A Friend in Need—Always with You.

WHEN you have Heartburn, Colic, Coated Tongue, Suspected Bile, Acid-rising in throat, Gas-belching, or an incipient Cold, take a Cascaret.

Remember, all these are not merely discomforts, but indications of a serious cause.

Nip them in the bud—eat a Candy Cascaret. Cascarets don't purge, nor punish the stomach like "Bile-driving" "Physics."

They act like Exercise on the Bowels—Muscles that propel Food, and that squeeze the natural Digestive Juices of the body into Food.

Cascarets ward off, or cure, the following diseases:

- Bad Breath, Headache, Biliousness, Indigestion, Dyspepsia, Torpid Liver, Appendicitis, Colic, Worms, Piles.

In such cases a little Cascaret in time is worth fifty dollars worth of treatment later on, to say nothing of the suffering, discomfort, loss of Business Energy, and loss of Social Sunshine it saves.

Headaches, Heartburn, Gas-belching, Acid-risings in the throat, and Colicky feeling are sure signs of bowel trouble from food poisons, and should be dealt with promptly.

One Cascaret will stop the coming trouble, and move on the Bowel load, if taken at the first signs.

Don't fail to carry the Vest Pocket Box of Cascarets with you constantly.

All druggists sell them—over ten million boxes a year.

Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "CCC."

Typhoid Lurks in Impure Water

It is a scientific fact that no water is absolutely pure that has not been boiled.

In the opinion of many leading physicians more disease and death results from the use of impure water than from any other cause.

As a substitute for water of doubtful character there is nothing to equal Fisher's Beer. It is a delightful and a highly beneficial food beverage.

Drink Fisher Beer

It quenches thirst equally as well as water, for its composition is 90 per cent pure water.

When we say pure water, we mean water that has been boiled for hours, and boiling is the only thing that will destroy germs, with the exception of a few poisonous ones.

In addition to the purity of our beer, the yeast that we use in the process of its manufacture is a remedial agent of known value as a preventative and cure of typhoid fever and other maladies.

As a substitute for water of doubtful character there is nothing to equal Fisher's Beer. It is a delightful and a highly beneficial food beverage.

The Crawford Shoe

Favorite of Spring THAT CUSTOM LOOK

These natty Oxfords will put the finishing touch on your Spring outfit.

Most Oxfords slip at the heel. Crawford's will not gap or slip.

There's a reason why; they are made on special lasts.

An additional feature is our "slip-proof" lining, which is used in all Crawford Oxfords.

This style, made on our "Skidoo" last, is proving a winner.
