Major Richard W. Young, general counsel of the Utah-Idaho Sugar Co., was in Garland on business Monday.

J. F. Owens, who was operated upon by the most skilled doctors in the state at the Holy Cross hospital about four weeks ago, recovered sufficiently to return home last Saturday. He is looking considerably better than was expected after the ordeal he passed through. When he left for the hospital his weight was 182 pounds. Today his weight is 130 pounds. A second operation will be necessary to remove the ulcer from his stomach and his many friends entertain the brightest hopes that he will pass through the ordeal successfully and become a well man.

More Than Enough is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by All Dealers.
