TENTH YEAR

SEN. SMOOT MAKES GREAT ADDRESS VICTOR WILL BE TAFT OR WILSON

Candidates, Platforms And Policies Discussed. Roosevelt Claim of Fraud Completely Riddled, And Morris And Love Held up to Ridicule In Their Attempts to Rob Utah's Congressional Delegation of Credit Justly Due.

United States Senator Reed Smoot spoke to a fairly large audience at Nibley Hall Tuesday evening. The crowd was not as large as was expected, due to the wet weather, and the many attractions throughout the city. In fact the meetings of all parties at Nibley Hall this fall have not been as largely attended as might at first be anticipated, due perhaps to the fact that the hall is somewhat out of the way as compared to the location of the Thatcher opera house, or the fact that under present Republican good times the people do not have time to attend meetings and are willing to let well enough alone.

City Chairman H. C. Peterson presided and introduced Mr. H. G. Nebeker as the first speaker. Mr. Nebeker spoke along general lines touching up the western industries and the relation of a protective tariff thereto. Senator Smoot at once called attention to the importance of the campaign saying, "It may mean the future prosperity of the nation and of your homes." He wanted all to study the issues and vote their convictions, as that is the only way to get an expression of the people. He characterized this as the greatest, the largest, and most complicated government on earth, one that requires an executive especially fitted for the position and then went into a discussion of the qualifications of the Presidential candidates.

TURKEY'S FATE IN A BALANCE

Athens, Oct. 30.—The left wing of the Greek army yesterday defeated the enemy and pursued them to Nalbankeu, capturing the standards of two Turkish battalions after desperate fighting. After a three hours engagement Katedia was occupied Monday morning by the Greek army. It is also announced that the Bulgarians have abandoned the idea of storming Adrianople in favor of investment, as it is known the place is short of provisions. This decision gives rise to rumors that the Bulgarians have suffered a check near Adrianople.

London, Oct. 29.—The long awaited battle which will decide the fate of Turkey is now being fought. The army under Nazim Pasha, minister of war and commander-in-chief, is engaged, and according to Constantinople official dispatches, the operations are favorable to the Ottomans. The dispatches, however, do not indicate where the chief action is taking place or how the opposing force compare.

It is Turkey's last chance to relieve an almost hopeless campaign. Nazim Pasha is fighting with his back to the wall; his communications have been cut and it is impossible for him to get fresh supplies or reinforcements.

SENATOR BORAH A REPUBLICAN

United States Senator William E. Borah of Idaho, spoke to a large audience at Pocatello Monday evening, and proclaimed to the people that he is a Republican and proposes to remain as such. He told how Colonel Roosevelt had requested him to join the Third party, and how he had refused. Concerning the incident the Pocatello Tribune writes as follows:

"I am a Republican," said the senator. "It is true, he said that he is a great admirer of Colonel Roosevelt and worked for his nomination at Chicago. The colonel, he said, asked him to join a Third party movement. 'I refused,' said Senator Borah, 'and made my reasons plain to the colonel. I left in his mind no false impression. He thoroughly understands my position and I want all the people of Idaho to understand it. I am not ashamed of it.'"

The senator said he refused to follow the Third party movement for good and sufficient reasons. He had and has work to do; he believes it can best be done inside the grand old party. He refused to stand from under the standard of the party that has achieved such magnificent things; he refused to secede from the party that has a glorious record of things done.

"I am a Republican, but I am progressive. I intend to fight to the last ditch for progressive legislation within the Republican party," and the hall rocked with applause at his words.

CANDIDATE FOR REPRESENTATIVE

Mr. Ras Rasmussen, the candidate for the legislature on the Republican ticket, is a native of Copenhagen, Denmark, and emigrated to this country more than twenty years ago settling in Wellsville, Cache County, Utah. After spending several years in that city in farming and fruit raising, Mr. Rasmussen returned to his native land, where he fulfilled a mission lasting more than two years. Shortly after his return home he moved to Logan when he became the

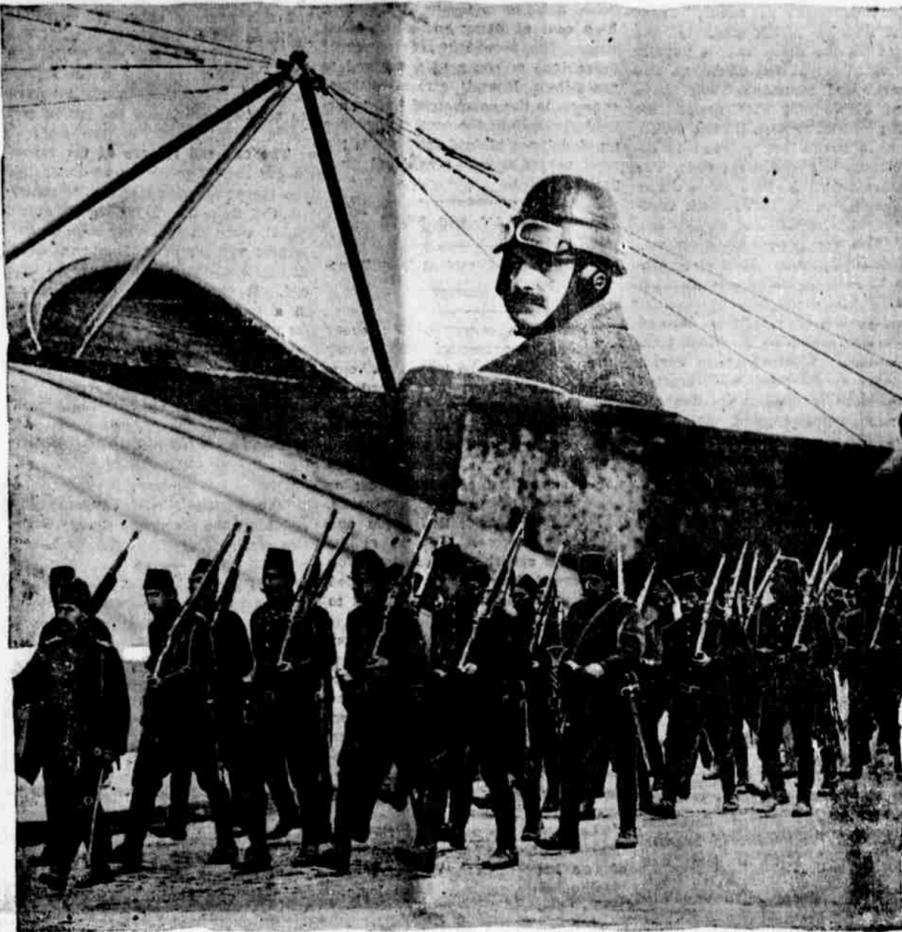

business manager of Cache Valley Fruit Growers' Association and since that time he has been instrumental in finding eastern markets for the fruits of this section; thereby bringing thousands of dollars into the county.

Mr. Rasmussen is a man of ripe experience in the affairs of men, a man who knows the people and their wants. He has always been a consistent Republican and filled every position with honor and fidelity. He is fair, impartial, and upright, and is endowed with those characteristics which are necessary in a man that fills the high office of Legislator.

At the present time he is one of the Presidency of the Scandinavian (L. D. S.) organization of this state. He has a host of friends, who will vouch for his character both mentally and morally, and his friends are more than pleased to be able to help this high-minded, and deserving man.

JAS. S. SHERMAN HAS BAD RELAPSE LADIES REPUBLICAN RALLY

Utica, New York, Oct. 29.—After a restless night and a generally improved condition, which continued well into the forenoon, Vice President Sherman this afternoon suffered a recurrence of the distressing conditions which marked his case yesterday.

Dr. Peck, Mr. Sherman's attending physician, just as he left the house

today, was hurriedly recalled. He found the vice president again suffering from an aggravation of his kidney trouble and remained with him for two hours. When he left he admitted the extremely critical condition of Mr. Sherman, but he gave assurance to the family that there was no danger of serious termination in the immediate future.

"Boys Come Back."

"Boys, Come Back," was the keynote to the recent addresses delivered by Governor William Spry in this county, and these words were directed to those who have fought shoulder to shoulder with the Republican party, those who have assisted in keeping this county, and this state in the Republican column, and those who, deep down in their hearts, do not want to be parties to turning the county and state over to the Democracy. In a word, it was to those who are with the Bull Moose cause. Of course there are a few to whom the Governor felt that an appeal of this kind would be fruitless, those who have the "glassy eye," those who desire the defeat and overthrow of the Republican party because they cannot boss, dominate and control it, but of this class there are a very few. It was to the honest, conscientious voter with Bull Moose tendencies that the Governor appealed, and in his remarks he showed that it was beyond the question of a doubt for Mr. Roosevelt and the Bull Moose party in this state, and in this county, to be elected, and that, therefore, every Bull Moose vote was a vote for the Democratic party.

In our last issue we printed an article quoting from the Kansas City Journal these words: "Mr. Roosevelt is not running for the Presidency. He is running for Wilson for President." The quotation was followed by an argument, and a table of figures showing that it is a practical improbability for Mr. Roosevelt to carry one state, unless it be where there are no Taft electors, and this only occurs in one or two states. A vote then for Mr. Roosevelt is a vote for Mr. Wilson, and surely those hitherto good Republicans to whom the Governor appealed, do not want to be parties to the election of Mr. Wilson. Read and study the figures for yourselves. They do not lie, and will convince anyone after a few moments analysis that it is not within the range of the possible for Mr. Roosevelt to be elected.

This appeal then is made to all Republicans of the past, and the present. To all who have really been true Republicans. You cannot afford to perform an act that will elect the Democratic party. You may have some grudge against certain party comrades, you may feel that you have not been treated just right, and you may have some grounds for personal grievances, as this is something that will always exist in all parties, Republican, Democratic, Bull Moose, or what not, but the election of the Democratic party will not right that grievance, and above it all, the Republican party does not deserve such an act on your part, as the party has done you no wrong. On the other hand, it has stood as your benefactor and protector and deserves your support. Rally to the old standard, support the cause that has supported you, and do not be a party to the election of Wilson by voting for Roosevelt. Seek redress for your wrongs within your party, and if there are rats in the house you have worked and toiled to construct, kill them off, but preserve the structure. Do not tear down the house to kill the rats. Vote the Taft ticket and thus prevent the election of Wilson. "Boys, Come Back."

A ladies Republican rally will be held at the home of Mrs. David Eccles on West Center tomorrow evening at 7:30 o'clock. A general invitation is extended to ladies of the city and it is hoped that hundreds will turn out. An excellent program of music and speech making has been prepared, hence all who attend are assured an enjoyable evening.

TAFT MUST WIN

Bradstreet's Manager Says It Is Necessary To Insure Good Times

Lewis T. Tune, the southwestern manager of Bradstreet's believes that good times are to come and remain. President Taft must be re-elected. Mr. Tune says:

"This country has suffered a period of hard times which is now on the point of giving way to a period of prosperity. We will not have this prosperity, however, if we do any experimenting in our government. The business of this country from that of the humblest farmer and tradesman to that of the bigger farmer and manufacturer and merchant, will be best served by the re-election of Taft."

PIONEER CAMPS TO GIVE SOCIAL

UTAHNS RETURN FROM CANADA

Enthusiastic Over Dry-Farming Congress. Utah Much in Evidence. Local Man Wins Grain-Judging Contest

Dr. John A. Widtsoe, President of the Utah Agricultural College, and party returned from attending the session of the International Dry Farming Congress at Lethbridge, Canada, Monday night. Each member of the party is enthusiastic over the reception afforded them in the Canadian city and speaks in the highest terms of praise of the wonderful progress made by the city of Lethbridge both in its municipal improvements and in the arrangements which it had made for the entertainment of its many visitors. The Congress was without doubt the largest agricultural gathering ever held upon American soil. Fourteen states of the Union were represented and fourteen different nations of the earth. The president of China had

"REASONS" FROM GEORGE Q. RICH

He is a People's Man

The last days of the 1912 campaign are upon us— I wonder if the people of this county realize!

First. What a good, fatherly honest old man President Taft is.

(Note—We never had a dishonest president.)

Second. Do the people of Utah know that President Taft has recognized Senator Smoot, for what he is worth to the nation and not what the low-brows say of him.

Third. The people of Utah, irrespective of creed, ought to muster their vote, and tender the compliment right back to headquarters, and his ticket.

Fourth. Wilson and his ticket will knock the bottom out of wool, sugar, and lead. Utah's three staples that may give the west a panic. Nothing more may be said.

Fifth. I will vote for President Taft and the Republican ticket for the above reasons.

GREAT READER HERE TONIGHT

With Miss Katherine Ridgeway, reader, accompanied by Mr. Ludwig G. Meyer, baritone soloist and Miss Grace Desmond, pianist, the second number of the Lyceum series of entertainments conducted conjointly by the Utah Agricultural College and the B. Y. College will take place at Nibley Hall tonight.

The entertainment tonight will be one of the very best yet arranged in the series. Both from the standpoint of artistic rendition and personality the artists this evening rank among the best in America. Miss Ridgeway gives an evening of varied readings instead of an entire program of a single play or story. This in itself, appeals strongly to the popular fancy which seek variety and entertainment of any one theme, or position of any one theme, or subject. She was for several years with the famous Temple Quartet, and she has read to hundreds of audiences throughout America.

The artists accompanying Miss Ridgeway, are of high rank. Mr. Ludwig, at twelve years of age had such a remarkable voice that he was made soprano soloist at St. Paul's Episcopal Choir at Erie, Pennsylvania. His talents have enlarged and improved with age, until at the present time he is the possessor of a voice rich in timbre and pleasing in quality. Miss Grace Desmond, the pianist toured the country with Miss Ridgeway in 1911. She is a pianist of splendid ability, her playing having earned her the very warmest commendation from critics wherever she has appeared.

Few are the houses that are pretty without paint or whitewash.
