been held before a public meeting had been called. Incidentally Mr. Looftbourgh occupied a seat at the judge's bench, which he hopes to grace daily after two more years have rolled around.

Solemn Pledge to Be True.

As a preliminary Mr. Looftbourgh directed that the pledge of the "auxiliary committee" be read to the assembled multitude, which numbered twenty-three persons, exclusive of reporters and dogs. The pledge requires members of the committee to promise four things, as follows:

First, to support the Republican ticket now on the fall.

Second, to volunteer their services on election day without compensation. (This was a rather novel idea, and several persons looked as though they would like to escape.)

Third, to attend the primaries and to support the Republican nominations.

Fourth, never to consent that the "committee" should be used to advance the interests of any faction or individual for political preferment. (Several candidates for the office of mayor and city clerk were particularly reached for their hats when this was read.)

Mr. Joseph Protests.

Harry Joseph was inclined to protest. He declared that there was nothing in the pledge which would prevent a man from doing his duty, and that he should not be asked to sign a pledge which would prevent him from doing his duty. Mr. Looftbourgh tried to reason with him, but Mr. Eldredge had to take the floor to convince the doubting Thomases that it was his duty to sign the roll.

"Jodey," who had received a reward for the treasurer's check for doing his duty, and who expects another reward this fall, expatiated at length on the duty of Republicans to serve their party with no hope of reward in this world or the next.

"We're organizing this auxiliary committee to get a record of men who will serve the party," he declared. "It's got to pass here that unless men sign something or other, we don't know what their politics are. I'd rather go down to a small crowd like we've got here than to win with a bunch like we've got with before."

"Jodey" didn't exactly use the word "bunch." But he came around to the reporters afterward and asked them not to quote his literal expression. The reporters readily consented.

Faithful Make Speeches.

Mr. Eldredge's eloquence had the desired effect. For Mr. Joseph signed the roll. Then speeches were called for. Attorney General M. A. Breen made the first speech. He wants to be judge of the supreme court, so he vouches for the loyalty of the Republican party for forty-five years, and incidentally reminded the audience it had dwindled to seventeen by this time—that was an immaterial and superfluous assistance, he had put down the rebellion several years ago.

Mr. Breen frankly admitted that the Republican outlook for success in Salt Lake county was dubious. He took comfort in the fact, however, that they were sure to carry the state and elect a congressman and a supreme judge. He uttered the words "supreme judge" with an unctuous and a "finger-longer" love that bespoke what was near to his heart.

Harry Joseph admitted that he had been the Republican ticket once—when he voted for Bryan in '06—but promised never to do it again. M. J. Laughlin and M. J. Woodrow made brief talks. E. Frick, who is anxious for a nomination for any office which will allow him to claim rights of a Republican, made a closed the meeting in a few heartfelt remarks in which he declared it to be his duty to support the Republican party, regardless of who is nominated, or what the constitution declares. It was evident from the hour with Mr. Frick's remarks that he expects a nomination himself.

The meeting then adjourned for two weeks.

HOLDS ANNUAL MEETING

Western Idaho Sugar Company Stockholders Listen to Reports and Re-elect Old Officers.

The annual meeting of the Western Idaho Sugar company was held in the offices of the company in the Deseret News building yesterday afternoon. All officers were re-elected. Financial and crop reports were read and approved. It was stated that the plan of the company now building at Nampa, Ida., will be completed by September 1, in time for the fall beet campaign.

According to the report of the treasurer the company is now spending nearly \$100,000 per month in construction work. About half of this amount is being paid to eastern machinery contractors. The balance is being used for other construction work. To date \$500,000 has been collected from stockholders for the construction of the Nampa plant. All but \$50,000 has been expended to date. So soon as all contracts are paid, the company will begin collecting a revenue fund.

The monthly assessment of 10 per cent in payment for stock has been cut to 5 per cent. This action was taken because it has been decided to wait until next year before beginning the construction of the sugar refinery at Payette, Ida.

Crop reports from the Boise valley and other sections of Idaho near the Nampa plant indicate that the season for beets will be record breaker. Never before for the past ten years have the indications at this season of the year been so promising, it is said.

The meeting of the Idaho Sugar company, which was scheduled for yesterday, was postponed until April 20 because the reports were not in shape for presentation to the stockholders. The first annual meeting of the San

ITCHING PAINFUL SORES ON HANDS

Suffered for a Long Time Without Relief—Had Three Doctors and Derived No Benefit—One Doctor Was Afraid to Touch Them—Soreness Disappeared and Hands Now Smooth After Application of

CUTICURA SOAP AND CUTICURA OINTMENT

"For a long time I suffered with sores on the hands which were itching, painful, and disagreeable. I had three doctors and derived no benefit from any of them. One doctor said he was afraid to touch my hands, so you must know how bad they were; another said I never could be cured; and the third said the sores were caused by the dipping of my hands in water in the dye-house where I work. I saw in the papers about the wonderful cures of the Cuticura Remedies and procured some of the Cuticura Soap and Cuticura Ointment. In three days after the application of the Cuticura Ointment my hands began to peel and were better. The soreness disappeared, and they are now smooth and clean, and I am still working in the dye-house."

"I strongly recommend Cuticura Soap and Cuticura Ointment to any one with sore hands, and I hope that this letter will be the means of helping other sufferers. Very truly yours, Mrs. A. E. Maurer, 2340 State St., Chicago, Ill., July 1, 1905."

pete-Sevier Sugar company was held yesterday. T. C. Cutler, president and H. G. Whitney, acting secretary, were present. Shares issued 6729 were represented in person or by proxy. A report read by the treasurer showed that \$2,000 had been expended to secure water rights and land. Other reports were listened to and the old board of directors selected.

WATER COMMITTEE MEETS.

The water committee of the city council met with Mayor Thompson last evening and discussed the advisability of the city's securing all water rights in the Big Cottonwood canyon which have not been secured already. No action was taken, but the entire water question was discussed in a desultory fashion.

TO GIVE A BIG DINNER

Commercial Club Is Planning "Get Together" Banquet for Early Part of Next Month.

Plans are being laid by the board of governors of the Commercial club for the holding of a "Get Together" dinner to be given during the early part of May. Invitations for the dinner will be extended to all the officers of the various commercial bodies in the city. At the dinner plans will be discussed and laid for the extending of the work of all commercial bodies. It is more than probable that some sort of state organization, or at least an organized effort for the furthering of the work of commercial bodies will result from this meeting. Details of the dinner will be made public within a few days. The matter is now in the hands of a special committee of the board of governors.

Smokers for the members and friends of the Commercial club will be held once each month beginning in May. If the plans of President Charles Quigley of that organization are carried to completion. The matter was suggested to the board of governors at their meeting Monday night by President Quigley.

The speakers will be selected from members of the club and others, such as railroad men and those interested in public movements. Free discussion of public questions will be had at the meetings, which will combine business and pleasure.
