DEVOTED TO THE INTERESTS OF GARLAND AND THE GREAT BEAR RIVER VALLEY

Vol. 1. No. 10.

Published at Garland, Utah.

Saturday, April 14, 1906

Meeting to Discuss

Base Ball.

The Brigham City Commercial Club sends word that a meeting for the purpose of discussing the Base Ball situation for Box Elder County will be held in that city to-day and requests that Garland be represented by two delegates from the various cities of the county.

They express themselves as being very favorable to the organization of a League in this county and the matter will be discussed at this meeting.

M A Boothe and W P Eaton are the delegates appointed from Garland.

Town Board Meeting.

There was a special meeting of the Town Board of Garland held in the rooms of the Garland Commercial Club Tuesday night, April 11, there being present at said meeting Pres. W H Rowe, Trustees T H Edwards, John Lant, T E Seerist and H C Vanaudelin. After the minutes of the previous meeting had been read by the Clerk and duly approved and various other matters of minor importance discussed, the following resolution was brought before the meeting, discussed and finally passed:

Resolved, that the President and Clerk of the Town Board, be, and they are hereby authorized to borrow Twelve Hundred Dollars, with interest at the rate of 8% per annum from date borrowed until paid, interest payable quarterly, and said President and Clerk are hereby authorized to execute a note for and in behalf of the Town of Garland covering said loan.

The above loan is being made by the Town of Garland for the purpose of paying for the Town building, jail cells, etc. recently erected.

Trustees Lant and Seerist were then appointed a committee on building. The President also appointed a committee, consisting of John T Lant and T. H. Edwards, to draw up an ordinance for the government of the Board of Health.

Laid to Rest.

Impressive funeral services were held at the Garland hall last Sunday over the remains of Mrs. Leo Clayton, who died at the L. D. S Hospital Friday last, after a lingering illness of several years. The body was embalmed at Salt Lake, placed in a beautiful casket and shipped to this city where she and her husband have resided for some time past. Mrs. Clayton was the daughter of John W. Imley and Luella Imley (deceased) of Panguitch, Utah. She leaves a sorrowing husband, two children and a host of relatives and friends to mourn her loss. She was a faithful Latter-day Saint and exercised a great deal of faith and patience during her sickness. Owing to so many being in attendance at conference the regular Sunday services were dispensed with and the funeral services held during the regular meeting hours. The intimate friends of the deceased viewed the remains at the residence in the forenoon. The services began at 2 p. m., Second Counselor Jos. Jensen presiding. The ward choir furnished the singing, under the direction of Leslie Grover. The casket, literally covered with beautiful flowers, was born from the residence by the pall-bearers, followed by the mourners. Following were the pall-bearers: Geo. F. Grover, Nathan Kirkham, Ben Clayton, Will Clayton, Geo. Henrie and Jas. W. Imley.

The services began by the choir singing "Sister, Thou Wast Mild and Lovely." Prayer by Ludvig Larsen. Singing, "O Grave Where is Thy Victory." Mrs. Marie Wing rendering the solo. The speakers were Mrs. Sanford Bingham, president of the Relief Society, Albert Grover, Wm. Kling, J. E. C. Rhet, Jos. Jensen and Geo. Henrie, all of whom paid a high tribute to her sterling character and gave words of comfort to the sorrowing ones.

The closing piece by the choir was "Rest for the Weary Soul." Benediction by Sanford Bingham. After the benediction the congregation were permitted to view the remains as they passed out.

A large cortege followed the remains to the cemetery. The grave was dedicated by Jos. Jensen.

The attendance was large. The sympathy of the entire community goes out to the bereft husband and the motherless children.

Among the mourners was John W. Imley, father of the deceased, and Jas. W. Imley, her brother, both of Panguitch, Utah, who left Monday for their home in southern Utah.

Heber Stohl, manager of Stohl Bros. Furniture Co., of Tremont, was seen on our streets the latter part of last week.

New City Hall

and Jail.

Our new city hall and jail is nearing completion. The outside work being finished with the exception of a porch and a few trimmings. The interior work is progressing favorably. The building is of cement blocks and presents a neat appearance. Contractor A. J. Hawks is busily working away to rush it to completion. The cement floor was put in Monday and the steel cells will be placed in position in a few days. The west room is 15x15 feet and will be fitted up for a council chamber and office. The east room of the building is 15x20 and will contain two steel cells with a corridor all around. These cells are the latest make and when in use the corridor will be utilized. When completed the town can well be proud of its hall and jail. It demonstrates the spirit of thrift and progress that characterizes the members of our Town Board.

Annual Conference.

The annual conference of the church of Jesus Christ of Latter-day Saints, recently held at Salt Lake City, was very interesting and the attendance was unusually large. Many went from this city and surrounding places helping to swell the crowd. Malad City was represented as it never was before owing to the opportunities of the new railroad line. Most of our citizens have returned and all report having had an enjoyable time. Some changes were made in the Quorum of the Twelve Apostles and other offices. Three new Apostles were chosen to take the places of M. W. Merrell, deceased, John W. Taylor and Mathias F. Cowley, the latter two having resigned.

Following are the names of the new officers chosen: George F. Richards, of Tooele county; Oran F. Whitney, Salt Lake county; David O. McKay, Weber county—Members of the Twelve.

Charles H. Hart, Logan, first seven presidents of Seventies.

Joseph F. Smith, Jr., Salt Lake City, assistant church historian.

Rice Shower.

Dr. G. W. Green went to Deweyville Tuesday afternoon to meet his wife and they returned in the evening and dined at the Asahie Restaurant. During the supper hour they were interrupted by the blowing of horns and a shower of rice that literally covered the floor of the restaurant. Mr. and Mrs. Green may not appreciate all this hilarity, but their friends are numerous in this vicinity and will not fail to see that they are protected from any serious injury. This is the second reception given the M. D. in Garland.

Rheumatism Makes Life Miserable.

A happy home is the most valuable possession that is within the reach of mankind, but you cannot enjoy its comforts if you are suffering from rheumatism. You throw aside business cares when you enter your home and you can be relieved from those rheumatic pains also by applying Chamberlain's Pain Balm. One application will give you relief and its continued use for a short time will bring about a permanent cure. For sale by Riter Bros. Drug Store.

Street Leveling and Grading.

The Town Board has secured the use of The Utah Sugar Co.'s large grader and is making good use of it this week in putting our streets in good shape. Marshal Henrie has the supervision of the work. Owing to the amount of travel during the wet season followed by a dry spell, it is quite a difficult task to get the roads level and make them present a smooth appearance, but the work will be continued and it won't be long before our streets will take on a vastly different appearance.

Won the Prize.

Some of the Clayton Music Co.'s Money is Being circulated in Garland This Week.

The Clayton Music Co., of Salt Lake recently offered a prize to the one who would make the most words of the sentence "The Kimball Piano." A. I. Grover of this city received a check or certificate for \$64 Monday for his ingenious mental ability. Out of the above sentence he manufactured 663 words, no proper nouns being used. Where A. I. got the words from would make Daniel Webster scratch his head, but he got them and got the prize too.

Card of Thanks.

We desire to express our sincere thanks to all those who have assisted us in any way during the sickness, death and burial of our loving daughter. Mr and Mrs Oliver Williams.

To-Night.

Don't forget that the Garland Dramatic Co. appears at the Garland Hall to-night in "My Partner's Wife," a beautiful melo-drama of Northern California. Every person interested in the welfare of this city should come out and witness this play as it deserves the loyal support of all good citizens. Home talent, home industry and anything that retains and circulates the money here is what we want. Home dramatic companies are being organized all over the state. Let us encourage our local talent. Secure your tickets early at Grover and Rose store.

Funeral Services

At the Garland hall Friday afternoon, April 6, funeral services were held over the remains of Minnie Williams, the 14-year old daughter of Mr. and Mrs. Oliver Williams, who passed away from the effects of pneumonia Wednesday, April 4.

Bp. W. L. Grover presided, Jos. Jensen in charge. The singing was furnished by members of the choir under the direction of Leslie Grover. Opening song, "Down by the River's Verdant Side." Prayer by Bp. Grover. Singing, "Who are These Arrayed in White." The following speakers gave words of comfort to the parents of the deceased: Geo. Henrie, Jos. Jensen and Bp. Grover. Singing, "Home, Sweet Home." Benediction by Geo. Henrie.

A beautiful wreath of flowers was contributed and laid on the casket by school mates of the deceased. The remains were interred in the city cemetery. Two of the children of Mr. and Mrs. Williams are reported to be quite sick with the same disease.

Arbor Day

Gov. John C. Cutler has designated and proclaimed Monday, April 16, 1906, as Arbor day, and in said proclamation has recommended that said day be observed as a public holiday, and that all citizens "devote the day to the planting of trees, flowers and shrubs and to the beautifying of public grounds and private residences."

Honeyville.

Bruce Grant and Clarence Hunsacker are on a trip in Nevada.

Hewlet Tolman is on the sick list.

Ben Hunsacker loaded a car of horses last week.

There is talk of building an addition to our meeting house.

Lars Nelson & Co gave a dance last Friday night which was well attended.

Del Bruke and Ben Tolman are putting up picket fences on their places.

D. R. Hammond and J. C. Madsen were recent visitors to Brigham

E. M.

Married in Salt Lake.

Lyle Busenbark of Collinston, and Miss Agnes Hawks, daughter of Mr. and Mrs. A. J. Hawks of this city, were united in marriage at Salt Lake Thursday, April 5th. Both are popular young people. They returned Saturday and will make this city their home. We wish the young couple a happy and prosperous journey through life.

Expressions of Gratitude.

I desire to express my gratitude and appreciation to those who so kindly tendered their services during the long illness, suffering, death and burial of my loving wife and thank all for the sympathy manifested in the hour of sorrow. Resp., Leo Clayton.

A week ago yesterday the junior ball team went to Tremont and completely whitewashed the boys of that place in a score of 26 to 1 in favor of Garland. M A Boothe promised to present the boys with a base ball outfit if they would beat Tremont. On their return they drilled into the store with a "yell" and got the goods. Saturday the Tremont juniors came here and got a second dose and "our kids" are as proud as peacocks over the result.

Caught Cold While Hunting a Burglar.

Mr Wm. Thos. Lanorgan, provincial Constable at Chapleau, Ontario, says: "I caught a severe cold while hunting a burglar in the forest swamp last fall. Hearing of Chamberlain's Cough Remedy, I tried it, and after using two small bottles, I was completely cured." This remedy is intended especially for coughs and colds. It will loosen and relieve a severe cold in less time than by any other treatment and is a favorite wherever its superior excellence has become known. For sale by Riter Bros. Drug Store.

A Correction.

In our last issue we published a local saying that the Lehi Commercial Club had passed resolutions against the Editor of the Lehi Banner for failing to give the club prominence, etc. We hasten to correct our mistake. We secured the information from an exchange, but made a mistake in the name of the city. It was Nephi and not Lehi. These two cities sound much alike and we wrote it Nephi but the devil set it up Lehi. In most cases the sins of the father are visited on the heads of the children, but in this case "Lehi" had to answer for the sins of "Nephi."

James M Kirkham, editor of the Lehi Banner, desired us to correct this mistake and a few extracts from his letter will show that he has grounds for asking this correction.

"When shown your article today, several members of the Commercial Club were quite provoked and expressed the kindest feelings toward the Banner. I was the first to start the organization Lehi being the first city outside of Salt Lake, Ogden and Logan to organize a club. I am Asst. Secy of the club, a member of the house committee and several other committees and have taken an active part in all the progress of the club's success."

The Banner has had its columns filled with club matters and we have read these items with interest each week. A mistake sometimes occurs in a typographical way that we overlook in proof-reading. Kindly overlook this error Mr Kirkham and accept our correction.

In justice to the Lehi Commercial Club we also state that Mr Kirkham says the club has passed no resolutions against the Banner.

Hotel Arrivals

Clayton House

BUILDING NOTES.

The residence of W. H. Parke of Riverside is nearing completion.

Another room is being added this week to the residence occupied by Urel Rose.

Will Clayton is putting some finishing touches on the Clayton House this week. As soon as the weather is favorable the building will receive a coat of paint and other improvements.

The foundation is in and the work progressing favorably on the new residence of Bp. W. L. Grover on his property opposite the school building. It is to be a brick structure and will be a neat addition to that part of the city.

J F Erdmann is in Garland this week and has been rushing the work on the new mill. It is towering high in the air and begins to present a mill-like appearance. Some trouble with water in the basement is delaying the work, but drain is being cut and this trouble will be a thing of the past in a few days.

Notice.

Hereafter all stores will close at 8 p. m. with the exception of Saturday's and legal holidays. It

Charles Brown, U. S. Government Drainage Engineer for the Department of Experiment Stations, is now in Garland for the purpose of carrying on a series of drainage experiments in the Bear River Valley for the Government. Mr. Brown expects to be in the Valley for about six weeks or two months, making his headquarters at Garland and while here he will thoroughly investigate the conditions that exist in this valley. For about a year Mr. Brown was in the employ of The Utah Sugar Co as its Civil Engineer, but severed his connection with that company in March of 1905, to accept the position he now holds with the government. We wish Mr. Brown every success in the work that has been assigned him.

Mosiah Evans returned from a flying business trip to Santa Clara Valley, California on Wednesday, where he and George Austin had gone to pass upon the purchase of a tract of land which some Utah capitalists contemplated purchasing. He reports that nothing in the way of purchasing was done and says that the proposition may be taken up again later on. The trip was a delightful one, as California at the present time is wearing its most beautiful dress, flowers and fruit trees in bloom, grass growing, everywhere and the weather most delightful. He is, however, glad to be home again.

JUST ARRIVED!

A nice assortment of Men's Spring Suits and Pants;
Also a Fine Assortment of Children's and Youth's Suits for Spring and Summer.

We can fit your boys up from head to foot at the right prices. Call and look over our line before you buy.
