CYCLONE POUNDS HIM TO A PULP

Maurice Thompson Goes Down Gamely to Bloody Defeat.

TWAS GRUPELLING MILL

SPONGE THROWN UP IN THE FIFTEENTH ROUND.

Ogden, Jan. 8.—With blood gushing from his nose and mouth, his two eyes swollen almost shut and his face pounded to a pulp, Maurice Thompson of Butte went down to defeat at the hands of "Cyclone" John Thompson of Chicago here tonight. After two minutes of fighting in the fifteenth round, the seconds of the former saw that it was no use to subject their man to further punishment and threw up the sponge. It was the most gruelling fight ever pulled off here. There was only one round, the third, in which the Butte man seemed to have the better of the argument. In the following round the Cyclone came up strong and came very near setting his man. After that it was all one way. The ability of Maurice to take punishment together with the timely dash of the sponge saved him from defeat earlier in the contest.

The foot work of both men, the blocking of the Chicagoan and the dodging of left swings by Maurice were the prettiest ever seen here. The battle might be called a series of left hand right blows to the jaw and nose that finally wore Maurice down. He was a badly defeated man but he was gamely to the end and always went back for more punishment.

The Cyclone forced the fighting throughout the battle. He was ever up and after his man in his characteristic aggressive way, and once he got him in a tight place he gave him no chance to recover. Several times he had the Butte man on the ropes and apparently all in, but the latter came up strong in the succeeding rounds, demonstrating wonderful recuperative powers.

There was not a clean knock down scored during the entire fifteen rounds. Once Maurice was forced to his hands and knees from sheer exhaustion, but he was up and fighting again when the round ended. His adoption of the Herrera crouch stood him in good stead.

The Cyclone did nothing more than win at the blow he received and fought a good fight. In the early part of the contest he held from the mouth but showed to other marks of the battle. In the infighting of which there was a great deal, he showed clearly that he was the superior of his namesake by a long margin.

It was past 10 o'clock before the main event got started. There were more than 1,000 people in the house, about 200 of which came up from Salt Lake. It was a Cyclone crowd and there was but little drifting. The officials of the fight were 7 to 5 and this afterward got up to 2 to 1 with the Chicago man favorite. Tom Painter of Evanston, Wyo., refereed the contest and gave general satisfaction. He was kept busy separating the men in the clinches. Harry Alexander of Grass Valley, Cal.; Kid Scaler and Kid Harrison of Spokane challenged the winner of tonight's fight.

Hector Shows Sudden Improvement and Judges Want to Know Why.

San Francisco, Jan. 8.—The Emeryville track was still muddy today but the attendance was fair. In the feature of the card, the Gehlman handicap, there was a marked reversal of form when Hector surprised the crowd by going to the front and winning easily from his field. The owner was called into the stand in regard to the horse's sudden improvement. Mary E. ran honestly, but could not gain on the winner.

L.O.S.U. TO MEET Y.M.C.A.

Indoor Athletes Will Establish Records for This State on Saturday Evening.

The L. O. S. U. and the Y. M. C. A. basketball teams will meet next Saturday night for the second time this season. Both teams have had a number of games since their first meeting when the L. O. S. U. was defeated. Considering their present condition this game Saturday night ought to be a whirlwind from start to finish. The L. O. S. U. has won one and lost one to American Park and has been defeated by Provo, while the Y. M. C. A. has lost to Provo and beaten the Weber State twice. Both teams are very confident.

In connection with the basketball game physical Director Brown will pull off a big department indoor athletic meet. At present there are no official indoor records for the state of Utah, but this meet will be for the purpose of setting them up. The events will be the 20, 100, 200, 400-yard dashes, half-mile and one and one-half mile, running high jump, running broad jump, standing broad jump, pole vault, shot put, 120 and 440-yard polo races. The Y. M. C. A. has some strong men in these events, and the recent success of the athletic team in making better records than the other associations in the northwest has lent a great stimulus to track athletes.

The association expects to have an indoor meet with the University of Utah in the near future and one with the L. O. S. U. Negotiations are now under progress for definite dates. The Y. M. C. OGDEN NEWS.

Office, 2484 Washington Avenue. Ogden, Wednesday, Jan. 9.

MAY ABOLISH THE OFFICE

Rumor Afloat About Assistant Superintendent of Short Line at Ogden.

There was a rumor afloat in railroad circles yesterday that the office of assistant superintendent of the Oregon Short Line at this point was about to be abolished and that the work done here would be transferred to the office of Superintendent W. E. Costello at Salt Lake. Officials of the company here deny the rumor.

Assistant Superintendent J. J. Roth has tendered his resignation and will leave within a short time for Nebraska, where he goes to enter the mercantile business. His chief clerk, C. H. Callahan, has also left the office and accepted a position as claim agent for the Harriman lines. One of the stenographers has tendered his resignation to accept a position in Los Angeles. It will thus be seen that almost an entire new force will have to be installed if the office is continuing.

Officials say that there is nothing to the rumor that a successor will soon be appointed to take Mr. Roth's place, and that the other positions will be filled by the appointees. A number of officials are mentioned for Mr. Roth's place, but as yet the name has not been decided upon.

Superintendent W. E. Costello and Assistant General Superintendent J. M. Costello had been in Green River for several days on their way to Salt Lake, where they had a badly congested yard at that point.

Supposed Robber Caught.

Sergeant Fred Tord returned yesterday from New York, where he assisted Deputy Sheriff Evans and Sheriff Callahan in the capture of a man, in arresting A. C. Cederholm, who is wanted for robbing the postoffice at Preston, Idaho, shortly after Christmas. Cederholm was confined in the jail in Malad, where he schemed to secure his release by an ex-prisoner, who stole the keys from the sheriff's office and liberated him. Deputy Evans continued north with his prisoner this morning.

Odd Fellows Install Officers.

The local lodge of the Independent Order of Odd Fellows held its annual installation last evening. After the ceremonies the banquet was given for publishing on the occasion were: J. M. Bailey, president; Brooks, V. N. G.; Henry Kiesel, secretary; A. A. Shoemaker, treasurer; William Bolle, R. S. N. G.; J. J. Perry, S. N. G.; A. A. Sumner, R. S. V. G.; J. L. Dunk, L. S. V. G.; G. Duncan, O. G.; F. Shank, L. G.; C. E. Nolan, warden.

Commercial National Officers.

The annual meeting of the stockholders of the Commercial National bank was held yesterday noon, and the following elected directors: C. G. Fell, C. E. Runyon, J. S. Houtz, A. B. Heywood, H. Baker of Ogden, J. E. Ireland of Pocatello, Edward Combs of Camas, Idaho. A 3 per cent dividend was declared. The directors will meet this afternoon to elect officers.

Burglars Get a Ring.

The residence of A. F. Richey at 447 Twenty-sixth street, was entered by burglars last evening while the family was absent. The thieves discovered on Mr. and Mrs. Richey returned home about 10 o'clock. Burned matches were scattered about the floor, and a silver diamond ring is missing. Evidences were gained by forcing a rear window.

Strike in Lakeside.

The Lakeside Copper company, whose properties are north of the lake, west of Ogden, has struck a good-sized ledge containing a heavy percentage of native copper. The ore is said to be the richest ever secured in this section of the country. There was considerable excitement over the strike.

Pingree National Meeting.

The Pingree National bank of Ogden held its election of officers yesterday and re-elected the old board of directors. During the year \$14,000 was paid in dividends and \$12,500 was placed in the surplus account. This institution is but thirty months old and does a business of more than \$1,500,000. The directors will meet for organization on Jan. 10.

Will Move Into Jail Building.

On the first of next month Sheriff G. A. Sebring will occupy the residence at the county building, so as to be in close communication with his office at all times.

SUSANNAH IS OUTGAMED

Ding Dong Shows Rare Courage in Long Sustained Stretch

Los Angeles, Jan. 8.—As a consequence of the continued rainy weather only a small-sized crowd turned out to witness the day's sport.

In the first race Susannah set the pace to the paddock gate, but was out-gamed by Ding and Lorrain. Ding Dong in the second race showed rare courage in a long sustained stretch race. He led from the start, but was not there when the finish came. The third race was a two-horse event, Keochville setting the pace most of the way and in a drive out-gaming Lachar.

First race, 4 furlongs.—Round Dumb, 10, 1; Boland, 2, 1; 2. Time, 1:11.3. Hunter, 10, 1; 3. Time, 1:11.3. Juel, 10, 1; 3. Time, 1:11.3.

LEAGUE BASEBALL SEASON

Play Will Begin April 11 and Close Oct. 6 and 154 Games Will Be Played.

Cincinnati, Jan. 8.—The coming season in the National and American baseball leagues will consist of 154 games each. The season will begin on April 11 and close on October 6. The National league will play 154 games and the American league will play 154 games. The season will be played at New York and Boston in the east and at Chicago and Cincinnati in the west. Philadelphia and Washington will open the season for the American league in the east, and St. Louis and Detroit in the west. The opposing teams in these opening games will be chosen by Presidents Pulliam and Johnson.

The National commission decided that Charles Street was still on the reserved list and belong to the San Francisco club. Street was permitted to leave San Francisco after the 15th and signed a contract to play with the New York Americans during the coming season.

CHALLENGE FOR CUP.

London, Jan. 8.—At a meeting of the Aero club this evening it was decided to send a challenge for the James Gordon Bennett aeromarine race to take place at St. Louis in October. Three competitors will be sent.

OUTLAW LEAGUE ADMITTED.

New York, Jan. 8.—The National Association of Baseball Leagues, which includes the minor leagues, adopted a resolution at its meeting here today, admitting the "outlaw" Tri-state league to membership as a class B organization.

KILLED BY ROBBERS.

Portland, Ore., Jan. 8.—There was no doubt as to the cause of the mysterious death last night of Dr. Phillip E. Johnson, the New York physician, whose dead body was found under the Ford street bridge at 7:50 p. m. The coroner's jury after a brief inquiry this afternoon came to the conclusion that Johnson was murdered and his body thrown off the bridge.

DATES SET FOR DOG SHOW

Will Ask for Permit During Conference Week—More Members Join.

Salt Lake is to have a bench show during conference week. This much was decided upon at a meeting of the Utah Kennel club last evening, and the secretary of the club was requested to apply for dates during this time. This will put the show some time further off than it was first broached, but the officers of the club have found out that there is considerable preliminary work to be done before a show can be held.

A number of new members were taken in last evening, but the officers are still hustling to increase the membership and expect to reach the 100 mark by the time the show is held.

The directors of the club will hold a meeting next Friday night to begin talking over plans for the show, and will probably call a meeting of the club two weeks from now to have final action taken by the members of the club.

Young men will have been astray by bad companions, middle-aged men who have gone to excesses—old men who find their sexual vigor gone—unfortunates who have contracted diseases—the victims of Blood Poison—and all others who need the aid of an expert and experienced and successful specialist, are cordially invited to this department and will receive FREE OF CHARGE.

So sure is the cure under DR. SHORES' MODERN METHODS in all Private Diseases, that you may advertise to pay the fee for a cure in small weekly or monthly payments.

DR. SHORES Don't advertise "rates" for any "single ailments" and then charge you ten times as much as the amount that he would charge you for a "complete cure".

DR. SHORES leaves that to the "Fake Medical Institutions".

DR. SHORES guarantees that one fee pays for ALL your ailments if they treat your case—and that the fee for a CURE will be cheaper than you can be cured for elsewhere. DR. SHORES also furnish your medicines FREE—there is no "hold up" for "medicines" after you have received the fee. Patients and Patrons resort to such tricks to rob the unwary—but Legitimate Specialists shun and denounce them.

Beware of any parties who hide behind a "fake Medical Institute" because he dare not advertise under his own name. There must be a reason for it.

PHOTO-THERAPY

The World's Greatest Drugless Treatment.

Call at our office and we will tell you in a few words

What Photo-therapy is.
What It Will Do.
The Reasons Why.

Consultation and Examination as Free as the Air You Breathe.

One reason why people prefer Photo-therapy for the treatment of their ailments to any other method is because Photo-therapy does not use the knife or drugs. Photo-therapy is not the only drugless method of treatment, but it is the most successful. This is ascertained by comparing the actual number of patients treated with the actual number cured. This comparison would result favorably for Photo-therapy in the city of Salt Lake. Further evidence of the effectiveness of Photo-therapy is the fact that patients of medical doctors and other practitioners of the city are constantly calling upon us for treatment by Photo-therapy. If Photo-therapy can not cure you of the disease that now afflicts you, we will be frank enough to tell you so. If we accept your case you may rest assured that we will cure you. We are the only practitioners of Photo-therapy in the West, and we are visited by more sick and afflicted men and women than all other practitioners in Salt Lake City combined. We therefore urge those who contemplate calling to do so as early in the week as possible.
