TWO PERSONS INJURED.

Runaway Accident Near Willard Causes Serious Damage.

As a result of a runaway accident near Willard, Mrs. Amelia Woods and her son-in-law, William Call, both of Woods, were both badly injured. Mrs. Woods sustained two fractures of one of her legs, one at the thigh and the other above the knee, and a break at the ankle of the other. Mr. Call had his arm broken and his hand badly crushed in addition to receiving a number of painful bruises about the body. This frightened the horses and they became unmanageable. In making a short turn Mrs. Woods was thrown forward from the wagon, the wheels passing over her body. Call held on to the reins until the loosened tongue struck a telegraph pole. He was thrown high into the air, landing on his side and arm. Dr. Harden of Brigham City was summoned and dressed the injuries.

MAY LOSE EYESIGHT.

Arthur Hemke, aged 12, of Rock Springs, Wyo., was brought to Ogden yesterday and taken to the hospital for treatment to both eyes, the sight of which was injured by powder from a gun. Young Hemke on June 10 was cleaning a .22-caliber rifle which he accidentally discharged while holding the muzzle near his face. The sight of one eye is entirely gone and the other is badly affected although there is a slight chance of saving it. Dr. S. L. Brick is attending him.

Died of Heart Trouble.

George W. Stimson, the 77-year-old son of G. W. Stimson of Hooper, died at his home at that place yesterday afternoon from an attack of heart trouble. Funeral services will be held from the Hooper meeting house at 1:30 o'clock this afternoon. Interment will be at Hooper.

Ogden Briefs.

A reception was tendered to the graduating class of the Sacred Heart academy at that institution last evening by the alumnae. The affair was largely attended and was a complete success. In the case of A. Spitz against William Wagner the jury last evening returned a verdict of no cause for action, thereby confirming the action of the lower court from which the case was appealed. An effort will be made by the Ogden Rapid Transit company to commence operating cars to the mouth of Ogden canyon on Sunday. The work of stringing the trolley wires is now in progress. Seven government prisoners accompanied by as many guards, occupied a special tourist car on Southern Pacific No. 4 last evening. They were en route from San Francisco to Fort Leavenworth, Kan. Roy Campbell, the highwayman who held up and robbed a party of five in the lobby of the Reed hotel on June 5, waived preliminary examination in the municipal court yesterday and was bound over to the district court under \$500 bail. Miss F. O. Webster, aged about 12 years, from Idaho, was operated upon at the Ogden General hospital yesterday for appendicitis. The operation was performed by Dr. Ezra Rich. Miss Webster's condition last evening was pronounced critical. A two days' session of the Utah State Dental association will be held at the Reed hotel commencing this morning. About sixty delegates are expected to be in attendance. On Saturday afternoon the delegates will enjoy a trip to the Hermitage, in Ogden canyon. The jury in the case of the Wasatch Orchard company against the Morgan Canning company returned a verdict last evening in favor of the plaintiff for \$225. The Wasatch company brought suit to recover \$225 alleged to be due on a bill for tin cans furnished the defendant company.

NO ACTION ON CONTRACTS.

Absence of City Attorney Hiles Delays Paving Matter.

Owing to the absence of City Attorney Ogden Hiles from the city, the council did not take up the matter of paving contracts last night. It is expected that he will return in time to give an opinion Monday night as to the power of the board of public works to reject bids without the concurrence of the council. Mayor Thompson went to Denver yesterday, to be gone about a week, and A. J. Davis, president of the council and a Moran adherent, is acting mayor.

Help for Women Passing Through Change of Life

Providence has allotted us each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely.

Mrs. Mary Koehne

Nervous exhaustion invites disease.

This statement is the positive truth. When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out into perspiration easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger; your nerves have given out; you need building up at once! To build up woman's nervous system and during the period of change of life we know of no better medicine than Lydia E. Pinkham's Vegetable Compound. Here is an illustration. Mrs. Mary L. Koehne, 371 Garfield Avenue, Chicago, Ill., writes: "I have used Lydia E. Pinkham's Vegetable Compound for years in my family and it never disappoints; so when I felt that I was nearing the change of life I commenced treatment with it. I took in all about six bottles and it did me a great deal of good. It stopped my dizzy spells, pains in my back and the headaches with which I had suffered for months before taking the compound. I feel that if it had not been for this great medicine for women that I should not have been alive to-day. It is splendid for women, old or young, and will surely cure all female disorders."

Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, of Lynn, Mass., invites all sick and ailing women to write her for advice. Her great experience at her service free of cost.
