Indigestion, congested liver, impure blood, constipation, there are what afflict thousands of people who do not know what is the matter with them. They drag along a miserable existence; they apply to the local doctors occasionally, and sometimes obtain a little temporary relief, but the old, tired, worn-out, all-gone, distressed feeling always comes back again worse than ever, until in time they become tired of living, wonder why they were ever born, and why they are alive unless to endure constant suffering. To such sufferers there is a haven of refuge in Dr. August Koenig's Hamburg Drops, which was discovered more than 60 years ago, and which is a wonderful medicine. One trial will convince the most skeptical that any or all of these difficulties may be removed, and a perfect cure effected, by taking Dr. August Koenig's Hamburg Drops. **SARATOGA FIFTY YEARS AGO.**

Ceremonies Observed in Old United States Hotel.

Perhaps the best test of social embellishment was to be seen at Saratoga Springs, where the old United States hotel assembled in the season the wealth and fashion of the country. The great dining-room, resplendent with mirrors and gilding, showed a dinner table covered with silver dishes, while behind every two chairs a colored waiter man was stationed. The major-domo (as head waiter) stood at the head of the table with a baton in his hand. Orchestral music ushered in the guests, who took their seats at table; the major-domo raised his wand and each waiter man advanced and stood back of the guests; at the second wave of the wand the waiters laid hands upon the dish covers, and at the third wave every cover was lifted and laid upon small dumb waiters, which other attendants carried away. Then the major-domo laid his hand upon his heart and bowed to the guests, the music struck up, and the waiters served the dishes. —Lippincott's.

"I am so pleased with the results I obtained from Lydia E. Pinkham's Vegetable Compound that I feel it a duty and a privilege to write you about it."

"I suffered for over five years with ovarian troubles, causing an unpleasant discharge, a great weakness, and at times a faintness would come over me which no amount of medicine, diet, or exercise seemed to correct. Your Vegetable Compound found the weak spot, however, within a few weeks—and saved me from an operation—all my troubles had disappeared, and I found myself once more healthy and well. Words fail to describe the real, true grateful feeling that is in my heart, and I want to tell every sick and suffering sister. Don't dally with medicines you know nothing about, but take Lydia E. Pinkham's Vegetable Compound, and take my word for it, you will be a different woman in a short time."—Mrs. L. E. EMMONS, Walkerville, Ont. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.

Don't hesitate to write to Mrs. Pinkham if there is anything about your case which you do not understand. She will treat you with kindness and her advice is free. No woman ever regretted writing her and she has helped thousands. Address is Lynn, Mass.

**\$3.00 W. L. DOUGLAS SHOES \$3.50**  
 UNION MADE

W. L. Douglas makes and sells more men's \$3.50 and \$5.00 shoes than any other two manufacturers in the world, which proves their superiority; they are worn by more people in all stations of life than any other make.

Because W. L. Douglas is the largest manufacturer he can buy cheaper and produce his shoes at a lower cost than other concerns, which enables him to sell shoes for \$3.50 and \$5.00 equal in every way to those sold elsewhere for \$4 and \$5.50.  
 W. L. Douglas \$3.50 and \$5.00 shoes are worn by thousands of men who have been paying \$4 and \$5, not believing they could get a first-class shoe for \$3.50 or \$5.00. He has convinced them that the style, fit, and wear of his \$3.50 and \$5.00 shoes is just as good. Placed side by side it is impossible to see any difference.
