"HE SAID NOT TO TELL."

The following from the American Fork Citizen of last Saturday is a unique thing in the way of wedding announcements, and we congratulate Editor W. D. Loveless on the sagacity of his office boy. The paragraph was set in long primer, the lad evidently having a greater knowledge of that particular font of type.

"If there are any mistakes or blunders in the paper this week, please blame them to the 'devil' as we have no editor. He left on the San Pedro last night for Salt Lake City, taking with him Miss Pearl Cunningham. We think they have gone up to get a marriage license but Mr. Loveless said not to tell"
