Market for Stocks Said to Be Hardly More Than Nominal.

DRIFT OF PRICES NARROW

SPECIAL STOCKS PICKED FOR OPERATIONS.

New York, June 1.—The market for stocks today was hardly more than nominal, the fullness of the trading falling to the year's low record. The movement of prices equally falled of significance. The drift was exceedingly narrow. During the first half of the day the balance rather inclined toward the side of depression, and in the latter half there was some recovery. More and more indifference was shown to the movements of special stocks, those picked for professional operations being easily recognized as favorite mediums for market operations by conspicuous speculative leaders. The prominent instances topreferred of the stock is and nothing occurred today to the later improvement in the market.

previous movements of the stocks named.
The later improvement in the market followed the publication of the preliminary estimates of the week's currency movement. The sub-treasury figures are official, and show an excess of \$5.607,000 of disbursements over receipts. This does not include the \$1,500,000 to be deposited with the National City bank against gold to be imported. Which was announced vestering an announced vestering the profit of the week therefore, to the extent of the vestering announced vestering an announced vestering of the amount transferred today, which amounted to \$500,000. The express movement with the interior has been in favor of New York to an amount various ly estimated at from \$600,000 to \$2,000,000.

The banks appear to have gained for the week, therefore, to the extent of the ext

Chicago, June 1.—The wheat market opened weak, and with the exception of a few slight rallies the tendency of prices was downward throughout the day. The chief factor in the situation was the generally clear weather throughout the wheat-growing sections of the United States. During the day a large amount of long wheat was sold by tired holders, and there was also considerable selling for short account. Foreign news was from Argentina being in excess of the previous estimates and an official report placing the total yield in India at 32.

WEEKLY TRADE REVIEW.

Quiet Retail Business Owing to the Rainy Weather.

New York, June 1.—Bradstreet's tomor-New York, June 1.—Bradstreet's tomorrow will say:
Rather quiet retail conditions have resulted from widespread rainy weather, the passing of the trading spring holiday and the natural seasonable quietness which supervenes at this period. Taken as a whole the month of May was a very active one in retail and wholesale trade and industry, in which the best records of preceding years were surpassed. Fall trade reports continue exceptionally good, though a comparatively quiet period may be looked for pending a clearer view of crop conditions. Railway returns are still in a high degree favorable. in a high degree favorable.

Business failures in the United States for the week ending May 31 number only 127, against 170 last week, 154 in the like week of 1905-1904, and 150 in 1903. In Canada failures for the week were 9 as against 13 last week and 16 in this week a year ago. Wheat, including flour, exports from the

MR. COOK'S SCIENTIFIC. CERTAIN AND COMPLETE CURE FOR Weak, Nervous, Restless at Night, and Weak, Aching Back, Diseased Kidneys, Inflamed Prostate, Despondent, Lack of Energy, Ambition and Strength. Poor Memory, Hollowed Eyes,

An encless number of men have one or more of the above symptoms and drag from day to day in despair of a prosperous, happy future, and well they may, for if neglected their health is sure to be wrecked by a complete loss of physical mental and sexual power.

My method completely and permanently revives manhood after sure-all remedies and quickcure specialists fall to even benefit.

My scientific, systematic course of treatment for weak, nervous, brokendown youths and men, who have, through folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life is a system that has been tested many times over and proven entirely satisfactory in every case. It is totally different from the many sickening pills and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating Failing Manhood is harmless though so effective as to remove them immediately. It is constitutional; therefore, by purifying and enriching the blood, strengthening the nervous system, nourishing the tissues, the patient becomes strong and healthy with all signs of trouble forever gone. The treatment is to the human system what the sap is to the tree—it buds energy, ambition and confidence that leaf into a prime, healthy, vigorous feeling of new life.

I, treat and cure all such pelvic diseases as PILES, FISTULA, RUPTURE, VARICOCELE, HYDROCELE, BLOOD POISON, SKIN DISEASES, SORES, ULCERS, NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent cure in every case accepted, and contract by a written instrument to produce permanent and satisfactory results or refund money.

IMPORTAT-I will cure you for less money than you can be treated for by any other specialist in Salt Lake. You may have to come to me sconer or later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists?

CURE OR NO CHARGE .-- ABSOLUTELY NO CHARGE UNLESS SATISFACTION IS GIVEN. Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, life-long cure and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled.

CONSULTATION FREE, CONFIDENTIAL AND INVITED. A personal, thorough and searching examination is required, though if inconvenient to call, write me a full description of your trouble. Office heurs, 9 a. m., to 8 p. m., except Sundays, from 9 to 12:30. Address of call
