

RAILROAD DAY IN GOLD CAMP

Citizens of Beatty Lavish in Their Entertainment of Visitors from the Outside.

GOLDEN SPIKE SENT HOME GRAND BANQUET IN THE EVENING.

(Special to The Herald.) Beatty, Nev., April 25.—Beatty has certainly done herself proud as an entertainer, and if there has been any hitch in the proceedings it has not been apparent to the guests who so lavishly entertained in honor of the coming of the railroads.

Autos for Everybody. One could hardly express a wish before an auto was at his command. The Mayflower mine proved the greatest attraction and Superintendent Smith was kept busy giving away ore specimens all day.

Golden Spike Driven. The exercises of the afternoon were carried out according to program and the speakers, while giving short addresses, kept strictly to the point.

The banquet in the evening was a grand success and many were the witty and patriotic remarks delivered. The dance followed and was a delightful conclusion.
