

WILL FIGHT TO THE LAST DITCH

Contesting Delegates From Chicago Arrive in Denver With a Whoop.

AFTER SULLIVAN'S SCALP SOME SUPPORT SAID TO HAVE BEEN PROMISED.

Denver, July 5.—The most aggressive and apparently determined delegation that has yet appeared in Denver are the twenty-two contesting representatives of Cook county, who arrived from Illinois on a special train at 11 o'clock this morning.

Opened Up the Fight. The delegation arriving at their headquarters at the Albany hotel, formed in a group in the street in front of the hotel, and gave vent to great enthusiasm.

Cook County Contests. The contesting delegation claims twenty-two seats in the national convention, two of which are seats of delegates-at-large.

Other state delegations began to arrive, and the claim is made that they have received many assurances of support. Robert E. Burke stated that three United States senators had already proffered their aid and would assist in the fight for recognition.

Mr. Burke said in reply to a question: "We are here to get a long-deferred square deal. We are after the scalp of Roger Sullivan and those of some other enemies of W. J. Bryan and traitors to the Democratic party, who are masquerading in false garments. We represent the new Democracy of Illinois and we expect to win. We shall take our case before the national committee, but if denied justice there we shall not stop. We will carry it to the committee on credentials and if necessary to the floor of the convention itself."

SUSPECT UNDER ARREST.

Pressman Thought to Have Poisoned Dr. Wilson.

Philadelphia, July 5.—Frederick Gies, foreman of a department in the press rooms of the Curtis Publishing company of this city, was taken into custody tonight by the police, as a suspect in connection with the murder of Dr. H. Wilson, who died on June 26, after drinking a bottle of poisoned ale which had been sent to him through the local express office.

EXCURSION TO JUAB.

Great Interest Over Sinking of Oil Wells in the Vicinity.

Juab, July 5.—The excursion over the Salt Lake route, which left Zion at 5 o'clock this morning for Juab to witness the boring of an oil well, brought the largest crowd into Juab that has gathered here for several years.

SNUB DROVE THEM AWAY.

San Diego, July 5.—Because the management of the dancing pavilion at Avalon, Santa Catalina island, refused the men of the naval reserves aboard the United States steamship Alert admittance to the dance hall, the officers of the Alert cancelled all their arrangements for maneuvers at Catalina and, hoisting anchor, returned with all possible speed to San Diego, arriving here this morning.

FIELD OPEN TO THE LONG LIST

No Effort Being Made to Center Upon a Man for Second Place.

GRAY IS LOSING GROUND

BOOM FOR GAYNOR ALSO FAST SUBSIDING.

Denver, July 5.—The question of the selection of a candidate on the Democratic ticket for the vice presidency will not be determined until late after the nomination of a candidate for the presidency. This is the desire of Mr. Bryan and has been communicated to the Bryan leadership. Mr. Bryan has taken the position that until after the first position has been filled can there be a really intelligent selection for the second place.

Plan Acceptable.

Most of the delegates agree that the situation can be sized up to better advantage after the first selection has been completed than before that event, and, furthermore, there has been so much talk regarding the vice presidency that most of the delegates welcome an excuse for at least temporarily dropping the subject.

Desires to Be Consulted.

Mr. Bryan has not hesitated in letting the fact be known that if the nomination for the presidency goes to him he will desire to be consulted as to the choice of a running mate. He has repeatedly said that he would prefer Judge Gray for this position, but today for the first time since the delegations began to gather there has been a falling off in the Gray vice presidential boom.

Falling Off in Gaynor Boom.

There has also been a decided falling off during the day in the effort to boost Judge Gaynor of New York for the vice presidency. "It has been hinted that Mr. Gaynor has antagonized the Catholic church," said a delegate who is himself a Catholic, "and it is not to be supposed that we are going to take chances in this campaign by nominating any man who is not at least acceptable to the Catholic vote. In view

of Mr. Taft's record in the Philippines, we shall have to be careful on that point." It is still contended, however, that if New York will get together and name an acceptable candidate, the vice presidential nomination will go to that state. John Mitchell, who arrived today, when asked regarding his reported candidacy for the vice presidency on the Democratic ticket, said: "I am strongly disinclined to participate in political life just now."

REXBURG, IDA., NOTES.

Rexburg, Ida., July 4.—Independence day was celebrated here today with a very elaborate and interesting program. The day's proceedings began by the firing of artillery salutes at daybreak. At 10 a. m. there was a grand parade in which the city officials, the military band, militia, fire department, floats containing the Goddess of Liberty and maid, civic organizations and displays from the various business houses of the city.

Immediately after the parade a sham battle was given on the Rexburg athletic field by the militia, under the command of Captain R. A. Tempest, and a party disguised as Indians.

At 11 a. m. the people gathered in the Flamm hall. The crowd of visitors was so great that many could not get into the hall. A patriotic program was carried out. Music was furnished by the Rexburg band, under the leadership of Professor J. E. Engle. J. H. Wallis was chairman of the meeting. Silas S. Smith, Jr. was the chaplain of the occasion. Professor Oliver Dabney read the Declaration of Independence. The beautiful song, "The Meaning of U. S. A.," was sung by Joseph Adams.

The orator of the day was Judge Harry Holden of Idaho Falls. He spoke with great force and received much applause. He pointed out the greatness of our heritage and our responsibilities. Our dangers, said the orator, were not without, but within our borders. He spoke briefly upon some of the great problems confronting us today.

Miss Lois Edwards was Goddess of Liberty. Miss Vida Hyde represented Columbia, and Miss Tillie Flamm the State of Idaho.

In the afternoon there was a ball game, Rexburg-Sugar City vs. Rigby, also various kinds of sports such as horse races, foot races, tug of war and an automobile race. In the evening, just as it became dark, there was a fine display of fireworks on Academy hill. The day's festivities closed with dancing in the armory and also the Flamm hall. There were several thousand people from surrounding towns participating in the celebration.

Mr. L. L. Shepard, president of the W. C. T. U., gave a very interesting and instructive temperance lecture on Tuesday night in the Flamm hall. His number of the leading Democrats will attend the Denver convention.

Miss Louise Edwards is here on business. J. T. Smellie, formerly of Rexburg, but now of Canada, is here on business. Born to Mr. and Mrs. R. D. Thatcher, a fine girl, on Thursday.

A missionary farewell was held in the Second ward meeting house on Thursday night in honor of W. N. Stephens, Jr., who leaves for a mission to the southern states next week.

The present warm weather is causing the crops to grow rapidly. Both irrigated and dry farm crops are in excellent condition.
