

# WILL NOT GRANT ALL DEMANDED

### Czar Expected to Agree to Partial Amnesty for Political Prisoners.

### PRESIDENT AT PETERHOF MOURMONTSEFF TREATED WITH COURTESY BY CZAR.

St. Petersburg, May 12.—The week closes with suspense over what the next few days will bring forth, but it already is certain that Emperor Nicholas and the government do not regard the address of the lower house in reply to the speech from the throne as an ultimatum beyond the demand for amnesty, which the emperor will seek to satisfy. Partial pardon for political offenders will be granted, and the other demands of the address will be considered. The emperor is not called to pass until they find expression by legislative enactment.

### Politics Tabooed.

The trip of President Mourmontseff of the lower house to Peterhof today, as had been anticipated, was productive of no changes in the situation, although the leader of the house received the utmost consideration and was singled out by the emperor for special attentions, the subject of the address was, by tacit understanding, avoided. Members of the cabinet who attended the gala luncheon, though greeting M. Mourmontseff with the fullest cordiality, also refrained from referring to politics.

### In High Favor.

As far as the rules of precedence permitted, M. Mourmontseff was the guest of honor. On the arrival of the special train with the members of the cabinet M. Mourmontseff was seated in the first carriage, he was ushered to the front place during the deum in the chapel, and at the luncheon was seated between Minister of War Rudiger and Minister of Finance Kokovoff and near the emperor, who addressed much of his conversation to him.

The date of President Mourmontseff's audience with the emperor to present the address has not been determined. In case he is not summoned to Peterhof Monday parliament will meet that day; but, though the radicals are rampant in spirit, their leaders are determined to hold the house in leash and not permit outbreaks until Premier Gosenyich has delivered a general statement of the government's policy, which was under consideration during a ten-hour conference between the emperor and the premier on Friday.

### Will Not Grant All.

The government certainly does not intend to yield to the demands of parliament, but the desire to avoid a conflict is becoming increasingly evident. It seems to be the policy of the government, while conceding the minimum demands, to compel parliament by pacific assurance to assume responsibility for a fresh hostile initiative.

The moderation of the constitutional democratic leaders has already brought them under the ban of the extremists. Several social democratic and social revolutionary organizations have solemnly arraigned the party for betraying the cause of freedom by not insisting on direct secret and equal suffrage in the address in reply to the speech from the throne. The radicals of the house are expected to break away and form separate party groups. The chiefs of the majority, however, will not shed tears over their departure, as their nominal membership in the party, owing to their intemperance and fanaticism, is an embarrassment rather than a help.

# ENTERTAINED AT FORT DES MOINES

### Commissioners of the Presbyterian General Assembly Had a Day Off.

### SHORT MORNING SESSION GREAT INTEREST IN PRAYER BOOK.

Des Moines, Ia., May 19.—Commissioners and visitors to the 11th general assembly of the Presbyterians of America were entertained at Fort Des Moines today, following a short morning session. A regimental drill, reviewed by Lieutenant General Nelson A. Miles, retired, who is here as the guest of his son, Lieutenant Lewis Miles, was the feature of the afternoon. Following the drill a reception was tendered General Miles and the commissioners. After listening to the report of the board of ministerial relief showing that more disabled members than ever before had asked for aid during the past year, the assembly voted in favor of a resolution offered by this board asking for an appropriation of \$1,000,000 to be expended in this cause. An amendment made it incumbent upon the elders of the church to collect the amount from the entire church membership at the rate of 10 cents each.

Considerable interest was taken in the approaching discussion of the prayer book. Van Dyke's common book of worship copies of which have been placed on every member's desk, will probably receive the greatest attention. Members are waiting for reports on marriage and divorce before making comment. Other important questions will be allowed to go over until reports are made.

There was no session of the Presbyterian general assembly this afternoon. The assembly met in the interest of Evangelical movements was held, with Rev. Wilbur Chapman as principal speaker.

# TRESTLE WORK BURNS DOWN

### Traffic on the Rio Grande Western Is Tied Up in Homanville Canyon.

The trestle work in Homanville canyon, near Laguna, on the Rio Grande Western railroad, burned out yesterday afternoon, and all traffic was delayed last night. The construction crew and the trestle work were sent down to Laguna late last evening to rebuild the trestle work. A special train was sent down to the scene to carry the passengers from there to Ogden. The freight traffic is stopped up entirely.

The excursion train returning to Eureka after the ball game here yesterday afternoon was also delayed in the canyon. Box cars and a couple of coaches were sent down from Eureka to the trestle work to take the excursionists to Eureka. The excursion trains to Castilla also will be delayed, but the passengers will be transferred and taken to the springs.

Colonel I. A. Benton, assistant general passenger agent, said that the entire trestle would have to be rebuilt, and that it would not be completed until the middle of next month. Men are working on the construction gang.

# PAINTERS GETTING WORK

### Over Half Are Back and Fourteen Shops Have Agreed to the Strikers' Terms.

In a quiet way the striking painters are getting their men who were locked out again at work, even though the six firms who initiated the lockout are still maintaining their attitude of opposition to the demands of the men.

When the strike started there were over 100 men idle. Now over half of these are working and the others expect to be within a few days. All those who have gone to work did so at the increased rate of wages with the concessions as to hours demanded by the union.

In all fourteen shops have signed the agreement. The other six still say they will not grant any increase at present, though it is understood they will do so if the men will go to work until their pending contracts are completed.

# PROGRAMME FOR A WHOLE WEEK

### "Commencement" Exercises at University Will Be Very Elaborate.

### ALUMNI WILL BE FEATURED JUDGE W. H. KING TO BE ORATOR AT GRADUATING EXERCISES.

The entire program for commencement week at the state university has been officially announced. It will be one of the most elaborately prepared programs for a week's duration ever gotten up by the faculty of the state institution. After considering for more than two months' time, the following has been decided upon:

June 3.—At 8 p. m. will be held the recalcitrant services in the assembly hall within the temple grounds. The sermon will be delivered by Dr. Joseph F. Merrill, who is at the head of the mining school of the university.

June 4.—At 8:15 p. m. will be the normal graduating class exercises, held in the Salt Lake theater.

Tuesday, June 5.—From 9 a. m. to 4 p. m. there will be an exhibition of the work and equipments of the university for the benefit of parents and strangers who may be in town during that week.

### Display of University Work.

The art exhibit will be in room 50 of the library building. The mechanical engineering exhibit will be in the mechanical laboratory. Methods for assaying, metallurgy and ore dressing will be shown in the metallurgy building. Drawing, chemistry, physics and electrical engineering will be on display in the physical science building. The display in biology and medicine will be displayed on the second floor of the museum building. Sheep work and farming work will be demonstrated in the shop building. The work in the agricultural school will be shown, and also will the model farm.

### President's Reception.

June 5, from 5 until 7:30 p. m. will be given a reception by President and Mrs. J. T. Kingsbury at their home on Twelfth East street for the members of the graduating class and their friends, to the alumni and former students, members of the faculty and the board of regents.

At 8 o'clock of the same day the alumni association will hold its annual business meeting. Wednesday, June 6, will be alumni day. From 9 a. m. until 11 a. m. there will be an exhibition of the same work and equipment that are to be exhibited on Tuesday.

At 11 o'clock there will be a meeting of the regents, faculty, alumni, friends and graduates in the assembly building of the university, at which addresses will be made and discussions held as to the work that has been done by the institution, as to what it is doing and as to what should be expected of it in the future.

At 12 o'clock there will be a meeting of alumni and their classes in different rooms of the institution, in order to effect a more permanent class organization and to make plans for a more lasting alumni association. Following this comes the university reception and luncheon to the alumni and graduates present. This will be held on the first floor of the normal building. At 7:30 p. m. the alumni will give their annual reception and banquet for the graduates.

### The Annual Commencement.

June 7, at 8 p. m. will be held the thirty-seventh annual commencement exercises in the Salt Lake theater. Judge William H. King will be the orator of the evening. Frank Pierce will speak for the board of regents. Daniel Alexander will be the valedictorian of the college senior class, and Margaret Evans will be the valedictorian for the college normal class.

Friday, June 8, is field day at Saltair. The method of procedure is now, since heretofore the alumni have been almost entirely ignored. This year a committee consisting of Professor Richard R. Lyman, Professor Maud May Babcock, Professor C. Evans, Professor N. T. Porter, Professor R. L. McGee, Miss May and Miss Wheeler will have headquarters in the library building at which places all alumni present must register names and get tickets for the commencement exercises.

The policy is to bring the alumni together, since the faculty feels that the future growth of the "U" depends upon the support of the alumni. The present college senior class has begun the work by electing a permanent secretary, whose duty it is to keep track of all movements of the members of the class. The class voted to have a reunion five years after graduation, at which time it will contribute a neat sum of money to whatever it seems needs it the most at that time.

### BUNKOED.

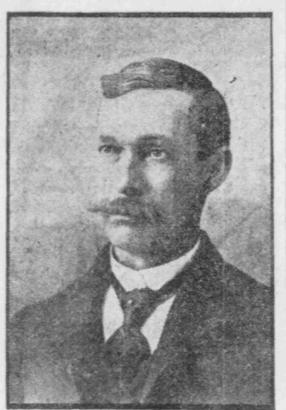

"The progress of the bridge whist craze in Kansas City must be something enormous," said Morell Law, traveling agent and passenger agent for Colorado Midland, "judging by the number of women who make requests for the bridge whist score cards recently issued by our road. The card playing habit among women promises hostess growth in a demoralizing agent. Who knows how soon Governor Folk will have to 'put the lid on' bridge. The women play cards for money, and actually are as smooth as the old three-card monte man. Why, the other day a woman called at the home of another friend and found several of the hostess' friends sitting in a poker game. The newcomer had often played with them and on invitation joined the game. She had always previously lost, but this time she came out a big winner. As she arose, her mind occupied with a picture of the cash she had won, 'the six' hostess kissing her Judas-like, remarked: 'Now that you've won, dear, isn't it too bad we were not playing for money?'"

# BOOK DEALER SENT TO PRISON

### Richard B. Shepard Is Sentenced to Thirteen Months by Federal Court.

### HE WILL APPEAL HIS CASE JURY FINDS HIM GUILTY ON TWO COUNTS.

Richard B. Shepard, lawyer, book dealer and ex-member of the state legislature, was yesterday sentenced on two counts by Judge John A. Marshall of the federal court to thirteen months' imprisonment for sending lewd and obscene literature through the mails. The penalty inflicted was thirteen months on each count, but the sentences are to run concurrently.

R. B. Shepard.

The jury found Mr. Shepard not guilty of five out of seven counts embodied in the complaint.

Immediately after the sentence was imposed by the court Judge O. W. Powers and Attorney S. P. Armstrong, counsel for the defendant, argued for a new trial. The motion was overruled by Judge Marshall but a stay of execution for ten days was granted by the court. The bonds, however, were raised from \$1,000 to \$3,000, which will probably be filed with the court this morning. Judge Marshall also granted thirty days for the defense to file exceptions. It is probable, Mr. Armstrong said, that the case would be appealed to the circuit court of appeals.

The two counts on which Mr. Shepard was found guilty were mailing a letter and also a catalogue giving information about certain lewd and obscene books. The other five counts embodied in the complaint, relating to mailing of the books which the inspectors ordered by decoy letters from Mr. Shepard, were thrown out by the jury. They held that Mr. Shepard was induced to commit in order to secure evidence against him.

### Flour is Now Cheap

Declines Ten Cents in Price—Some High Class Strawberries.

There is a fair amount of hay in the wholesale markets now, and prices have changed a little. Timothy is selling at \$20 per ton, and lucerne at \$17. Flour has declined 10 cents. Montana oats is now listed at \$1.90 and rolled at \$2.05. The first shipment of Hood river (Or.) strawberries arrived yesterday. These berries are \$7 a crate. There are twenty-four cups to a crate, and they will retail at 35 cents a cup. They are mostly taken by the first-class restaurants.

The retail market shows a great variety for the housekeeper. All kinds of fresh stuff are plentiful, and prices are reasonable. There are nice cucumbers at three for 25 cents, cabbage at cents, radishes at three bunches for 5 cents, green peas at three pounds for 25 cents, and many other bargains in the line of fresh vegetables. Some fine pineapples were to be had yesterday at 35 cents.

### LEADS IN CLEARINGS.

Salt Lake Again Heads List in United States for Increase.

Salt Lake led the United States again last week in percentage of increase in bank clearings. Bradstreet's report for the week ending last Thursday gives the increase as 96.6 per cent. Seattle is second with 65.6 per cent. The increase for the United States was 10.5 per cent. The local clearings for the week ending yesterday were:

# BURGLARS STEAL HANDBAG.

### Enter Residence of Mrs. John Larsen and Steal \$38.

The residence of Mrs. John Larsen, widow of John Larsen, who was shot down by A. J. Coleman (colored) on the city and county building grounds about two months ago, was entered by burglars early yesterday morning and a handbag containing \$38 was stolen. Mrs. Larsen lives at 624 South Fifth East street, and while the burglars were in the house she ran to her next-door neighbor's house and aroused them.

The police were notified, but before the patrol wagon reached the scene the burglars had gone. The handbag was found empty in the back door yard, where the burglars had thrown it after going out the back door. Mrs. Larsen telephoned the police last night that she found \$20 of the money on the bedroom floor.

### PILES CURED

As Easily As a Cough; Painlessly, Quickly and Without Cutting.

### Trials Package Mailed Free.

The agony and suffering in piles is so great that if a surgical operation was the only cure (which it isn't) and there was no other means of relief some persons might be willing to take the chance of blood poisoning or lockjaw.

But now the famous Pyramid Pile Cure has been discovered and has been proven to be a quick and certain means of relief and lasting cure. There is no excuse for risking your life.

Does Pyramid Pile Cure give immediate relief to the physician? Try it and prove it to yourself as thousands have done before you. Then go to your druggist and get a 25-cent box and complete the cure. Pyramid Pile Cure will cure you and do it with a certainty and a rapidity that will astonish you.

Take for example, the case of Mr. Benjamin Shaw, postmaster of Bland. We quote his own words in his letter of Oct. 1905: "I was in great agony of mind and body. In the meantime, a gentleman told me of the virtue of your Pyramid remedy. I fortunately found it at a drug store, and by the next morning I did not feel that any operation was necessary. The next day I was able to get home, and a complete cure was accomplished to my great satisfaction and the surprise of the physician."

For a trial package send your name and address to the Pyramid Drug Co., 511 Pyramid building, Marshall, Mich., and you will get a trial package by return mail. No marks.

We have a habit of pleasing people. That is one habit we are proud of. And it seems to be growing with us. We simply can't help it.

And we have learned to know that people like to be pleased. If you please them they think more of you. If we haven't pleased you it's because you have never given us a chance.

There are few things more pleasing than to know you are well and properly dressed. You certainly know there isn't many worse or more unpleasant thoughts than the knowledge that you are NOT properly dressed.

Are you a judge of Clothes? If not, then you must depend upon the reputation of the store where you buy. The man who knows nothing about the wearing quality of the Clothing he wears is just as certain to get full value at this store as the Man who is thoroughly informed.

This strictly fair policy, a one fair profit, and one price to you and everybody, are the reasons why you will see so many men wearing Gardner Clothes today.
