PRESIDENT FRANCISCO I. MADERO IS RECALLED BY HIS PEOPLE LOGAN TO HAVE A REAL HOLIDAY

PUT UNDER ARREST BY GEN. BLANQUET, ONE OF HIS OWN COMMANDERS

And Forced to Sign Resignation From Presidency—All Ministers But One Also Prisoners—Delirious Crowd Jams Plaza

Mexico City, Feb. 18.—Francisco I. Madero, arrested in the national palace this afternoon by General Blanquet, one of his own commanders, was forced to sign his resignation from the presidency.

Gen. Victoriano Huerta, commander of the federal troops, which have been fighting Diaz, has been proclaimed provisional president.

Gustavo Madero and all the cabinet ministers, with the exception of Ernesto Madero, are under arrest. The vice president of the republic, Jose Pino Suarez, still is at liberty, but in hiding.

The American ambassador and the other foreign diplomats held a conference at the American embassy to night to discuss the re-establishment of order and the further protection of foreign residents.

Populace Wild With Joy
The Zocalo, the great plaza in front of the palace, was jammed tonight with a delirious crowd, with banners, inscribed "Peace" and "Liberty," shouting for Diaz, Huerta, Blasquet and Mondragon.

The women members of the Madero family who were in Chapultepec castle were whisked away in an automobile by friends, who had learned of the coup at the national palace.

Telegrams have been sent to the governors of the states, notifying them of the proclamation of Huerta as provisional president, and also to the military commanders, assuring that general elections will be held for president.

Huerta Makes Speech to Crowd
General Huerta made a speech from the balcony of the palace to the assembled crowds. He declared he had no personal ambition and announced himself as military governor, and General Blanquet as military commander of the federal district.

It is fully believed that a definite (Continued on page eight)

MOST POWERFUL BATTLESHIP IN WORLD

Washington, Feb. 18.—The Newport News Shipbuilding company's bid of \$7,235,000 for construction of the new dreadnought Pennsylvania with Curtiss turbine engines, was the lowest of all proposals opened at the navy department today.

The Pennsylvania, officially known as No. 38, will not only be the biggest ship in the American navy, but so far as is known, will exceed in size any warship so far laid down by a foreign power. Her tonnage will be 31,000—almost three times that of the famous old Oregon, already dwarfed into insignificance by the great American super dreadnoughts.

This latest addition to the navy will cost when complete with guns, armor and equipment \$14,173,000. While only 600 feet long, the Pennsylvania will have a beam of 97 feet almost as much as it is safe to negotiate in the Panama canal locks. Her draft will be 28 feet 6 inches, which will leave open to her most of the great mercantile ports of the world. A battery of 14 inch guns, the most powerful naval weapons afloat, supplemented by four torpedo tubes, and 22 5-inch secondary guns will constitute the ship's armament.

PROF. S. H. CLARK TO VISIT LOGAN

Patrons of the U. A. C. and B. Y. C. Lyceum course will be glad to learn that Prof. S. H. Clark of Chicago will appear in the next number of the course in the tabernacle on Washington's birthday at eight o'clock in the evening.

Prof. Clark has visited Logan several times in the capacity of dramatic reader, and lecturer, and has never failed to please his audience. In his literature and miscellaneous programs his aim has been to increase and broaden the appreciation of the best in literature; while in his longer readings he has generally succeeded in bringing out clearly the purpose and meaning of the author of the particular work. Among the classics he has read in Logan, "Richard the Third," "Macbeth," "Silas Marner," "Brand," selections from the "Les Miserables," the "Servant in the House," will be the best remembered.

Prof. Clark has an inevitable faculty for creating an atmosphere of appreciation, and an excellent voice under perfect control which adds largely to the effectiveness of his character delineation. He will read on Saturday, Jerome K. Jerome's famous production—a modern morality play dominated by the spirit of Christ—"The Passing of the Third Floor Back."

"DISGRUNTLED" MAKE REPLY

The Logan Republican in its issue of Feb. 18 printed an article at the behest of Joseph Marshall and the management of the Lyceum bureau of the colleges, censuring several commercial salesmen for leaving the Eagle Hotel at Logan on account of the said hotel giving accommodation to a company of negro entertainers, further the proprietor of the Eagle Hotel, Joseph Marshall it appears said that he cared more for the welfare of the colleges than he did for "a few disgruntled commercial men."

These few disgruntled commercial salesmen are just a few of the salesmen on the road. The commercial men respect and uphold these colleges and in fact these very men that left the hotel went to the college entertainments Friday and Saturday nights spending their money to help the Logan institutions.

The Eagle Hotel is supported mainly by the commercial men whose only home while on the road is the hotel.

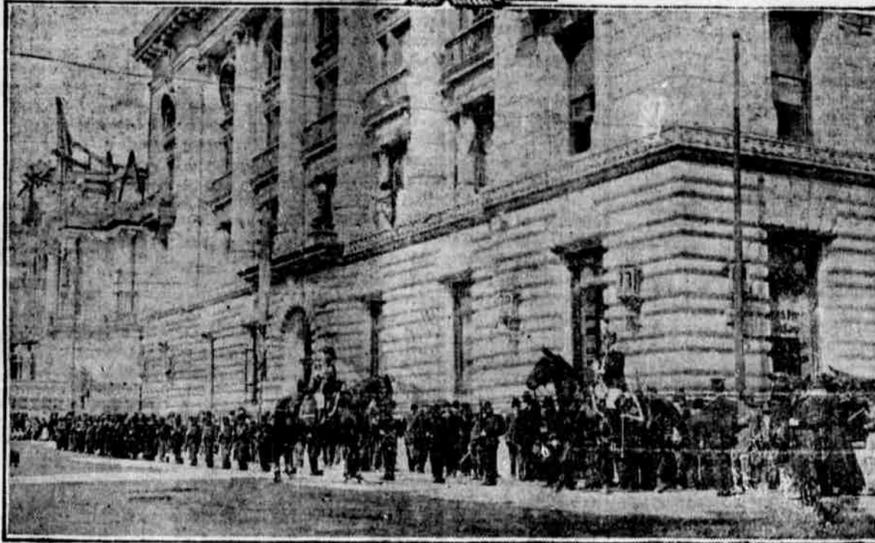

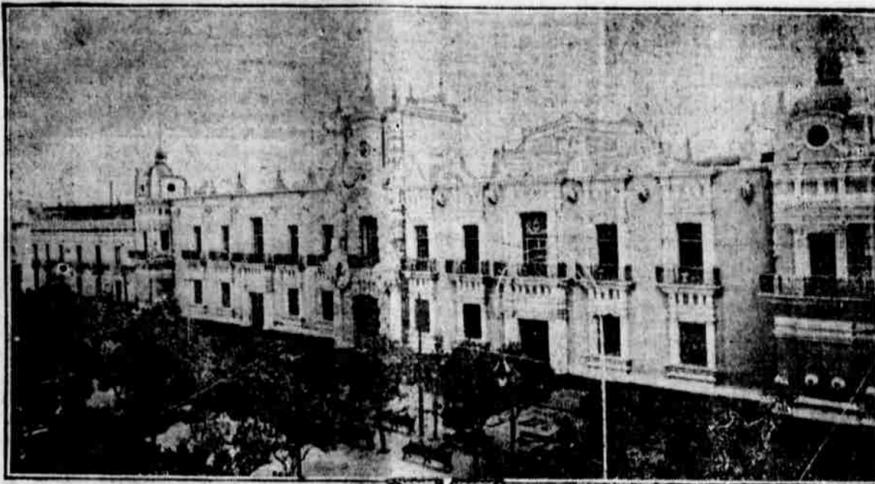

We ask in all sincerity would you take these negroes into your home as guests to associate as an equal with your family?

Further it is stated that these negroes were given accommodations at the Hotel Utah, Salt Lake City; Reid Hotel, Ogden; and Idanha Hotel, Boise, which we found from inquiry is not true.

Palace In Mexico City Where President Madero Was Attacked and Public Building Guarded by Troops.

Photos copyright by American Press Association.

Like a blaze bursting from a tinder heap a thoroughly organized revolution again broke forth in the capital of Mexico. Inside of an hour of street fighting the government under President Francisco I. Madero was on the defensive, its head virtually a prisoner in the palace, with the rebel general, Felix Diaz, in command of nearly all the troops in the city. Diaz, a nephew of Porfirio Diaz, had been a prisoner under sentence of death for leading a previous revolution, and General Bernardo Reyes had recently been imprisoned under a like charge. Reyes was killed in the first assault on the palace. The pictures are a view of the palace, at top, and of a building guarded by troops.

BASKET WILLOW CUTTINGS FREE

Washington, D. C. Feb. 19.—The Department of Agriculture is getting ready to fill requests for the basket willow cuttings grown last year on its experimental farm at Arlington, Va. Distribution of these cuttings takes place early in March each spring, to farmers and others who wish to make trials of basket willow on lands too wet for other crops. From 50 to 100 cuttings are given each person.

The distribution is not a mere giving away of government material to persons who desire to get something free; because it is required that each recipient of cuttings shall make a report of the treatment given and the results obtained. Several select varieties are included in each set that is distributed, and the aim is to secure information as to the best variety for each locality, since no one kind can be relied upon to yield maximum results over a wide range of territory.

In the basket willow investigation carried on at the Arlington Farm, Arlington, Va., and at Ames, Iowa, by the Forest Service particular attention has been given to the development of American species for basket making purposes. The European species now commonly used have never proved themselves entirely adapted to American conditions and are as a rule less thrifty than the

LOGAN MAN WINS CONTEST

Attorney J. Z. Stewart Jr. is Now Owner of the Fred H. Turner Automobile

Attorney J. Z. Stewart Jr., won the automobile contest recently conducted at Magrath, Alberta, Canada, for the benefit of the family of Fred H. Turner, whose sudden and lamentable death was recorded some months ago. The automobile was formerly owned by Mr. Turner. This statement is made for the benefit of those persons locally who were interested in the outcome of the contest. John H. Turner, the administrator of his brother's estate, attended to the detailed work of the affair. Attorney Stewart has been advised as to the outcome but he is undecided at the present, whether or not to have the car shipped to Logan.

U. A. C. VS B. Y. C.

The basketball boys of the B. Y. C. are determined to take the Aggie scalp in the game next Saturday. The boys are putting in some hard practicing this week. They made a better showing against Provo than was expected and if they go into the game with the same spirit they will stand a chance to defeat the fast Aggie team. The Aggie team is composed of old men who have played for several years for the school.

The game will be played Saturday at 4 p. m. This time has been set because Saturday is a holiday and probably many of our townspeople would like to see the game. The old rivalry between the crimson and the Aggies will be exhibited again and no doubt the B. Y. gymnasium will be over crowded. Several cheering practices will be arranged for this week by both schools and probably this will be the best exhibition of college spirit ever given here.

Business Men Unite in Common Cause. Will Honor Nation's Father.

The business men of Logan City held a spirited and enthusiastic meeting at the Commercial club rooms at 2:30 yesterday afternoon at which it was unanimously decided to close up the city on Saturday in honor of Washington's birthday.

In view of the fact that the national holiday comes, this year, on Saturday a divided opinion existed among managers of business establishments as to the advisability of closing doors. Mayor H. G. Hayball took the initiative and with a committee yesterday morning notified all merchants in the business section to meet at the club for a final threshing out of the matter. On account of the hurried call some merchants in the outskirts of town were not notified, but it was the general consensus of opinion that the gentlemen not in attendance would gladly abide by the ruling of the meeting.

Upwards of 70 per cent of the business interests were represented and with the unanimous passage of a motion to the effect that the entire business of the city close for the day, and in view of the fact that all blacksmith shops, implement houses and banks will close, it was officially ordered that the city be declared devoid of commercial activities on that day.

It was a friendly session and while both sides of the question were taken care of, and official statements made to the effect that Ogden and Salt Lake would remain open yet the spirit of loyalty marked the addresses of all and the unanimous action finally recorded can be considered only as another well taken stitch in the fabric which will even- (Continued on page five)

HIGH CLASS ENTERTAINMENT

Carolinn Jubilee Singers of Chicago Give Pleasing Evening of Amusement at Nibley Hall

The students of both local colleges and the public in general which availed themselves of the opportunity, were highly entertained at Nibley Hall Monday evening by the colored folk, who travel under the name of the Carolinn Jubilee Singers. They appeared here under the auspices of the U. A. C.—B. Y. C. Lyceum course and the colleges should be congratulated for securing for the city the class of amusement and entertainment as they gave. There were seven in the company (Continued on page four)

FUNERAL AT THIRD WARD

A large number of friends assembled at the Third ward meeting house Tuesday afternoon to pay their last respects to Howard Larsen, son of Mr. and Mrs. Brigham Larsen, who died from a long sickness of Bright's disease. The young man had been a student of the A. C. and a member of the college cadets. In full uniform the cadets marched in a body to the ward meeting house and attended the services. The respect and esteem in which the deceased son was thus held by his fellow students was a source of consolation to the parents and relatives. Many kind and sympathetic words were spoken by the following persons: Richard Yates, C. J. Larsen, grandfather of Howard; Prof. John T. Caine Jr., Pres. S. F. Ballif, John Quayle and Bishop Wm. Evans. James McMurrin sang a solo.
