

CORRESPONDENCE.

PAROWAN.

Wm. Evans was brought home from Salt Lake City, where he has been on business, very ill with typhoid fever, but under the care of Dr. McGregor he is improving rapidly.

There were three arrests made this week for disturbing public worship last Sunday evening and each deposited \$3 in the city treasury. Also one case of battery which deposited another five, and still the grind goes on.

Father Mickleson who has been alling for some time past departed this life at one o'clock today. He passed away very quietly. The deceased was 84 years old. He was one of our oldest settlers and a very honest Latter-day Saint. His aged wife, three sons and two daughters are left to mourn his demise.

Sunday school conference convened last Sunday and had some very excellent remarks and good advice from the superintendency and others. In the evening meeting Jos. Fife spoke on "What the home could do for the Sunday school." James Ollerton spoke of what the Sunday school had done for him. Both gentlemen handled their subjects in a very able manner.

Your correspondent was been away from town some this week.

As usual both parties are confident of success.

Oct. 22, 1903.

The preacher told us sometime ago that "the wildest boys make the best men," so some of them started out to be best men of that kind. Three of them were fined five dollars each for profanity right in the meeting on Sunday night. Another young man was fined also for disturbing the peace.

NORMAL NOTES.

Cedar City, Oct. 23, 1903.

The book-keeping sets have arrived. The class of about fourteen members meet daily in the up stairs of the Domestic Science building.

The '04s and specials are going to have a Halloween party next Saturday. The preparations indicate that a jolly good time will result.

The school band consisting of ten or twelve members has been organized. It will assist in the musical functions to be given from time to time.

In general, things about school are running smoothly. There is a hum of industry through the halls; a spirit of union among the students and teachers.

Mayor Taylor of the Branch Normal School city read the city ordinances in chapel Wednesday morning, and after several slight amendments, they were accepted by the student body.

Instructor Ward had the misfortune to sprain his ankle this week and is consequently unable to attend school today. Principal Porter took charge of the chemistry class this morning.

The instructors and others were pleasantly entertained by Mayor T. J. Jones and family at their home Thursday night. An informal musical program, recitations, and social chat helped to make the hours glide by.

S. Le Quinn of Caveodish, Vt. was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure. 25c For sale by all Dealers.

DIETING INVITES DISEASE.

To cure Dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one cares to eat, and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat—makes the stomach strong.

Better Than Pills.

The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills. Our answer is—They are easier and more pleasant to take and their effect is so gentle and agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. 25 cents per bottle.

We omitted last week to mention the fine lot of Ramboulette bucks that the Cedar Sheep Association have recently brought down from Sappete county. The bunch numbers 70 and there are several among them that will weigh 225 pounds, and some that will weigh 300 pounds.

A PERFECT PAINLESS PILL.

Is the one that will cleanse the system, set the liver to acting, remove the bile, clear the complexion, cure headache and leave a good taste in the mouth. The famous little pills for doing such work pleasantly and effectually are DeWitt's Little Early Risers. Rob More of Lafayette, Ind., says: "All other pills I have used give me sick and while DeWitt's Little Early Risers are simply perfect."
