We are a restless people. Every thin woman wants to be fat. Every fat woman wants to grow tall. Every town man longs for the time when he can retire to the country, and every farmer hopes to some day quit work and move to town, where he can take life easy.

The man who went out to milk and sat down on a rock in the middle of a pasture and waited for the cow to back up, was a brother to the man who kept a store and would not advertise because he reasoned that the purchasing public would back up to his place of business when it wanted something.—Ex.

Modest Claims Often Carry the Most Conviction.

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish.

The result of the trial was therefore a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements.

What they do claim, is that it will positively cure Diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by Riter Bros. Drug Co.

Sunday Services.

The attendance at last Sunday's meeting was quite good and the services were very interesting. The opening hymn was "Awake Ye Saints of God." Prayer by A. I. Grover. Singing "An Angel from on High." Sacrament administered by Elders Peter Boss and Chas. Munns.

Garland Not in the Game.

In the base ball contest yesterday afternoon between the Garland nine and local team the visitors were badly defeated by a score of 15 to 4. The Garland boys fell down in the fourth innings letting the locals have nine runs.

With base ball players it's three strikes and out; but with a labor union it's one strike and out.

Saved His Comrade's Life.

While returning from the Grand Army Encampment at Washington City, a comrade from Elgin, Ill., was taken with cholera morbus and was in a critical condition, says Mr. J. E. Houghland, of Eldon, Iowa. "I gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy and believe saved his life."
