AGED WOMAN BREAKS FAST WALKING RECORD

And the Winner, Mrs. Jane Edwards Root, of 1605 E. 30th St., Cleveland, O., 80 Years Old, Whose Picture Appears in the Illustration, Won the Race by Walking 2 1/2 Miles in 26 Minutes. Mrs. Root Attributes Her Vigor, Health and Staying Powers to Duffy's Pure Malt Whiskey, Which She Has Taken for Years.

AGED WOMAN BREAKS FAST WALKING RECORD

In a recent interview Mrs. Root said: "I seldom take medicine, but two years ago at my home in Cleveland I felt very strong, so bought one bottle of Duffy's Pure Malt Whiskey. I was benefited by it. I am 80 years old, and won the championship in the great walking contest for aged people in Cleveland. I came out winner of 23 contestants over 75 years of age (14 women and 14 men). I beat the world's record, and now hold the championship for the United States and Europe. I walked 2 1/2 miles in 26 minutes, and was not at all tired; could have walked it right over again. One paper gave the account as two miles in 26 minutes; all the other papers were right. When I reached the end, not another walker was anywhere near me, and the enthusiasm was great. I have had an immense mail ever since from professors in colleges and prominent men all over, wishing to know how I lived, what my diet was, what caused this wonderful strength and endurance at 78 years of age. I take good care of my health, have cured out every summer for the past 25 years, live well, and use as my only medicine, Duffy's Pure Malt Whiskey. I have known during the past two years several wonderful cures from Duffy's Malt Whiskey. It is a remarkable medicine for Rheumatism and Stomach Trouble. Two instances have come to my notice of permanent cures. My wonderful health and ability to walk long distances is a tribute to using it as a medicine."
