Musical Contest at Brigham City.

A musical contest of both vocal and instrumental selections is to be held in Brigham City in the near future. The date has not yet been decided upon. The committee in charge expect to make this city a visit soon.

\$25 as first prize and \$10 as second prize, will be awarded to the best choirs rendering the "Soldiers Chorus" from Faust.

In this contest, we understand that the choirs of Salt Lake, Ogden, Logan and Brigham will be barred. There will also be cash prizes for solos, duets and quartettes.

Band contests will be a feature of the day's program. Our band, choir and the people of Garland and vicinity generally, should make an effort to be present on this occasion. Our town possesses some talented musicians and we hope to see some of the prizes come this way.

Mr. Crompton and family and Horace Gleason and family returned Thursday from a pleasure trip. They report having had a fine time and would have staid longer only their supplies gave out.

Friday afternoon Hyrum Jensen came very near losing his lumber yard by fire. The fire started in the north west corner of the yard where the wagon road passes close to it. It is thought that some one threw the stub of a cigarette in the dry June grass there and the fire started from it. The Collinston Bucket Brigade, after an hour's hard work, got the best of the fire, and Hyrum Jensen stood the bill for refreshments for the crowd. He was very thankful and loud in his praise to the crowd for the hard work they did for him. Mr. Jensen was very much scared for a time.—Collinston Correspondent to Tremont Times.

Riverside.

Our boys went to Thatcher Saturday and had an easy game of ball. It was a walk-a-way from start to finish for Riverside—entirely one sided. Thatcher couldn't play in Riverside's dust. They made their four runs in the first and third innings—all the rest were shut outs—while Riverside scattered their twelve runs throughout the entire game.

The big game, the real gamey game will be between the Fielding Flints and the Riverside Ramblers Saturday, August 18th at Fielding. It is the "rub" game and both teams want to win. It will be interesting, as the teams are evenly matched and both realize that they are up against a worthy foe. After you read this you can drive over to Fielding and see it, as the lineup is not till 4 p m.

Chicken Shooting.

Messrs M A Boothe, A E Harris, Cal D Mayfield, W J Fife, and E V Schoeller drove over to Clarkston Tuesday afternoon to be "on deck" for the first day of chicken shooting which opened Wednesday, Aug. 13th. The hills and vales in that vicinity received a thorough ransacking and all the chickens within gun shot were landed, but the scarcity of the "winged tribe" this season prevented the boys from bagging the usual number of birds. A pleasant trip was the outcome. They all returned late Wednesday evening.

Dr and Mrs M J Francke, E C Ritteau and John Schaffer also took advantage of the opening day and went "chicken shootin." They, however, chose a different direction and returned with birds enough to start a chicken ranch in their dreams. Before leaving, Dr Francke locked the dog in the office and hid his shells behind the drug store—Schaffer followed suit. They went to battle and the chickens were as thick as tar in "plumy woods," but as Ritteau was compelled to do all the shooting with the shells the Dr. left at home, you can guess the result. Well, they went "shootin" anyhow and on their return enjoyed a chicken dinner—"at a restaurant"—but it was a "tame foul" menu.

Stock Sold to Foulger Co.

M G Hansen, manager of the Garland Clothing House, disposed of his entire stock of goods' furnishing goods to the Foulger Co. Monday of this week. The stock amounted to over \$1,000 and consisted principally of mens' furnishings. L A Hansen of Layton, a stockholder in the institution, came here and assisted Mr Hansen in disposing of the goods.

Mr Hansen has successfully carried on the business of the Garland Clothing House in the past and has made many friends in this city. Mr and Mrs M G Hansen left Tuesday for a few days' visit to Layton and will return soon to reside in this city.

Azar Evans has secured a position at the A R Smith butcher shop.

Supr. T H Edwards, wife and babies were Brigham visitors Thursday.

Wines and Liquors for medicinal purposes at Riter Bros Drug Store. 39-11

A L Wight was in this city Thursday circulating a petition to be presented to the County Commissioners, asking for an improvement in the county road from this city to Deweyville. If the petition is granted it will shorten the distance between the two towns and will give us much better service.

Special Meeting of Garland Commercial Club.

A special meeting of the Garland Commercial Club was held in its rooms in the Riter Block, Monday evening, Aug. 13, which was called for the purpose of infusing new life into the organization or disband. There was quite a large number of the members present and the matter was quite generally discussed and views exchanged. The matter of temporarily doing away with the social features of the club and thereby reducing in a very material way the running expenses of the organization and limiting it to a commercial organization was considered and left open for further discussion and consideration. A committee was appointed by the chair consisting of W P Eaton, Jos Corbett and E D Bacon for the purpose of meeting with the Board of Trustees of the town of Garland to ascertain if it would be agreeable with that organization to install the club furniture in the town building for the town use in consideration of the town's permission to use its building as a place in which to meet for the purpose of discussing commercial matters in case the club is limited to a purely commercial organization. A further committee was appointed by the chair to confer with the delinquent members in an effort to induce them to liquidate their club dues. The committee appointed consists of Jos Jensen, Chas Edwards and M G Hansen.

The meeting was then adjourned until Monday evening, August 17th, when the committees will submit their reports.

Miss Hortense Evans of Brigham spent the fore part of the week in this city, the guest of her brother Wright Evans.

Alvin M. West, formerly connected with the Bear River Land Co., was in this city Monday.

Where you see the yellow flag about town, it indicates that Whooping Cough has made a visit to that home. Quite a number of cases are reported to exist.

Miss Bessie Shemwell of Salt Lake City, is the guest of her sister, Mrs. W. P. Eaton.

Quite a number of our citizens spend their Sundays at Wheeler's Grove at the mouth of Bear River canyon and find it a very pleasant, cool retreat for an afternoon's outing.

The concert given at the Amusement Hall last Sunday evening under the auspices of the Garland Military Band, was well attended and the event proved to be a very pleasing entertainment. The selections by the band were all well rendered and received with applause. In fact, every number on the program would have received a hearty encore had the concert been given any other night but Sunday. Mr. Kirkham announced that no encores would be responded to that evening. The following was the program rendered:

1 "Autumn Leaves" Serenade, Military Band.

2 Ladies' Quartette, "Abide With Me," Mrs Wing, the Misses Hazel and Essie Evans and Miss Stella Kirkham.

3 Violin Solo, with piano accompaniment, "The Holy City," M. D. Evans.

4 "Rosabel Mazurka," Military Band

5 Vocal Solo, "Roses," Miss Essie Evans.

6 Clarinet Solo, "Scenes That Are Brightest," Nathan Kirkham.

7 Vocal Solo, "Mexican National Air," Miss Jennie Wanless.

8 Cornet Solo, "Love's Old Sweet Song," Jos. Kirkham.

9 "The Conciliator March," Military Band.

Accompauists, Miss Essie Evans and Miss Mary Grover.

"Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal.
