"The result was, after three days' use of Postum in place of the coffee I never had a symptom of the old trouble and in five months I had gained from 145 pounds to 165 pounds."

"My friends asked me almost daily what brought the change. My answer always is, leaving off coffee and drinking Postum in its place."

"We have many friends who have been benefited by Postum."

"As to whether or not I have stated the facts truthfully I refer you to the Bank of Commercial Bank, Boston, Mass., where I have lived for many years and will know if I have given any false information."
