SALES PUSHED

Large Operators in Wall Street Beginning to Reap Their Harvest.

New York, Sept. 18 .- The action of the stock market today accentuated the impression made by yesterday's market that profit-taking sales were being pushed by some of the large operators who have made the recent market. The uneven apporting to the clearing house shows made the recent market. The uneven apporting to the clearing house shows made the recent market. by some of the large operators who have made the recent market. The uneven appearance of the price movement was the ground for this supposition. The advances in a few stocks did not carry with them the general list, sales being pressed with sufficient persistence to hold back the advance. In other conspicuous stocks positive depression was a consequence of the desire to sell. The banking position the desire to sell. The banking position was ascribed as the motive for this selling. As there is no loan market at the stock exchange on Saturday, the influence was a sentimental one and not caused by actual calling of loans. The caused by actual calling of loans. The bank statement was activel color of the bank statement was activel color of the bank statement was ascribed as the motive for this sell-responding contraction of \$28,605,500 in desponding contraction of \$28,605,500 in ing. As there is no loan market at the stock exchange on Saturday, the influence was a sentimental one and not caused by actual calling of loans. The actual color of the bank statement was not known until after the stock market had closed for the day. With the interior requirements for crop moving money certain to increase and with the rates of and the Russian demand for gold, the promise is for further advance in all money markets. The moderation of the advance thus far in the call money rate is partly due to the use of resources secured by commission houses in time loans some time since, which are placed temporarily in the advance that those in the way of new loans.
