## GEORGE CORSE DIES IN OGDEN

### Well Known Railroad Man Succumbs to Paralysis After Years of Suffering.

George H. Corse, for many years agent for the Union Pacific at Ogden, died at his home in this city early yesterday morning after an illness of five years. For the past four years he had been bedfast, and for some time had been blind and helpless. He was first taken ill with a paralytic stroke, which developed into locomotor ataxia. Mr. Corse is survived by a widow, a son, Guy Corse, who is at present in Hongkong, and two daughters, Mrs. J. Sadler and Mrs. L. Davis of Salt Lake.

Mr. Corse was one of Ogden's prominent citizens. He was a member of the Elks' lodge and prominent in Masonic circles. During the years he was confined to his bed Mr. Corse was able to hear all the annual celebrations, dramatic productions, etc., given by the Elks through a telephone specially arranged for his benefit.

George H. Corse was born in Berlin, Aug. 4, 1847. He came to America and entered the employ of the Burlington railroad, when 15 years old, as an operator at Fort Madison, Ia. During 1863 he was engaged by the Chicago, Burlington & Quincy as agent at various stations in Illinois, and came west the same year and assisted the Union Pacific in organizing its telegraph service. He opened the first office at Blue Creek, when the last spike was driven at Promontory, May 10, 1869, and served a short time as Evanston, Echo and Church Buttes.

Later he became joint agent of the Short Line and Union Pacific at Ogden. The funeral will be held at the Masonic

temple at 3 o'clock Friday afternoon. Services will be conducted according to the Masonic order by Rev. Alfred Brown, pastor of the Church of the Good Shepherd. A guard of honor from the Knights Templar will accompany the body to its last resting place. Members of the lodge of Elks will attend the services in a body. Burial will be made in the Mountain View cemetery.

## DISCUSS PROPOSED SPUR.

### Short Line Officials Consider Plans for Building Branch.

Superintendent A. B. Stevenson of the Oregon Short Line, accompanied by E. H. Harris, division engineer, D. R. Gray, commercial agent, E. G. McGriff, a prominent brick grower of North Ogden, J. T. Young of the H. L. Griffin company of that city, and P. H. Cook, traveling agent for the Harriman lines, met in this city yesterday and discussed the proposed spur of the Oregon Short Line to North Ogden. A trip was made over the proposed route and it was announced afterward that there was a strong likelihood of the track being put before next winter. The line is to run from Harrisville to North Ogden to the site of the factories of the Sanitary Canning company and the Utah Spray Manufacturing company. In addition to handling the products of these industries the line will be used for shipments of fruit from that territory.

## TO EXPLAIN BOND ISSUE.

### City Officials Will Address Citizens on Water Question.

Arrangements have been made for the holding of a number of meetings in various wards of the city for the purpose of explaining to property owners the plans for completing the purchase of the waterworks plant of the city. The mayor, city attorney and other members of the city officials will be present at the meetings and they will likely be the ones who will do the explaining.

First was a meeting at the residence of the mayor at 8 o'clock last evening. There will be a meeting at some centrally located point. It is expected that the mayor, city attorney and president of the council will deliver addresses. On Friday evening a similar meeting will be held in the Third ward and others will be arranged later on.

### Mrs. Nelissen Dead.

Mrs. Rasmussen, widow of the late Jacob E. Nelissen, died yesterday morning at the home of her daughter, Mrs. J. E. Thurston, 178 Seventeenth street, of general debility. She was 78 years of age and had been a resident of Utah for thirty-two years. Mrs. Nelissen leaves five children, thirty-nine grandchildren and a great-grandchild. The funeral will be held from the Huntsville meeting house at 1 o'clock Friday afternoon. Burial will be in Huntsville.

### Vest Is Stung.

The jury in the case of E. D. Vest against the Southern Pacific Railroad company returned a verdict shortly after 7:30 o'clock last evening, of no cause of action. Vest sought to recover damages for a laceration of his hand by a wheel while being transported to this place from California. The case has been on trial for the last three days.

### Firemen at the Hermitage.

The committee of Veteran Firemen having in charge the outing to be held at the Hermitage, met last evening and decided upon the list of prizes to be given in connection with the different events on the program.

### Ogden Briefs.

BOY IS INJURED.—Albert Greenwell, aged 15, while fishing in the Weber river Tuesday afternoon, had a fish hook lodge in his hand, causing a painful injury. The boy was brought to Ogden and it was necessary for Dr. E. M. Conroy to perform an operation before the hook could be removed. The hook was lodged in the bone of the index finger and it was necessary to break the bone in two places before it could be removed.

### FACTORIES INSPECTED.

Accompanied by the city sanitary inspector, Deputy State Food Inspector Henry Peterson, Salt Lake made a thorough inspection of the canning factories, slaughter houses and similar places in this vicinity. Samples of the product were taken from all of the canneries and these will be thoroughly analyzed in Salt Lake. This work is being done with a view of preventing adulterated products from getting on the markets.

### UTAH SCHOOL OF MEDICINE.

The Utah School of Medicine is the medical department of the University of Utah.

Two years of a full medical course are offered and, in connection with the School of Arts and Sciences, a four-year college course in Arts and Medicine, leading to the Bachelor's Degree, is given.

The work done in the Utah School of Medicine is accepted by the best medical schools of the United States.

The various laboratories are well equipped for the work given, and afford excellent advantages to students.

Send for catalogue which describes the various courses offered, the requirements for admission, cost of tuition, etc.

### UNIVERSITY OF UTAH.

Salt Lake City, Utah.

An examination for Salt Lake City teachers will be held in the Lafayette school building on Monday and Tuesday, Aug. 31 and Sept. 1, beginning at 9 a. m. of the first day.

All teachers and candidates not holding certificates valid for 1908-1909 are expected to take this examination.

Candidates for high school certificates will please notify the undersigned not later than Wednesday, Aug. 26.

Pens, ink and paper will be furnished.

D. H. CHRISTENSEN,  
Chairman of Board of Examiners.

### EUREKA FIREMEN IN LINE

#### Look With Favor on Benefit Association Being Formed Throughout the State.

Eureka, Aug. 26.—C. L. Sheeley of the Salt Lake fire department was in Eureka last night, forming an association, certifying to the local fire ladders here. There was quite a number present and they listened with attention to the remarks made by Mr. Sheeley. His object was to induce the fire department here to join with the rest of the fire departments in the state, both paid and volunteer, in forming an association, the object of which would be to greatly benefit the members of every department in the association. He stated that the association would endeavor to have a law enacted at the coming session of the state legislature which would compel the payment to the state of 15 per cent of the premiums charged on insurance and that this shall be set aside as a fund for the benefit of firemen injured or killed in the performance of their duty, and that this amount should be divided pro rata, according to the amount of insurance written in each place where there is a department.

It was settled that Eureka will send three delegates to the meeting that is to be held in Salt Lake on September 16 and 17. After the meeting the members and their visitor enjoyed refreshments.

## Of Interest to Business Men

Excavation for the foundation of the Jennings-Worthington block, north of the new building of the Paris Millinery company, in West Temple street, between First and Second South streets, will be commenced today. Miller & Jensen have secured the \$2,000 contract for the construction of the building.

A. H. Pelt, president of the Sanitary Canning company of Los Angeles, is said to be planning to establish a branch factory in Salt Lake.

Joseph A. Silver, president of the Silver Bros. Iron Works company, and Lon J. Haddock, secretary of the Manufacturers and Merchants' association, left yesterday for Louisville, Ky., to inspect the iron and steel plant which John E. Jones of Waukesha, Wis., proposes to move to Salt Lake.

Edwin Wright, formerly a member of Held's band, has purchased Eli Price's cigar store in Second South street, near Main. Mr. Price intends to go into the brokerage business.

F. Davis & Co., who will carry on a brokerage and real estate business, filed

articles of incorporation with the county clerk yesterday. The capital is \$10,000 and the officers are: F. Davis, president; F. O. Davis, vice president; H. C. Weaver, secretary and treasurer.

The Island Home Orchard company has filed articles of incorporation with the secretary of state. The capital is \$50,000 and the officers are: Rod McDonald, Green River, president; Lloyd Sigler, Salt Lake, vice president; W. K. Coleman, Elgin, secretary and treasurer.

The Nelson Glove company of Salt Lake has filed articles with the county clerk. The capital is \$25,000 and the officers are G. W. Nelson, president; A. H. Boxrud, vice president; C. J. Peterson, secretary and treasurer. The company will manufacture and sell gloves.

The building committee of the Commercial club will meet this afternoon to attend to matters relating to the beginning of work upon the new club building in Exchange place.

The commission merchants of Salt Lake met at the Commercial club yesterday afternoon.

## CHARGES AGAINST COLER

### Report to Mayor McClellan Accuses Borough President—Denial Is Made.

New York, Aug. 26.—At the end of a report submitted today to Mayor McClellan by John Perry Mitchell, commissioner of accounts, following an inquiry into the loan of \$10,000 made to Bird S. Coler, president of the Borough of Brooklyn, by William S. Hurley, vice president of the Borough Bank of Brooklyn, just after the president of the borough is alleged to have hurried through the payment of some \$24,000 on a sewer contract financed by the borough, the following statement is made: "We are of the opinion that the close inter-relation of the public and private business of the official is fraught with grave danger to the public interest. Whether the facts constitute an infraction of the law such as to render the persons involved liable to punishment, therefore, is a matter for determination by officers other than the members of the commission. It would appear, however, that a case is presented which calls for action beyond the jurisdiction of the mayor. We accordingly recommend that the matter be referred for determination to the authorities charged with power in the premises."

Mr. Coler's secretary stated that the loan to Mr. Coler was made in the course of ordinary business and was not influenced by action over the sewer contract payment. Mr. Coler at Binghamton, N. Y., tonight gave out a statement in which he said: "Things are going on in McClellan's office that have never before been heard of in the city. Know-nothingism has been done. The commissioner of accounts must know of these things. It is a very curious fact that all their mud slinging is against only those who are opposed to McClellan and at me in particular when an amazing and severe primary contest against the boss, the most corrupt that modern politics has yet produced."

### DEATH OF DAVID H. ALLRED.

#### Pioneer Resident of Ephraim Succumbs to Old Age.

Ephraim, Aug. 26.—David H. Allred, another pioneer resident, passed away at his home in Spring City Monday night. Mr. Allred was born in Bedford county, Tennessee, Aug. 25, 1825, being the son of William and Sarah Warren. The family were old southerners and wealthy planters. They joined the Mormon church in the early days and went through the persecutions in Missouri and Illinois. His mother, Mrs. Allred, died while there, and in the family home in Utah in Captain David Cannon's company. David brought his wife and six children, reaching Spring City, Aug. 27, 1870. He was married to Katie O'Brien, daughter of John O'Brien, who lived until the time of his death. He was a veteran of the Black Hawk war. He was a member of the city council for two years, and took an active part in church work. He was married first in Pike county, Illinois, Sept. 21, 1848, to Elizabeth R. daughter of Cornelius and Mary Brown, who died, leaving him with six children. He was married again in 1858 to Elsie Dietrick, who now has ten children. The funeral services will be held at the meeting house tomorrow at 2 o'clock.

Congressman Joseph Howell, William Spry and W. D. Candland stopped here for a couple of hours Monday afternoon. They met some of the Ephraim politicians at the office of Attorney Ephraim Hanson, shortly afterward leaving for Monticello. County Clerk Eliason issued a marriage license yesterday to Jean Taylor of Freedom and Lon Eiza Reed of Wales, and to Michael C. Jensen of Mayfield and Martha Cunliffe of Mant.

Myrtle, the daughter of T. D. Beece of Wales, is suffering with diphtheria. A fine baby girl arrived at the home of Ray Lewis Sunday afternoon.

Katie O'Brien entered the office of her lady friends at Pigeon Hollow, Monday afternoon. An elaborate dinner was served.

## INSTANTLY KILLED.

### Two Men Meet Death in Mine Accident.

Redfern, S. D., Aug. 26.—J. B. Taylor, one of the best known mining men in the Black Hills, and his helper, Chris Miller, were instantly killed at the Burlington

## Brain and Body Need Whole Wheat

### Among all foods, wheat is the undisputed king. For any purpose—health or strength—nothing can take its place.

### But the whole wheat must be made wholly digestible, else you lose half of its value. That is the reason for Mapl-Flake.

In wheat—when it all digests—you get all the food elements that any food contains.

If you work with muscle, here are the proteins needed. If you work with brain, here are the phosphates required.

If you are weak, here is the utmost in nourishment. If you are ill, here is the best of medicines.

Mapl-Flake is the ideal food prepared in the ideal way. There is nothing else to compare with it.

No need of different foods to meet different conditions. Whole wheat supplies every need.

## QUALITY

No matter what tea you have been using, try a package of Hewlett's Uncolored Japan Tea and compare the difference. This tea is the highest quality which you can buy and sold at a very reasonable price. It is impossible to get a better tea than

### Hewlett's

at twice the price. Gently but firmly insist that your grocer, in your next order, send this tea, and refuse all substitutes.

mine today. The men had just stepped into a cage to be raised from the danger of a blast, but a break caused the cage to stick and the explosion caught them. Taylor had been in the Black Hills since 1859.

### CLERGYMAN IS ILL.

Cleveland, Aug. 26.—Rev. Charles A. Eaton, D. D., pastor of the Euclid Avenue Baptist church, of which John D. Rockefeller is a member, is seriously ill with typhoid fever.

## Brain and Body Need Whole Wheat

### Among all foods, wheat is the undisputed king. For any purpose—health or strength—nothing can take its place.

### But the whole wheat must be made wholly digestible, else you lose half of its value. That is the reason for Mapl-Flake.

In wheat—when it all digests—you get all the food elements that any food contains.

If you work with muscle, here are the proteins needed. If you work with brain, here are the phosphates required.

If you are weak, here is the utmost in nourishment. If you are ill, here is the best of medicines.

Mapl-Flake is the ideal food prepared in the ideal way. There is nothing else to compare with it.

No need of different foods to meet different conditions. Whole wheat supplies every need.

Not the common whole wheat—not wheat that half digests. But wheat prepared by our process—requiring 96 hours. Wheat cooked for six hours—then cured for days—then flaked as thin as paper.

All that is essential. In the flake form alone, can the fierce heat of an oven be made to attack every atom.

In flakes alone are the particles so separated that the digestive juices can get to them.

In Mapl-Flake alone you utilize all that lies in wheat.

One package will tell you more than all the arguments we can ever print. Please order it now.

## Mapl-Flake

### The Food That's All Food

Then we cook our wheat in pure maple syrup, to get that delicious flavor. The most enticing flavor a cereal ever had.

So the food that is best for you is the food that all people like best.

You don't know what you are missing until you have tried it. You don't know what a real cereal food means. You don't know how good it can be.

Please find out to-day. Compare it with other foods. Judge for yourself which is best and best for you.

One package will tell you more than all the arguments we can ever print. Please order it now.

Mapl-Flake is the ideal food prepared in the ideal way. There is nothing else to compare with it.
