ANOTHER DASH FOR NORTH POLE

Commander Robert E. Peary Granted Three Years' Leave of Absence.

START TO BE MADE IN JUNE

EXPLORER CONFIDENT OF ULTIMATE SUCCESS.

Washington, April 9.—Secretary Metcalf today granted the application of Commander Robert E. Peary for a three years' leave of absence, the time to be spent in polar exploration.

New York, April 9.—The application of Robert E. Peary for leave of absence of three years, which was approved today by the secretary of the navy, has uncovered the fact that Commander Peary purposes to make another attempt this summer to reach the North pole.

Funds necessary for the next trip to the North pole have not yet been obtained in adequate quantity, but it is stated that there is no uncertainty as to that. Morris K. Jessup and another well-known man of wealth, who caused his connection with the enterprise to be kept a secret, furnished practically all of the \$150,000 for the purchase of the Roosevelt and the fitting out of an expedition.

TWO YEARS IN BED

Dr. Williams' Pink Pills Cured Stubborn Rheumatism When Other Treatment Gave No Relief.

Dr. Williams' Pink Pills have been curing the most stubborn cases of rheumatism for nearly a generation and thousands of grateful patients have given testimony that cannot be ignored.

Mr. Robert Odert, a machinist, living at 201 Cameron Street, Detroit, Mich., had a very distressing experience with rheumatism for about two years. He makes the following statement: "About the year 1887 I felt the effects of rheumatism which gradually grew worse until I was compelled to give up work for a time. The years of '97 and '98 I was confined to my bed most of the time. I was under doctors' treatment but found no relief. My legs were swollen from the hips downward and red blotches appeared all over them. Frequently they pained me so that I had to bind them tightly with strips of linen. This sometimes relieved the pain but at other times failed to do so. At times I had to crawl to my work, using two crutches. During these spells I suffered greatly from pain around my heart which I attributed to the rheumatism.

"At last my mother wrote me and asked me to try Dr. Williams' Pink Pills. I did and in a short time I found myself getting better and have had no trouble since. I may here add that I consider myself perfectly cured. I have not had the least sign of the disease since and feel better now than I ever did. For these reasons I recommend Dr. Williams' Pink Pills to any one affected the same as I was."
